Scott McCloud Unpacks and Defends The Sculptor's Ending
The Sculptor Scott McCloudThe Sculptor is a graphic novel by American cartoonist Scott McCloud published in 2015. It tells of a David Smith whom Death gives 200 days to live in exchange for the power to sculpt

anything he can imagine. Complications set in when David falls in love.The Sculptor (comics) - WikipediaScott McCloud is one of the most thoughtful people in the comics industry we know -- he literally wrote the book on comics, after all! And with THE SCULPTOR, he takes all that knowledge about how comics works

and fuses it seamlessly into a wonderful, engaging, magical narrative. You guys should definitely check this one out!The Sculptor by Scott McCloud - GoodreadsScott McCloud is the award-winning author of Understanding Comics, Making Comics, Zot!, The Sculptor, and many other fiction and non-

fiction comics spanning 30 years. An internationally-recognized authority on comics and visual communication, technology, and the power of storytelling, McCloud has lectured at Google, Pixar, Sony, and the Smithsonian Institution. *The Sculptor*: Scott McCloud, 9781596435735: Amazon.com: Books "The Sculptor" is McCloud's first book in nine years, his first graphic novel since 1998 and his first long, complete story with adult main characters. 'The Sculptor,' by Scott McCloud - The New York Times Renowned, best-selling authors Scott McCloud (The Sculptor) and Gene Luen Yang (Secret Coders) discuss what goes on behind the scenes when telling stories in graphic novel form, as well as the creative development of McCloud's bestselling graphic novel *The Sculptor*.
