A Magnum Opus Story Schiffer Pub Limited
 Here's a sweet treat for collectors of colorful M&M's characters, starring regular and peanut. This is a serious collector's guide to those smiling candies with a tough exterior and a gooey heart. Author Patsy Clevenger, who describes the smiles of the M&M characters as "absolutely infectious," first provides readers with a concise review of the candy's history, including a timeline of M&M colors featured from 1940 through the 1990s. This comprehensive and enjoyable guide then leads the reader on a tasty tour of M&M collectibles, complete with values for the hundreds of items shown, which range from kitchen towels to tins, toppers, posters, and jewelry. Additional sections on advertising items and M&M packaging round out the book. Alice and the Fly 'a darkly quirky story of love, obsession and fear' Anna James
 "In Surgical Wing, you will find yourself in phone booths, county fairs, fishing boats, and among ghosts. Strange birds will enter hospital waiting rooms. You will be seduced by knot-makers. You

will witness illness, grief, and healing. Finally, the book itself will become the wings that steer you to a greater understanding of yourself and the world." —Anna Silver In Surgical Wing, surrealistic poems visit an experimental hospital ward, manifesting visions of winged angels and medical tests, as we bear witness to a doctor's' meddling and miracles. Robertson's poems challenge the internal and external metamorphoses of the human condition and the juxtaposition between death and life by personifying the soul through images of birds. From "You're About to Fold a Paper Airplane": Build evidence of air. Pull the results of your blood test from the mailbox. Fold in half: you have wings already. Abnormal? Fold again. You can't see the inner-workings of an aircraft. And when you're folding, you can't study much else. Book your tumor markers a flight to Bora Bora. Vector, Victor. Clearance, Clarence. On any scrap of paper write carry. Write heavenward. Write I choose this over you. Replace this. With flying. With peregrination. Or write I can't fear you another morning. And fold. Kristin Robertson is a native of East Tennessee, and she graduated with a PhD in creative writing from Georgia State University in Atlanta. Her poetry has appeared or is forthcoming in Harvard Review, Indiana Review, TriQuarterly, Third Coast, and Verse Daily, among other journals. Kristin lives

outside Los Angeles and teaches at the University of California, Riverside.

Decoding the Patterns of Human Connection Pan Macmillan
"Galileo's Middle Finger is historian Alice Dreger's eye-opening story of life in the trenches of scientific controversy. Dreger's chronicle begins with her own research into the treatment of people born intersex (once called hermaphrodites). Realization of the shocking surgical and ethical abuses conducted in the name of "normalizing" intersex children's gender identities moved Dreger to become an internationally recognized patient rights activist. But even as the intersex rights movement succeeded, Dreger began to realize how some fellow activists were using lies and personal attacks to silence scientists whose data revealed uncomfortable truths about humans. In researching one case, Dreger suddenly became a target of just these kinds of attacks. Troubled, she decided to try to understand more -- to travel the country and seek a global view of the nature and costs of these damaging battles. Galileo's Middle Finger describes Dreger's long and harrowing journeys between the two camps for which she felt equal empathy: social justice activists determined to win and researchers determined to put hard truths before comfort. What emerges is a lesson about the intertwining of justice and truth-- and about the importance of responsible scholars and journalists to our fragile democracy." --

The Collector's World of M&M's Little, Brown

The compelling tale of Rima, a strange, birdlike girl of the jungle, and Abel, the European explorer who falls in love with her. Richly colored narrative, steeped in mystery and romance.

100 Things to Know About Space MM Books

Linnea and the Rutledge family continue to face their challenges with the strength, faith, and commitment. Love in the time of the coronavirus proves challenging, at times humorous, and ever changing. Relationships are redefined, friendships made and broken, and marriages tested. As the weeks turn to months, and another sea turtle season comes to a close, Linnea learns there are more meaningful lessons learned during this summer than opportunities lost, that summer is a time of wonder, and that the exotic lives in our own back yards. Print run 125,000.

Faithful Yearling Books

AN INSTANT #1 NEW YORK TIMES BESTSELLER Beautiful World, Where Are You is a new novel by Sally Rooney, the bestselling author of Normal People and Conversations with Friends. Alice, a novelist, meets Felix, who works in a warehouse, and asks him if he'd like to travel to Rome with her. In Dublin, her best friend, Eileen, is getting over a break-up, and slips back into flirting with Simon, a man she has known since childhood. Alice, Felix, Eileen, and Simon are still young—but life is catching up with them. They desire each other, they delude each other, they get together, they break apart. They have sex, they worry about sex, they worry about their friendships and the world they live in. Are they standing in the last lighted room before the darkness, bearing witness to something? Will they find a way to believe in a beautiful world?

Green Mansions Yearling

Big Little Lies meets Alice Hoffman in a gripping debut of dark domestic suspense following four women, a town secret—and an investigation that shakes their Connecticut town to the core. Sanctuary is the perfect town...to hide a secret. When young Daniel Whitman is killed at a high-school party, the community is ripped apart. The death of Sanctuary's star quarterback seems to be a tragic accident, but everyone knows his ex-girlfriend Harper Fenn is the daughter of a witch—and she was there when he

died. VV James weaves a spellbinding tale of a town cracking into pieces and the devastating power of a mother's love. Was Daniel's death an accident, revenge—or something even more sinister? As accusations fly, paranoia grips the town, culminating in a witch-hunt...and the town becomes no sanctuary at all.

