MARLEY MALONE

The 5 AM Club Editorial Norma
The landmark bestseller that changed the way we think about love: "Every line is packed with common sense, compassion, and realism" (Fortune). The Art of Loving is a rich and detailed guide to love—an achievement reached through maturity, practice, concentration, and courage. In the decades since the book's release, its words and lessons continue to resonate. Erich Fromm, a celebrated psychoanalyst and social psychologist, clearly and sincerely encourages the development of our capacity for and understanding of love in all of its facets. He discusses the familiar yet misunderstood romantic love, the all-encompassing brotherly love, spiritual love, and many more. A challenge to traditional Western notions of love, The Art of Loving is a modern classic about taking care of ourselves through relationships with others by the New York Times–bestselling author of *To Have or To Be?* and *Escape from Freedom*. This ebook features an illustrated biography of Erich Fromm including rare images and never-before-seen documents from the author's estate.

The Kabbalist Rabbi Laitman, who was the student and personal assistant to

Rabbi Baruch Ashlag from 1979-1991, follows in the footsteps of his rabbi in passing on the wisdom of Kabbalah to the world. This book is based on sources that were passed down by Rabbi Baruch's father, Rabbi Yehuda Ashlag (Baal HaSulam), the author of 'the Sulam', the commentaries on The Book of Zohar, who continued the ways of the Ari and Rabbi Shimon Bar Yochai and many great Kabbalists throughout the generations before them. The goal of this book is to assist individuals in confronting the first stages of the spiritual realm. This unique method of study, which encourages sharing this wisdom with others, not only helps overcome the trials and tribulations of everyday life, but initiates a process in which individuals extend themselves beyond the standard limitations of today's world.

A Practical Guide to Personal Freedom Windblown Media

"Ask anything in my name, I will do it."
(John 14:14) Charles H. Spurgeon supplies daily deposits of God's promises into the reader's personal bank of faith. He urges the reader to view each Bible promise as a check written by God, which can be cashed by personally endorsing it and receiving the gift it represents!

A 365 Day Devotional Kabbalah Learning Center

Draws on the teachings of Kabbalah to counsel spiritually minded women on how to understand relationships in accordance with the differences between the sexes, sharing advice on how to date, engage in mutually beneficial

intimacy, and embark on a long-term commitment.

HarperCollins

This introductory textbook solidly situates Christian education in the church and ministry context of the 21st century. With over 20 years of ministry, teaching, and leadership experience, Freddy Cardoza is uniquely qualified to bring together a wide range of Christian educators. This volume features the expertise of 25 evangelical scholars of Christian education, including diverse, next-generation voices in the field. It provides balanced biblical-theological and practical perspectives for church and parachurch leaders, equipping them to meet the ever-changing needs of our world. Additional resources for professors and students are available through Textbook eSources.

A Faith to Confess Kabbalah Publishing
Describing the hidden mysteries that are contained within each individual, the best-selling author of *The Spontaneous Fulfillment of Desire* examines fifteen of these secrets--including "Life Hurts When It Is Unreal" and "There Is No Time But Now"--that hold the key to enlightenment, transformation, and personal fulfillment. Reprint. 125,000 first printing.

Las siete leyes espirituales del yoga The Countryman Press

Esmeralda Santiago's story begins in rural Puerto Rico, where her childhood was full of both tenderness and domestic strife, tropical sounds and sights as well as poverty. Growing up, she learned the proper way to eat a guava, the sound of tree frogs in the mango groves at night, the taste of the delectable sausage called morcilla, and the formula for ushering a dead baby's soul to heaven. As she enters school we see the clash, both hilarious and fierce, of Puerto Rican

and Yankee culture. When her mother, Mami, a force of nature, takes off to New York with her seven, soon to be eleven children, Esmeralda, the oldest, must learn new rules, a new language, and eventually take on a new identity. In this first volume of her much-praised, bestselling trilogy, Santiago brilliantly recreates the idyllic landscape and tumultuous family life of her earliest years and her tremendous journey from the barrio to Brooklyn, from translating for her mother at the welfare office to high honors at Harvard.

