Interior Design • How it Affects Human Behavior - Dig This ...
 Human Behavior And The Interior Human Behavior and the Interior
 Environment This chapter examines the relationship between
 individuals and their environment—how they perceive space and
 how they react to it. Perception of one's environment is affected
 by sociological needs, psychological state, and individual
 differences. The environment itself also influences human
 behavior. Human Behavior and the Interior Environment Interior
 Design • How it Affects Human Behavior. We are rarely
 consciously aware of how our interior design affects our human
 behavior or moods, regardless, our environment has a
 psychological effect on our subconscious. Whether it be your
 home or office, how you design your space greatly influences your
 mood and emotions. Interior Design • How it Affects Human
