Achieving Your True Potential As an Actor

Burn ThisA Play

Two young grifters try to strike a deal with the devil during the hottest summer on record. "An ambitious and prodigiously talented writer." Charles Isherwood, Variety "Rapp...shows an exuberant love for the written word... [He] tells stories that encase classical themes--class and envy, ambition and alienation--in blunt terms and in modern settings." Jesse

McKinley, The New York Times "One of the more daring young stylists working today."

David Cote, Time Out

A Play Oberon Books

A group of friends who came of age in the sixties have a reunion in an old Missouri farmhouse, where their reminiscences reveal shattered hopes, buried resentments, lost dreams, and the unhealed trauma of the Vietnam War.

'Ravenhill has more to say, and says it more refreshingly and wittily, than any other playwright of his generation' Time Out Shoot/Get Treasure/Repeat: 'A dramatic cycle that is, in its way, epic, but is splintered into many small shards? touches deftly on the impact of war on everyone involved' Financial Times Over There:'Ravenhill explores postwar Germany's division and unification through the power battles between twin brothers. The result is fantastically clever and ingenious' Guardian A Life in Three Acts: 'By turns charming, funny, informative and, in its final segment, lump-in-the-throat moving as Bourne charts the loss of friends and lovers to Aids, and contemplates old age' Guardian Ten

Plagues: 'A remarkable song-cycle? it's the portrait of grief beyond measure that's so affecting and which this moving hour of solitudinous lamentation, confusion and defiance brings beautifully to the fore.'

Telegraph Ghost Story: 'both a satire and a moving story about illness' Guardian The Experiment: 'Mark Ravenhill keeps things creepy in his monologue, The Experiment, in which he plays the satiny-voiced, slippery narrator? The story, and the narrator's level of complicity, keeps shifting. Ravenhill asks us to consider which version, if any, might be acceptable, and how much we might be willing to avert our eyes from for the greater good.'

THE STORY: The play takes place in the cluttered backyard of a small-town Texas bar. Roy, a brawny, macho type who had once been a local high-school hero, is back in town after a hitch in Vietnam and trying to reestablish his position in the community. Joined by his younger brother, Ray (who worships him), Roy sets about consuming a case of beer while regaling Ray with tales of his military and amorous exploits. Apparently Roy cherishes three things above all; his country, his sexy young wife, and his 1959 pink Thunderbird. With the arrival of Cletis, the fatuous, newlywed son of the local hardware store owner, the underpinnings of Roy's world begin to collapse as it gradually comes out that Ray had slept with his brother's wife during his absence and, horror of horrors, has just demolished his cherished Thunderbird. But, despite all, the high good humor of the play never lapses, and all ends as breezily and happily as it began.

THE STORY: The scene is the trailer where Ruby, a woman of indeterminate age and compliant disposition, lives amid an overgrown garden of thymus vulgaris, an herb which smells suspiciously like menthol chest rub. She is joined unexpectedly by her daughter, Evelyn, a warmhearted hooker who announces that she is the intended of Solly, the Grapefruit King, although right now she is not so sure

that she wants to go through with it or, for that matter, that Solly does either. But the lure of all that money, and Solly's promise to give Ruby a home as well, do tug at her. The arrival of a well-built young motorcycle cop (who reminds Ruby of several former loves) decides the matter, however, as he has been sent by Solly to round up mother and daughter and whisk them off to a life of luxury. And why not? There are, as Evelyn says, the users and the used-and every once in a while the used deserve a break too.

In *The Power of the Actor*, a Los Angeles Times bestseller, premier acting teacher and coach Ivana Chubbuck reveals her cutting-edge technique, which has launched some of the most successful acting careers in Hollywood. The first book from the instructor who has taught Charlize Theron, Brad Pitt, Elisabeth Shue, Djimon Hounsou, and Halle Berry, *The Power of the Actor* guides you to dynamic and effective results. For many of today's major talents, the Chubbuck Technique is the leading edge of acting for the twenty-first century. Ivana Chubbuck has developed a curriculum that takes the theories of the acting masters, such as Stanislavski, Meisner, and Hagen, to the

next step by utilizing inner pain and emotions, not as an end in itself, but rather as a way to drive and win a goal. In addition to the powerful twelve-step process, the book takes well-known scripts, both classic and contemporary, and demonstrates how to precisely apply Chubbuck's script-analysis process. The Power of the Actor is filled with fascinating and inspiring behind-the-scenes accounts of how noted actors have mastered their

craft and have accomplished success in such a difficult and competitive field. *Polaroid Stories* Dramatists Play Service Inc

THE STORY: Deals with the encounter between a cynical, sophisticated New York antiques dealer and the taciturn young man, her nephew and house guest, who has come to the city to study theology. As reticent and unemotional as his aunt is loquacious and brittle, the young man

contends that he has undergone a mystical experience—a revelation which is as unsettling to his aunt as it is fulfilling to him. As though intimidated by his inscrutable reserve, she grows increasingly voluble, revealing in her wise-cracking chatter the defense which she has constructed to keep the world at bay—and to mask the innate sensitivity and idealism which persist despite the loneliness and futility of her existence.
