The Miko AmazonCrossing  
 New York Times bestselling author J. Kenner kicks off a smoking hot, emotionally compelling trilogy that returns to the world of her beloved Stark novels: Release Me, Claim Me, and Complete Me. Say My Name features Jackson Steele, a strong-willed man who goes after what he wants, and Sylvia Brooks, a disciplined woman who's hard to get—and exactly who Jackson needs. I never let anyone get too close—but he's the only man who's ever made me feel alive. Meeting Jackson Steele was a shock to my senses. Confident and commanding, he could take charge of any room . . . or any woman. And Jackson wanted me. The mere sight of him took my breath away, and his touch made me break all my rules. Our bond was immediate, our passion untamed. I wanted to surrender completely to his kiss, but I couldn't risk his knowing the truth about my past. Yet Jackson carried secrets too, and in our desire we found our escape, pushing our boundaries as far as they could go. Learning to trust is never easy. In my mind, I knew I should run. But in my heart, I never felt a fire this strong—and it

could either save me or scorch me forever. Praise for Say My Name "Readers who need more of Kenner's racy, sizzling Stark novels will delight in this new series, set in the same decadent, lavish world. . . . Kenner has crafted a hero whose compassion is remarkable, and who is strong enough not only to apologize and to change, but to offer her the kind of love she wants and needs, as well. . . . Fans of dark, intense and emotionally scorching romances will surely adore this series opener."—RT Book Reviews "It's a heady mix of love and intrigue, and Kenner continues to deliver a knockout experience that made me long for the next book even as I was more than satisfied with this story's ending. To say more would give too much away, and I encourage everyone who loved the original Stark trilogy to read Say My Name to find out what's there for themselves."—The Romance Evangelist "J. Kenner has given us one hell of a story with this start to the Stark International series. And if anyone can give Damien Stark a run for his money, it's Jackson Steele."—Cocktails and Books "If you enjoyed the Stark novels, you are going to love Say My Name!"—Reading Keeps Me Sane

 THE PRINCE OF PARK AVENUE FINALLY MEETS HIS MATCH IN A FEISTY MANHATTAN PRINCESS. I've made every one of my billions

of dollars myself-I'm calculating, astute and the best at what I do. It takes drive and dedication to build what I have. And it leaves no time for love or girlfriends or relationships. But don't get me wrong, I'm not a monk. I understand the attention and focus it takes to seduce a beautiful woman. They're the same skills I use to close business deals. But one night is where it begins and ends. I'm not the guy who sends flowers. I'm not the guy who calls the next day. Or so I thought before an impatient, smart-talking, beyond beautiful heiress bursts into my world. When Grace Astor rolls her eyes at me-I want to hold her against me and show her what she's been missing. When she makes a joke at my expense-I want to silence her sassy mouth with my tongue. And when she leaves straight after we f\*ck with barely a goodbye-it makes me want to pin her down and remind her of the three orgasms she just had. She might be a princess but I'm going to show her who rules in this Park Avenue bedroom. A sexy, standalone, contemporary romance.

Me llamo Eric Zimmerman y soy un poderoso empresario alemán. Me caracterizo por ser un hombre frío e impersonal, que disfruta del sexo sin amor y sin compromiso. En uno de mis viajes a España para visitar una de mis delegaciones conocí a una joven llamada Judith Flores. Ella me hizo reír, me hizo cantar, me hizo incluso bailar, y yo no estaba acostumbrado a eso. Cuando me di cuenta de que sentía más de lo que debía, me alejé de ella, pero regresé, pues esa mujer me atraía como un imán. A partir de ese momento comenzamos una relación plagada de fantasía y erotismo, en la que disfruté enseñando a Judith a gozar del sexo de una manera que ella nunca había imaginado. Y tú, ¿te atreves a descubrir el lado sumiso, dominante y voyeur que todos llevamos dentro?

From Megan Maxwell, the international bestselling author of *Tell Me What You Want*, comes a seductive romance of breaking up, making up, and waking up to a possible second chance. Dropping a handsome billionaire CEO isn't easy, but Jude Flores can't forgive his betrayal. So she's taking the steps she needs to move on--and far away--from her ex-boss, ex-lover, ex-whatever. And a good place to do it is at her father's house in Spain. Eric Zimmerman isn't the kind of man who gives up. Nothing is going to keep him from following the fiery dream girl who's left him a little brokenhearted and a lot frustrated. It turns out Jude is willing to play chase. But if he wants to catch her, it's her rules or nothing. Not only does Eric agree to the demands, but their fantasies are hotter--and more forbidden--than ever before. Until the real world intrudes once again. With the games on hold and reconciliation on the line, Jude must make a choice: trust in Eric and surrender, or start a new future without him.

