How to Build Your Chess Opening Repertoire Quality Chess
 Artur Yusupov continues his award-winning instructional series. Chess Evolution 1 is at the Fundamentals level, which shows chess players the basic ideas they should know as they set off on the road to mastery. Yusupov guides the reader towards a higher level of chess understanding using carefully selected positions and advice. This new understanding is then tested by a series of puzzles.

Mastery Metropolitan Books

How to Reassess Your Chess is the popular step-by-step course that will create a marked improvement in anyone's game. In clear, direct language, Silman shows how to dissect a position, recognize its individual parts and ultimately find the move that conforms to the needs of that particular situation. By explaining

the thought processes that go into a master's choice of move, the author presents a system of thought that makes advanced strategies seem clear, logical and at times even obvious. How the Reassess Your Chess offers invaluable knowledge and insight that cannot be found in any other book.

America's Quest for Global Dominance New In Chess

The advice frequently given to chess-players eager to improve their results is straightforward: study tactics! But there is often little useful guidance as to how this is best done. By solving puzzle positions? Or endgame studies? By dissecting the games of great tacticians? Few books present a structured approach to tactics, so this book fills a valuable niche in the ambitious player's library. The authors present each major tactical theme in turn, explaining how it works and providing inspiring examples. They then explain how you can spot the idea in your own games and use it to your advantage. You immediately get a chance to put your knowledge to the test, as there are challenging exercises

throughout the whole book, with detailed solutions. The second part of the book offers more advanced material, and takes us inside the professional's tactics laboratory. Here we see how tactical themes are combined, and employed to achieve strategic goals. We are also shown how grandmasters spot the targets for their breathtaking combinations, which we thus come to see not as sheer witchcraft, but as the product of disciplined thought and training.

Improve Your Chess Tactics New In Chess

Most chess puzzle books put you in an artificial situation: you are told a combination exists, what the theme is and what you are required to achieve. This one is different. In a real game, a player may sometimes need to find a combination. On the other hand he may have to reject a tactical idea and simply find a good positional move. His task is to find the right move, whatever it may be. The 300 puzzles in this book put you precisely in that situation. Spectacular ideas abound in these positions, but it is for you to decide whether to go in for them, or whether you would be falling into a trap. If you need them, there are hints to help you on your way. The book ends with a series of tests to measure your skills against those of other players. For this new edition, John Nunn, a top-class grandmaster and a solving world champion, has added 50 new puzzles (with hints and detailed solutions) to test your skills to the full. For ease of following, extra diagrams have been added to the solutions throughout. Overall the book is 60 per cent bigger than the first edition.

Fundamental Tactics and Checkmates for Improvers - 737

Practical Exercises New In Chess, Csi

Players can see how good they really are, with this instructive and entertaining guide, based on Grandmaster Daniel King's Chess Monthly column. He invites you to sit alongside chess's best and predict their moves, winning (or losing) points along the way. Not only will these fun quizzes enable you to gauge your skill, at the same time you'll be learning strategies from the world's champions.

Beyond the Basics Quality Chess Uk Llp

No time to study but want to win more chess games?"Improve Your Chess in 7 Days" is packed with practical tips, hints on how to improve, learn from the champions and find out how to beat them - in just a week. With one short chapter for each day of the week, the book is ideal for social chess players and includes a sprinkling of chess cartoons to keep you smiling as you read :Day 1 - So You Want to be Good? Day 2 - Understanding the Openings Day 3 - Strategy versus Tactics Day 4 - Creating the Attack Day 5 - Avoiding Blunders Day 6 - Mastering the Ending Day 7 - The Art of Swindling With comments and advice after each move, this is as clear a guide to improving your chess as you will ever need.

