(Book of the
Ice, Book 2)

Publishing Group Adventures in a helicopter Adrian Blease spent twelve years flying on police helicopters, and attended almost 3,000 incidents, as one of only a handful of civilian air observers working anywhere in the world. In Above The Law he recounts the most intriguing, challenging, amusing and downright baffling episodes in his career working for Suffolk Constabulary and the National Police Air Service. Rescuing lost walkers, chasing cars down narrow country lanes, searching for a rural cannabis factory and disrupting an illegal forest rave...they're all in a day's work. It's a side of policing that most of us never see, and he describes it with real compassion as he lives his dream job, indulging his love of flying, the English landscape and helping people. Perhaps more than anything, it's a story about hope. The Seventh General Council, the Second of Nicaca, in which the Worship of Images was Established; with Copious Notes from the "Caroline Books," Compiled by Order of Charlemagne for Its Confutation. Translated from the Original, by J. Mendham Restoration Scriptures Foundation Available for the first time

in paperback, one of the last books written by revered late pastor Adrian Rogers is also one of his best-selling, a bold yet approachable guide to the ABCs of Christianity that Publishers Weekly calls, “(a) beautifully simple primer on essential truths.” What Every Christian Ought to Know provides readers with a well-organized, well-reasoned grasp of such topics as

salvation, eternal security, prayer, the Holy Spirit, resisting temptation, finding God’s will, as well as the authority of the Bible and how to understand it better. A valuable volume for new Christians and young disciples, it’s also a suitably instructive resource for believers of all ages. This new edition includes an introduction from Steve Rogers, president of the Adrian Rogers Pastor

Training Institute, plus discussion questions for personal reflection or group study. The Winter Road Open Road Media A deeply moving story of the beauty and brutality of life, and death, on the world’s most unpredictable and perilous mountain. Sitting just lower than Everest at 8,611 meeres above sea level on the China-Pakistan border, the Savage Mountain claims the lives of even

the most experienced climbers. Alongside severe altitude, the weather is notoriously volatile and the climb relentlessly steep. A staggering one in four attempts result in death on the mountain. In *One Man's Climb*, Adrian Hayes details an intensely personal account of his attempts to climb K2 - first in 2013 and again in 2014. Absorbing and self-reflective, his journey is as much a

story of climbing a mountain as it is a testament to the human spirit's ability to endure.

Adrian's War Moody Publishers The Christian life isn't very complicated; but we've made it so through our ignorance of principles central to the Christian walk. There are some basics with which people need

to be equipped to live a more victorious Christian life. Tony Evans has heard the people's cry for these sometimes difficult principles to be made simple and explained clearly and succinctly. In his new *Tony Evans Speaks Out . . .* booklet series, Evans tackles four basic elements of Christianity with a clarity and simplicity characteristic of his popular style. *How to Be a Revolutionary*

 "A Ursula Le Guin-like grace... Ten out of 10."
 —New York Times In Adrian Tchaikovsky's Elder Race, a junior anthropologist on a distant planet must help the locals he has sworn to study to save a planet from an unbeatable foe. Lynesse is the lowly Fourth Daughter of the queen, and always getting in the way. But a demon is terrorizing the

land, and now she's an adult (albeit barely) with responsibilities (she tells herself). Although she still gets in the way, she understands that the only way to save her people is to invoke the pact between her family and the Elder sorcerer who has inhabited the local tower for as long as her people have lived here (though none in living memory has approached it). But Elder Nyr isn't a sorcerer, and

he is forbidden to help, and his knowledge of science tells him the threat cannot possibly be a demon... At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Ten of those tribes were conquered, driven from their homelands, and scattered throughout the world. Although their bloodlines continue, they have lost their identity with the House of Israel. The remaining two tribes have retained their identity, and are now known as the
---	--	---

Jewish people, named for the tribe of Judah. Over 2500 years ago, the prophet Ezekiel foretold a day when the spirit of YHWH would stir the scattered remnants of Israel and restore them to life (Ezekiel 37:11-14). He also prophesied of a second scriptural record to come forth from the tribe of Joseph to Judah, in the hand of Joseph's son, Ephraim. This is that prophesied record. The

Stick of Joseph in the Hand of Ephraim is a sacred, first-temple-period, Israelite text, written by a prophetic family from the tribe of Joseph, who fled Jerusalem in 601 BCE. YHWH led them for years in the wilderness and finally brought them "over the wall" to ancient America, in fulfillment of Jacob's final blessing to Joseph. (Genesis 49:22) For 1,000 years, these ancient Israelites kept

sacred records. When their civilization ended in destruction (420 CE), their final prophet, M'roni, hid this record in the ground, to come forth in the future for the prophesied restoration of scattered Israel to its former glory. This record is all of the following unique and extraordinary things: • The shofar sounding to scattered Israel as YHWH's final attempt to gather His

people; • A dire warning to the USA and a cry of repentance to the state of Israel. Any nation that does not honor the God of Israel will not survive; • An independent witness of the prophets, Mashiach, and the covenants given by YHWH to Israel; • A record of the means whereby all mankind can, as Moses, ascend to stand in the presence of YHWH; • An invitation to believe and receive the promises YHWH extends to those who will be His people. This is the only Hebrew Messianic/ascension document in existence that has not been influenced by entanglements with Babylon, Greece, or Rome, because those who kept the record left Jerusalem and the Eastern Hemisphere prior to the Babylonian captivity. It is the most sublime and direct Jewish ascension text available. This annotated Hebrew-roots English edition restores the ancient Hebraic nature of the record, to provide a clear understanding of Israel's God, His work now underway, and the coming age of Mashiach. Whether you study religion in the Torah, Tanakh, Talmud, NIV Bible, Zohar, New Testament, Book of Mormon, Catholic writings, LDS scriptures,

biblical commentary, or other holy books, this volume will inspire you to greater prophetic literacy, gifts in spirituality, understanding of history and theology, and most importantly, immerse your soul in a conversation and relationship with that God who loves, forgives, guides, and reconnects honest searchers with the tree of life. The Stick of Joseph is a greater discovery than

the Dead Sea Scrolls or the Nag Hammadi library, though it has received far less attention. It is the preeminent Messianic document in the world, untwisting the false Greek caricature known as Jesus Christ of Nazareth. It restores the basics of the complete ancient Israelite faith and culture largely absent from modern, rabbinic Judaism. The ten commandments, temples, altars,

Passover, the law of Moses, patterns, evidence, and much lost understanding all come together in this invaluable journal-record of wandering Israeli Hebrews who founded a great civilization. **Brother Red** Penguin

Adrian Hyland pulls no punches in describing the harrowing consequences of living on the planet's driest and most fire- prone continent, and his account of the disastrous Black Saturday fires is a story of courage,	dread and fallibility that will never leave you.'