Twisty and compelling with a dash of Practical Magic, Sanctuary is an instant Sunday Times Bestseller of murder, witchcraft, and the dark side of small towns and the secrets kept within them.

The Devil's Trap James Pinnick

So. Were you glad, deep down? Were you glad to be rid of her? Your perfect sister? Were you secretly glad when she was killed? Following a horrific tragedy that leaves her once perfect family devastated, Katherine Patterson moves to a new city, starts at a new school, and looks forward to a new life of quiet anonymity. But when Katherine meets the gregarious and beautiful Alice Parrie her resolution to live a solitary life becomes difficult. Katherine is unable resist the flattering attention that Alice pays her and is so charmed by Alice's contagious enthusiasm that the two girls soon become firm friends. Alice's joie de vivre is transformative; it helps Katherine forget her painful past and slowly, tentatively, Katherine allows herself to start enjoying life again. But being friends with Alice is complicated - and as Katherine gets to know her better she discovers that although Alice can be charming and generous she can also be selfish and egocentric. Sometimes, even, Alice is cruel. And when Katherine starts to wonder if Alice is really the kind of person she wants as a friend, she discovers something else about Alice - she doesn't like being cast off. Shocking and utterly absorbing, Rebecca James's strong narrative will grip readers from the very first page. BEAUTIFUL MALICE has become a publishing phenomenon, sparking numerous auctions worldwide, selling to 27 countries, and launching a previously unknown writer into the centre of the international book market.

Aquarian Bloomsbury Publishing USA

Creative Stress reveals with precision how we can and must transmute negative stress so that we can evolve individually and collectively. It offers the reader a steady climb to the higher reaches of human creativity and fulfillment, and is packed with compelling stories from O'Dea's exceptionally rich experience.

Reproduction of the original: The Little White Bird by J.M. Barrie

Galileo's Middle Finger Anchor

"The action and suspense make this a serious page turner."-S.A. Bodeen The Raft-The Compound. Fifteen year-old Brody Martin has taken refuge in Indian Territory from the Miller clan. The Millers are accusing him of horse thieving and murder... and they don't care who they hurt to find him. Brody is hired on by Joseph, a Cherokee Indian, to help run his trap lines in the wilderness. Just as he starts to feel safe, he stumbles across a dying man and finds out there are worse things than being separated from his family and wanted for murder. With enemies ready to ambush him in Fort Smith and pure evil stalking through the woods, Brody has to pick his path carefully or he may end up trapped.

Alice and the Scaredy Cats Penguin

What happens when a snarky hitman and a by-the-book PI cross paths? Leland Being a hitman has its perks, but I never thought getting an accidental mooning by an attractive PI while he's caught on a fence would be one of them. While it's not exactly love at first sight, he's captured my interest and won't let go. Suddenly, I find myself caught in a game of cat and mouse, determined to attract the attention of Jackson, the PI who should be my enemy. He pretends like he's not flattered by my flowers and the mentions of my totally-not-fictitious blow-up doll Randy (or was it Dandy?), but I know better. Why else would he be teaming up with me to bring down Hardek, one of the city's most

ruthless criminals? Jackson Even though the cops are telling me that the hitman is a notorious contract killer, I can't help but admit that I'm drawn to him. He's funny, charismatic, and attractive. There's no way this ridiculous man can be the person the cops are after. But when Leland ends up at my doorstep injured, I'm faced with a tough choice. It's my duty to hand him over to law enforcement, but my heart has other plans. I want to keep him. To protect him. To be with him. Though one question remains: why in the world does the man have so many d*mn guns? Contains: shenanigans on a swing that you would NOT find at a playground, a car chase that sadly doesn't have flips or explosions, a horsey ride sans horse, cuddles, an exuberant mutt, a suspicious chief of police, and lots and lots of laughs.

The Hitman's Guide to Making Friends and Finding Love Oldcastle Books

A journey through a land where Milo learns the importance of words and numbers provides a cure for his boredom.

A Story of the California Trail Vintage

From the New York Times bestselling author of *The Marriage of Opposites* and *The Dovekeepers* comes a soul-searching story about a young woman struggling to redefine herself and the power of love, family, and fate. Growing up on Long Island, Shelby Richmond is an ordinary girl until one night an extraordinary tragedy changes her fate. Her best friend's future is destroyed in an accident, while Shelby walks away with the burden of guilt. What happens when a life is turned inside out? When love is something so distant it may as well be a star in the sky? *Faithful* is the story of a survivor, filled with emotion—from dark suffering to true happiness—a moving portrait of a young woman finding her way in the modern world. A fan of Chinese food, dogs, bookstores, and men she should stay away from, Shelby has to fight her way back to her own future. In New York City she finds a circle of lost and found souls—including an angel who's been watching over her ever since that fateful icy night. Here is a character you will fall in love with, so believable and real and endearing, that she captures both the ache of loneliness and the joy of finding yourself at last. For anyone who's ever been a hurt teenager, for every mother of a daughter who has lost her way, *Faithful* is a roadmap. Alice Hoffman's "trademark alchemy" (USA TODAY) and her ability to write about the "delicate balance between the everyday world and the extraordinary" (WBUR) make this an unforgettable story. With beautifully crafted prose, Alice Hoffman spins hope from heartbreak in this profoundly moving novel.

