Have you ever wondered how corrupt businesses evolve and thrive? Are you curious about the inner workings of a nefarious enterprise? Have you been scammed or hurt by a predatory business? Bad Biz is an educational satire that'll show you how bad businesses become successful, and how they get away with their schemes and scams. There are a lot of books written from the perspective of the good guy, but Bad Biz is written from the perspective of the corrupt tycoon. Imagine yourself as a fly on the wall listening to a fictional profiteer guiding a nefarious entrepreneur. The author of this book worked in the for-profit college industry, and wishes to share first-hand knowledge and experience with you. Again, this is satire, so the author is writing from the perspective of a fictional bad biz owner. You'll gain a keen understanding of how for-profit colleges scam vulnerable people, cheat taxpayers, increase student loan debt, and devastate communities. Go to badbizbooks.com to learn more, or submit your idea for the next Bad Biz. If you're an expert on a bad biz, a whistleblower, or a creative author, feel free to send a message through the website. Don't forget to look for Bad Biz on social media, and share with your community. www.BadBizBooks.com
