 The sexual act is possibly the most potent—and pleasurable—gateway to the primordial and the divine. From the Tantric mysteries of Hinduism and Buddhism and the inner alchemy of Taoism, to the sacrament of the bridal chamber in Christianity—and, of course, the traditions of Western Magic and Witchcraft—sex pervades the highest and most secret teachings all over the world. In *Sex, Sorcery, and Spirit*, Jason Miller draws upon his training in Eastern and Western mystery schools to produce a frank, comprehensive exploration of sexual sorcery and spirituality. In clear language, he will show you how to take your magic to the next level, teaching you: How to use the moment of orgasm as a gateway to the highest levels of spiritual attainment. The use of sexual elixirs in alchemy and practical

sorcery. How to work with sexual spirits and gods. The dangers of sex magic and how to avoid them. A grimoire of sexual spells and rituals. This daring and tantalizing work throws open the doors into the realms of sexual magic that have been hidden behind secret orders and arcane terminology for far too long—until now.

 Sex magic is one of the most controversial magical methodologies. It attracts frustrated newcomers to the occult, expecting to have all their lusts fulfilled in steamy orgies. It gives pulp thumpers something to rant about. It makes for lurid headlines in newspapers with more regard for sales than facts. All of these things just go to show the enormous human fascination with sex. Which is precisely why sexuality and desire can be harnessed for magical ends. Wherever such levels of obsession exist, the magical powerhouse of the subconscious can be readily tapped. That being said, to use such obsessions effectively is quite different in practice than most people would imagine. If you are reading this book hoping to find a world in which your sexual fantasies will be fulfilled, you're going to be disappointed. This

book is about using sexuality to power magic, not the other way around. There are some absolutely excellent manuals on the more advanced techniques of sex magic out there. This book is not one of them. Its purpose is to guide the interested newcomer in a safe and effective way. None of its practices involve unsafe sex or BDSM techniques. All are practised solo or with an existing partner. We will be looking at the following specific areas in this book, which cover both magic for results (the casting of spells) and magic for self-transformation (initiatory magic): The Magic of Desire Sexual Response as an Engine Auto-Erotic Spells Channelling Desire to an Effect Vision Magic Touching the Divine Other Applications

In his popular *Magickal Cashbook*, author Damon Brand taught readers how to attract money in moments. In *Wealth Magick*, he reveals the closely guarded secrets of the super-rich. **WARNING:** This book uses angels and demons. The entire operation is made safe by omnipotent angels, but if the thought of working with demons makes you squeamish, look to my other books such as *Words of Power* and *Magickal Angels*, which have no demonic content. This book is designed for serious occult workers, who want to focus on wealth creation in the long term. The magick is safe, because every demon is constrained by angelic forces, but this is not a book for those who are uneasy with the occult. Damon says, 'To be clear, and for the sake of complete honesty, I am not super-rich, but I am extremely wealthy compared to where I was last year, and compared to my childhood I feel like a billionaire. To me this is extreme prosperity, because I never have to worry about money, I get to do everything I want to do, go the places I want and own the things I've always dreamed of having.' How rich you become is up to you. *Wealth Magick* concentrates the best magick into a series of workings that will enable you to attract the wealth you desire. If you want money, it's yours. You do not have to spend years performing endless spells, or months trying to see and talk to strange and dangerous spirits. This method has been concentrated into the purest magick. You begin attracting riches from day one. As Damon Brand points out, magick is often over-complicated. He says, 'Before you know it you're trying ten different methods at once and your house is filled with candles, altars, incense and all sorts of images, crystals and magickal gadgets.' The good news is that most of this junk can be thrown out. Everything you need is contained in *Wealth Magick*. The magickal operations in this book are not about attracting a little extra cash. They are about creating a completely new lifestyle, based on a flow of extreme prosperity. You will discover: * The #1 mistake people make when trying to manifest money. * A set of unique secret seals, drawn from ancient texts and combined with modern magick. * How to find out what you really want, and perform your magick safely. * A quick ritual for attracting fast cash. * 7 wealth workings that can not be found anywhere else.

Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their

target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. *The Art of Seduction* is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of *The 48 Laws of Power*, *Mastery*, and *The 33 Strategies Of War*.

Sex Magic *Magickal Seduction* Attract Love, Sex and Passion with Ancient Secrets and Words of Power

An inside look at sex magic in Eastern and Western Mystery traditions • Details the sex magic practices of P. B. Randolph, Aleister Crowley, Austin Osman Spare, Julius Evola, and Maria de Naglowska • Includes a complete overview of love magic in the Middle Ages, with accounts of the use of potions, powders, spells, and enchantments • Explores sex magic techniques of the East, including Taoist sexual alchemy Magic, almost in its entirety, is connected to sexuality. It is through the natural magic of love that sex magic operates, harnessing the forces that join lovers together. In this extensive study of sex magic in the Eastern and Western Mystery traditions, Sarane Alexandrian explains how there is a sex magic connected with every religion, spiritual belief system, and initiatory society. Exploring sexual practices in folk magic, high magic, alchemy, and religion, the author begins with a complete overview of love magic in the Middle Ages, including accounts of the use of potions, powders, spells, and enchantments, and he reveals how these techniques related to the religious practices of the time. He introduces the Taoist sexual alchemy practices of Mantak Chia, the secret tantric practices of the Tibetan bongs, sexual shiatsu, and a Vietnamese practice called "mouth moxa." Examining the sacred sexuality that arose in Western initiatory orders in the late 19th and early 20th centuries, Alexandrian details the development of P. B. Randolph's white sexual magic and the black sexual magic of Aleister Crowley, as well as explaining the practices of Austin Osman Spare, Julius Evola and the Ur Group, and Maria de Naglowska. He reveals the scientific principles underlying sex magic and how successful results are guaranteed by the influences of the heavenly bodies and the radiant powers of color, number, scents, and physical movements, which intensify the activity of the human bioelectric field. Alexandrian also details the tantra practices of Margot Anand, the sexual rituals of Wicca, and magical "sex aids," including talismans and jewels. Providing complete practical information, the author explains how, through sex magic, a couple can extract from each other what they are missing by way of virility and femininity, multiplying their energies tenfold and merging the carnal and spiritual worlds to experience transcendent adventures in the deepest depths of

reality.

Sex magic is the attempt to increase the passion of someone, or to seduce them as a sex partner through magical means rather than through direct action. It can be implemented in a variety of ways, such as spells, rituals, dolls, talismans, or potions. Sex is a fundamental need for humans, and there is nothing wrong with performing magic for sex. This book contains a variety of spells for almost every dilemma that lovers may find themselves facing, from finding a partner for casual sex to attracting a specific person for a sexual relationship to reviving the passion in a marriage. It even includes spells to increase libido and achieve orgasm. All spells can be performed by beginners in magic and most can be performed by either sex.

Llewellyn Worldwide Limited

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control - from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed "beguiling" and "fascinating," Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence ("Law 1: Never Outshine the Master"), others teach the value of confidence ("Law 28: Enter Action with Boldness"), and many recommend absolute self-preservation ("Law 15: Crush Your Enemy Totally"). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.