Satan Da Capo Press

Complete practical guide to the chakras, including color, activity, sounds, background information, and techniques for opening them and utilizing their force. A longtime bestselling title in Europe, this is the definitive text in the field.

Spiritual Intelligence Kabbalah Learning Center

"Although yoga has become increasingly popular in North America as an exercise routine, its spiritual side is largely ignored, a trend addressed in a guide to understanding the spirituality and eight traditional branches of yoga, complete with photographs of yoga poses."

The Ultimate Intelligence Hay House, Inc
Outlines a drug-free approach to overcoming depression, drawing on ancient Kabbalah philosophies to counsel sufferers on how to break cycles of depression, reconnect with desire, and reclaim their lives, in a guide that is complemented by inspirational case stories.

A Course in Miracles Kabbalah Learning Center

Ancient Kabbalistic mysticism and the search for meaning by looking to the stars are related in ways that may surprise readers. Kabbalah, in fact, offers arguably the oldest and wisest application of astronomy and astrology known to humankind. Kabbalistic Astrology is a tool for understanding one's individual nature at its deepest level and putting that knowledge to immediate use in the real world. A natural addition to Berg's many writings on spirituality, the book explains why destiny is not the same as predestination and shows that we have many possible futures and can become masters of our fate. Written in Berg's trademark clear, intelligible style, the book teaches how to discover challenges faced in previous incarnations and how to overcome them, as well as the secrets to finding the love, success, and spiritual fulfillment.

The Science of Getting Rich Henry Holt and Company

The world is full of sex manuals instructing the reader on the ins and outs of great sex, but these tend to focus

on only one aspect; the physical mechanics. According to Kabbalah, the key to fulfilling sex lies in self-awareness, not simply technique. The Kabbalah Book of Sex is a groundbreaking guide by acclaimed author and teacher Yehuda Berg. It offers readers kabbalistic tips for overcoming shame and lack of self-respect, as well as a way for accessing higher levels of connection to ourselves, to our partners, and to spirit. Through the ancient wisdom revealed here, the floodgates of passion and desire will open wide. Your sex will become the truly sacred connection it was always meant to be.

THE SOCIAL DILEMMA A WIRED "ALL-TIME FAVORITE BOOK" A FINANCIAL TIMES BEST BOOK "THE CONSCIENCE OF SILICON VALLEY"- GQ "Profound . . . Lanier shows the tactical value of appealing to the conscience of the individual. In the face of his earnest argument, I felt a piercing shame about my own presence on Facebook. I heeded his plea and deleted my account." - Franklin Foer, The New York Times Book Review "Mixes prophetic wisdom with a simple practicality . . . Essential reading." - The New York Times (Summer Reading Preview) You might have trouble imagining life without your social media accounts, but virtual reality

pioneer Jaron Lanier insists that we're better off without them. In Ten Arguments for Deleting Your Social Media Accounts Right Now, Lanier, who participates in no social media, offers powerful and personal reasons for all of us to leave these dangerous online platforms. Lanier's reasons for freeing ourselves from social media's poisonous grip include its tendency to bring out the worst in us, to make politics terrifying, to trick us with illusions of popularity and success, to twist our relationship with the truth, to disconnect us from other people even as we are more "connected" than ever, to rob us of our free will with relentless targeted ads. How can we remain autonomous in a world where we are under continual surveillance and are constantly being prodded by algorithms run by some of the richest corporations in history that have no way of making money other than being paid to manipulate our behavior? How could the benefits of social media possibly outweigh the catastrophic losses to our personal dignity, happiness, and freedom? Lanier remains a tech optimist, so while demonstrating the evil that rules social media business models today, he also envisions a humanistic setting for social networking that can direct us toward a richer and fuller way of living and connecting with our world.