Seven Games: A Human History Quality Chess Uk Llp

Former Ukrainian Champion Moskalenko, who coached Vasily Ivanchuk to stardom, presents a fundamentally new approach of getting better at chess. Covering all aspects of the game, Moskalenko develops new and easy-to-apply rules-of-thumb for amateur players who want to improve. With many examples, tests and exercises, this is the ultimate modern chess skills improvement manual. Easy to read and understand; even weaker players will benefit from Moskalenko's breakdown of the material, wrote Carsten Hansen at ChessCafe about Moskalenko's previous book 'The Flexible French'.

How to Improve Your Chess Gambit

Artur Yusupov's complete course of chess training stretches to nine volumes, guiding the reader towards a higher chess understanding using carefully selected positions and advice. To make sure that this new knowledge sticks, it is then tested by a selection of puzzles. The course is structured in three series with three levels. The Fundamentals level is the easiest one, Beyond

the Basics is more challenging, and Mastery is quite difficult, even for stronger players. The various topics - Tactics, Strategy, Positional Play, Endgames, Calculating Variations, and Openings - are spread evenly across the nine volumes, giving readers the chance to improve every area as they work through the books. This book is the second volume at the Beyond the Basics level.

An Oral History as Told by Jon Stewart, the Correspondents, Staff and Guests W. W. Norton & Company

After enduring many injuries of the noble Fortunato, Montessoro executes the perfect revenge.

Key Moves and Motifs in the Middlegame Quality Chess Uk Llp

This is the fourth in the series of phenomenally successful training manuals by the world's leading trainer and his star pupil. By instilling players with an understanding of persistent positional features, they stress the features of positional play most relevant to the practical struggle, assuring over-the-board success.

THE #1 NEW YORK TIMES BESTSELLER IS NOW A MAJOR-MOTION PICTURE DIRECTED BY RON HOWARD AND STARRING AMY ADAMS, GLENN CLOSE, AND GABRIEL BASSO "You will not read a more important book about America this year."—The Economist "A riveting book."—The Wall Street Journal "Essential reading."—David Brooks, New York Times Hillbilly Elegy is a passionate and personal analysis of a culture in crisis—that of white working-class Americans. The disintegration of this group, a process that has been slowly occurring now for more than forty years, has been reported with growing frequency and alarm, but has never before been written about as searingly from the inside. J. D. Vance tells the true story of what a social, regional, and class decline feels like when you were born with it hung around your neck. The Vance family story begins hopefully in postwar America. J. D.'s grandparents were "dirt poor and in love," and moved north from Kentucky's Appalachia region to Ohio in the hopes of escaping the dreadful poverty around them. They raised a middle-class family, and eventually one of their grandchildren would graduate from Yale Law School, a conventional marker of success in achieving generational upward mobility. But as the family saga of Hillbilly Elegy plays out, we learn that J.D.'s grandparents, aunt, uncle, sister, and, most of all, his mother struggled profoundly with the demands of their new middle-class life, never fully escaping the legacy of abuse, alcoholism, poverty, and trauma so characteristic of their part of America. With piercing honesty, Vance shows how he himself still carries around the demons of his chaotic family history. A deeply moving memoir, with its share of humor and vividly colorful figures, Hillbilly Elegy is the story of how upward mobility really feels. And it is an urgent and troubling meditation on the loss of the American dream for a large segment of this country.

Chess Evolution Quality Chess Uk Llp

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the

borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Sabrina Chevannes is a Women's International chess Master and world-renowned chess coach. She is the managing director of the London Academy of Chess and Education and the author of an instructional DVD series. She still plays chess at a top level, including playing for England's national team.

Chess for Children Activity Book Houghton Mifflin Harcourt

If only real life were like a book on chess tactics! But during a game you are on your own, and nobody will whisper in your ear that you have reached a position that is, in fact, a tactical puzzle and all you have to do is solve it. What you need, discovered Emmanuel Neiman in his long career as a chess trainer, is a way to read the signals which indicate that, somewhere in the position you are looking at, there is a tactical blow. What you need is a Chess Tactics Antenna! This trailblazing book by award-winning author Neiman provides a set of tools that enables the average club player to determine the moment he needs to look for win.