Now I lay me down to sleep, I pray the Lord my soul to keep. And if I should die before I awake, I pray the popular attend my wake. Charlotte Usher feels practically invisible at school, and then one day she really is invisible. Even worse: she's dead. And all because she choked on a gummy bear. But being dead doesn't stop Charlotte from wanting to be popular; it just makes her more creative about achieving her goal. If you thought high school was a matter of life or death, wait till you see just how true that is. In this satirical, yet heartfelt novel, Hurley explores the invisibility we all feel at some times and the lengths we'll go to be seen. Praise for *ghostgirl*: \* Polished dark-and-deadpan humor, it's a natural fit with Gen Y, too." --Publishers Weekly (starred review) \* "[Tonya] beats out witty teen-speak like a punk-band drummer, keeping the narrative fast-paced and fun yet thought-provokingly heartwarming. Goofy, ghostly, intelligent, electrifying." --Kirkus (starred review) \* "Tim Burton and Edgar Allan Poe devotees will die for this fantastic, phantasmal read." --School Library Journal (starred review) \* "Readers with a taste for black humor and satire will feast on Hurley's crisp, wise dialogue. Anticipate a well deserved cult following." --VOYA (starred review) "Written with deadpan wit...this is a 'Wonderful Life'-like tale." -New York Post "A sincere (and humorous) exploration of how we all feel invisible at one time or another...perfect read." -CosmoGirl

A New York Times bestseller by the author of *The Ninja: An American* uses his martial arts expertise to track a serial killer preying on the women of Tokyo. A sadist haunts the back alleys and sex clubs of Tokyo, picking up women, horrifically mutilating them, and leaving behind a calling card written in blood: This could be your wife. He kills fearlessly, certain the police will never catch him. The only man who might stop this fiend is Nicholas Linnear, a martial arts expert whose childhood education in the dojos of Japan has made him one of the country's leading practitioners of ninjutsu. But Linnear fears that his illness may have left him *Shiro Ninja*—stripped of his power and discipline. With the killer growing increasingly brazen, Linnear must summon all his strength and training before his own family becomes the next target. "Compelling [and] highly charged with action," this is a chilling tale of menace, crime, and corruption featuring the half-British, half-Chinese hero of *The Ninja* and *The Miko*, by the #1 New York Times bestselling author of the Jason Bourne series (Publishers Weekly).

An open, inventively sensual couple, they've indulged every desire. But there are still more surprises to come in a heated romance by bestselling author Megan Maxwell. Jude is waking up to two stunning sights: the hot white sands of the Mexican Caribbean coast and the even hotter Eric Zimmerman. And he's hers forever. What more can she wish for from a man who's fulfilled every fantasy? The honeymoon isn't over yet. Eric has never felt so intimately close to the woman he loves. Heart, body, and soul, they're made for each other. And with a wife as insatiably kinky as he is, they're ready and willing to try anything. Can it get any better? It can, in ways Eric could only have dreamed of. But hopes and dreams, especially those of family, can be hard won. Because in their almost-perfect, almost-anything-goes love story, Jude and Eric must trust in each other and fight for what they want next--and what they want most. It's a new beginning. Together, against the odds, they are heading for the happy ever after they deserve.

Blaine Cedric is considered a big catch in Treece. He's been away from home for a long time, and the only reason he came home now was to prevent an old childhood friend from destroying something pure. Shyla Kabrey was only seven when her mother began working for the Compound of Treece. Without a father, and her mother dying when Shyla was fifteen, she became a ward of the town. For six years she endures the Compound's 'required' classes with the hopes of leaving some day. Blaine's never wanted or felt this need to protect or have, until he saw the lonely girl daydreaming at a party. He's drawn to her innocence, drawn to her in ways he never thought he could be drawn to one woman. She might be forbidden to others, but to him she's a must have.

As they travel around the sea at the center of Western history, Eric Newby and his wife Wanda visit not only the better-known Mediterranean sights and cities but also venture into places where Westerners are few: Albania under Hoxha, the holy Muslim city of Fez, and a country about to disappear in civil war - the former Yugoslavia. Eric Newby entertains and enlightens as he follows in the footsteps of Cleopatra and St John, and waits for a

meeting with Colonel Gaddafi. With his customary flair for description, he is equally at ease pondering King David's choice of Jerusalem as the site for a capital city or enjoying a meal cooked by one of France's finest chefs. His acute curiosity and encyclopedic knowledge combine to make absorbing reading, whether he is explaining the workings of a defunct Turkish harem or the contemporary Mafia. From antiquity to the present, Eric Newby's erudite, engaging tale is not a simple tour but a tour de force.

The war had been going on for nearly a year and the Sirian Empire had a huge advantage in personnel and equipment. Earth needed an edge. Which was where James Mowry came in. If a small insect buzzing around in a car could so distract the driver as to cause that vehicle to crash, think what havoc one properly trained operative could wreak on an unsuspecting enemy. Intensively trained, his appearance surgically altered, James Mowry is landed on Jaimec, the ninety-fourth planet of the Sirian Empire. His mission is simple: sap morale, cause mayhem, tie up resources, wage a one-man war on a planet of eighty million. In short, be a wasp. First published in 1957, WASP is generally regarded as Eric Frank Russell's best novel, a witty and exciting account of a covert war in the heart of enemy territory.