Vets Might Fly Createspace Independent Publishing Platform
A *Pride and Prejudice* Story "All your favorite characters are here, but somehow it feels like you're meeting them for the very first time. I adored James Ramos's *That Girl, Darcy*." - Heidi Doxey, author of *Liam Darcy, I Loathe You* "Love. You can't tell when you'll catch it or who you'll fall for. But once it happens, it'll change everything for you." IT IS A TRUTH UNIVERSALLY ACKNOWLEDGED that geeky guys never get to date the pretty girls. Elliott Bennett is entering his senior year and finding a girlfriend is the last thing on his mind. That is, until Darcy Fitzwilliam moves into the only mansion in the neighborhood. When Elliott meets Darcy at a party, he finds out that she isn't into skateboarding (which he lives for), she hates science fiction (which he loves), and she thinks his friends are a pack of morons (which, honestly, might be half true)—and yet, there's something irritatingly intriguing about her. This gender-swapped *Pride and Prejudice* retelling brings back all the original characters in a quirky modern day setting that holds true to the original story while bringing new humor and misunderstandings. *That Girl, Darcy* is a Teen High School Romance.

Charlie's Secret Atavist Books

Gabriel Garrett has faced many challenges. The battlefields of Iraq and Afghanistan, the CIA, several years as a mercenary, and the end of the world among them. But now he faces a challenge none of his training, expertise, or combat experience have prepared him for—fatherhood. With a new family and new responsibilities, Gabriel decides to leave Hollow Rock and start over in the growing city of Colorado Springs. It is here he believes he can finally leave behind the violence that has always followed him and begin a new chapter in his life. But to get there, he will have to cross the vastness of the American plains, and in a world where the dead walk the earth, no journey is ever easy. When his caravan is ransacked, Gabriel, his stalwart friends Eric Riordan and Caleb Hicks, and his new family are forced to endure the dangers of the post-Outbreak world on their own. It is here they will face marauders, criminal organizations, corrupt government officials, starvation, and every other danger the wastelands can throw at them. To survive, they will have to rely on all their courage, resourcefulness, and will to fight. And most importantly, they will have to rely on each other.

What Alice Knew Alice James Books

"A marvelously rich and intelligent read, atmospheric, witty, irreverent, and not least a sharply perceptive portrait of those three extraordinary Jameses." -John Banville, author of *The Infinities Under Certain Circumstances*, *No One Is More Suited to Solving a Crime than a Woman Confined to Her Bed* An invalid for most her life, Alice James is quite used to people underestimating her. And she generally doesn't mind. But this time she is not about to let things alone. Yes, her brother Henry may be a famous author, and her other brother William a rising star in the new field of psychology. But when they all find themselves quite unusually involved in the chase for a most vile new murderer—one who goes by the chilling name of Jack the Ripper—Alice is certain of two things: No one could be more suited to gather evidence about the nature of the killer than her brothers. But if anyone is going to correctly examine the evidence and solve the case, it will have to be up to her. Praise for Paula Marantz Cohen

"Cohen's wit is sharp, smart, and satirical, and her characterizations are vividly on target." -San Francisco Chronicle
A Path for Evolving Souls Living Through Personal and Planetary Upheaval Farrar, Straus and Giroux

In 1954 in the segregated South, Emily Chandler's childhood innocence is shattered when she and her brother discover a young black woman alone and dying in childbirth. Emily confronts the tragedy when she returns to her roots many years later to attend the funeral of a beloved nanny and finds herself the target of a stalker. As the saga of secrets, tragedy and discovery unfolds she enlists the help of Adelle Jones -- the family laundress and part-time voodoo practitioner -- in the search for blues musician Charlie Dixon, the nanny's missing son. This novel, set in the South Carolina Lowcountry, brings to life the eclectic personalities and explosive issues that continue to shape the New South.

The Little White Bird Createspace Independent Publishing Platform

When a ventilator prevented her from speaking during her final hours, Jennifer started writing. After her death, her husband turns to those pages to tell her story of courage and faith. James had just walked through the door after a day's work when Jennifer told him the news that changed everything: it was cancer. In the following two years they would lose their sense of normalcy and their dreams for the future. But along the way, they would gain something even greater than their loss. Told through the eyes of a grieving husband is this true story of a young woman's fight for her life. Jennifer's final words, penned by hand when a ventilator prevented her from speaking, provide a powerful backdrop to this

journey of faith and hope. A memoir that also offers a practical pathway for those struggling with loss, *The Last Seven Pages* is a

testimony of a God who is present in our darkest moments, and who turned a devastating illness into a life-changing promise.
