Allez Viens! Holt Rinehart & Winston Elizabeth Martin explores the impact of globalization on the language of French advertising, showing that English and global imagery play an important role in tailoring global campaigns to the French market, with media companies undeterred by the attempts through legislation to curb language mixing in the media.

Holt French. level 1 Walter de Gruyter Concise and user-friendly, Easy Vietnamese is designed for anyone who wants to learn Vietnamese—whether on their own or with a teacher. This language learning book introduces the learner to all the basics of the Vietnamese language and teaches practical daily conversations and vocabulary. It enables users to begin communicating effectively from the very first day and its compact size makes it a great tool for travelers or business

people looking to learn Vietnamese on the road without giving up on any content. This Vietnamese language learning book includes: Useful notes on Vietnamese script, pronunciation, sentence structure, vocabulary, and grammar Sections covering greetings, requests, idiomatic expressions and common situations Cultural information about Vietnamese etiquette as well as do's and don'ts A glossary of the most commonly-used Vietnamese words and phrases Downloadable audio with many hours of native-speaker recordings of the dialogues, vocabulary and exercises.
Holt French 1: Video Guide Holt Rinehart & Winston
 French is a syntactically interesting language, with aspects of its word order and clause structure triggering a variety

of important developments in syntactic theory. This is a concise and accessible guide to the syntax of Modern French, providing a clear overview of those aspects of the language that are of particular interest to linguists. A broad variety of topics are covered, including the development and spread of French; the evolution of its syntax; syntactic variation; lexical categories; noun, verb and adjective phrases; clause structure; movement; and agreement. Drawing on the work of a wide range of scholars, it highlights the important role of French in the development of syntactic theory and shows how French challenges some fundamental assumptions about syntactic structure. An engaging and in-depth guide to all that is interesting about French, *The Syntax of French* will

be invaluable to students and scholars of syntactic theory and comparative linguistics.
