Further your SAT vocabulary knowledge to get farther down the road to success This SAT vocabulary workbook helps students master more than 700 words that frequently appear in the SAT's reading, writing, and essay sections. The book's approach reflects changes made to the test in recent years, focusing on understanding vocabulary more than rote memorization. It's a modern workbook designed to give students the edge needed to improve their SAT scores. 145 short lessons—Each lesson features a theme to help contextualize vocabulary and concludes with a mini quiz to test understanding. Practical organization—Chapters focus on different elements of the SAT, including words for reading topics like history and science, transition words, and commonly confused words. Learning that lasts—With extra tips for retention, this focused approach works equally well for students who are taking the test in a week or in a year. Perfect for summer learning—This guide makes a great summer workbook for students planning to take the SAT this coming year who want to get a head start on studying before heading back to school. Get the ideal resource for students

looking to master SAT vocabulary.

More than 40 percent of graduating high school seniors take the ACT every year 5 complete exams with fully explained answers in the book-only edition Features complete information on the ACT essay that especially impresses college admissions officers Includes extra practice tests and help online Test dates: 2008-September, October, December; 2009-February, April, June *Maximize Your Writing Score on the SAT* Vibrant Publishers Two award-winning professors, a former admissions officer at a major university (now a counselor at a prestigious high school), and a gifted high school senior (now in the throes of the college admissions process himself) team up to offer you over 600 tips, techniques, and strategies to help you get in to the college of your choice. Comprehensive, yet easy-to-read, this book will teach you: How to size up the colleges you're considering—and come up with a coherent list. What are college nights, college fairs, and college rep visits—and how you can use each to your advantage. What are "holistic", "contextualized", and "legacy" admissions—and how each can work for you. How some schools count "demonstrated interest"—and how you can take advantage of this little-known fact. What are Early Decision, Early Action, and Single-Choice Early Action—and whether any is right for you. How to figure out the true costs of college, and what is the difference between "need-" and "merit-based" aid. What it means when colleges say they meet "100% of demonstrated financial aid" and what "loan-free" means. When and how to make campus visits—and what to do on each. How to prepare for each section of the ACT or SAT—and how to increase your scores. What admissions officers are looking for in your application—and how to give it to them. How to write the all-important Common App essay—and present your extra-curricular activities. How to prepare for an alumni interview—and present yourself in the best light. Whom to ask for letters-of-recommendation—and how to help them write the best possible letter. How to compare your final offers—and, in some cases, substantially improve them. When it's good to wait out the "wait list"—and when not. -and much, much more. When you understand the college admissions process, you can maximize your chance of success. Why not put yourself ahead of the pack?

Two best friends document their post-college lives in a hilarious, relatable, and powerfully honest epistolary memoir. Fast friends since they met at Brown University during their freshman year, Jessica Pan and Rachel Kapelke-Dale vowed to keep in touch after their senior year through in-depth—and brutally honest—weekly e-mails. After graduation, Jess packs up everything she owns and

moves to Beijing on a whim, while Rachel heads to New York to work for an art gallery and to figure out her love life. Each spends the next few years tumbling through adulthood and reinventing themselves in various countries, including France, China, and Australia. Through their messages from around the world, they swap tales of teaching classes of military men, running a magazine, and flirting in foreign languages, along with the hard stuff: from harrowing accidents to breakups and breakdowns. Reminiscent of Sloan Crosley's essays and Lena Dunham's *Girls*, *Graduates in Wonderland* is an intimate, no-holds-barred portrait of two young women as they embark upon adulthood.
