the head of a fascist domestic empire, turning to kinky sex and cocaine to numb themselves against the pain of war and a corporate scandal. Original.

**Her Life and Times**

Houghton Mifflin Harcourt  
In the spirit of The Known World and The Underground Railroad, "a miraculous debut" (Washington Post) and "a towering achievement of

imagination" (CBS This Morning) about the unlikely bond between two freedmen who are brothers and the Georgia farmer whose alliance will alter their lives, and his, forever. In the waning days of the Civil War, brothers Prentiss and Landry—freed by the Emancipation Proclamation—seek refuge on the homestead of George Walker and his wife, Isabelle. The Walkers, wracked by the loss of

their only son to the war, hire the brothers to work their farm, hoping through an unexpected friendship to stanch their grief. Prentiss and Landry, meanwhile, plan to save money for the journey north and a chance to reunite with their mother, who was sold away when they were boys. Parallel to their story runs a forbidden romance between two Confederate soldiers. The young men, recently

returned from the war to the town of Old Ox, hold their trysts in the woods. But when their secret is discovered, the resulting chaos, including a murder, unleashes convulsive repercussions on the entire community. In the aftermath of so much turmoil, it is Isabelle who emerges as an unlikely leader, proffering a healing vision for the land and for the newly free citizens of Old Ox. With

candor and sympathy, debut novelist Nathan Harris creates an unforgettable cast of characters, depicting Georgia in the violent crucible of Reconstruction. Equal parts beauty and terror, as gripping as it is moving, *The Sweetness of Water* is an epic whose grandeur locates humanity and love amid the most harrowing circumstances. The Complete  
Stories of Two  
Best Friends

Capstone  
When the man  
with the  
yellow hat  
tells George  
that he is  
planning a  
surprise, of  
course George  
is curious.  
Before long

George finds a  
hat,  
noisemakers,  
decorations,  
and games. It  
must be a  
birthday! But  
whose  
birthday is it?  
That's the  
surprise! This  
paperback  
edition now  
includes a  
maze and a  
birthday  
vocabulary  
seek-and-find.

Martha  
Washington

Houghton  
Mifflin  
Harcourt  
Collects all  
thirty-five  
stories about  
best friends  
George and  
Martha.

**Who's Afraid  
of Virginia  
Woolf?**

Penguin  
With this  
revelatory and  
painstakingly  
researched  
book, Martha  
Washington,  
the invisible  
woman of  
American  
history, at last  
gets the  
biography she  
deserves. In  
place of the  
domestic  
frump of  
popular  
imagination,  
Patricia Brady  
resurrects the  
wealthy,  
attractive, and  
vivacious  
young widow  
who  
captivated the  
youthful  
George  
Washington.  
Here are the  
able

landowner,  
the  
indomitable  
patriot (who  
faithfully  
joined her  
husband each  
winter at  
Valley Forge),  
and the  
shrewd  
diplomat and  
emotional  
mainstay. And  
even as it  
brings Martha  
Washington  
into sharper  
and more  
accurate  
focus, this  
sterling life  
sheds light on  
her marriage,  
her society,  
and the  
precedents  
she  
established for  
future First  
Ladies.

<p>Award Finalist Deaf author Ann Clare LeZotte weaves a riveting story inspired by the true history of a thriving deaf community on Martha's Vineyard in the early 19th century. This piercing exploration of ableism, racism, and colonialism will inspire readers to examine core beliefs and question what is considered normal. * "A must-read." -- Kirkus Reviews, starred review "More than</p>	<p>just a page- turner. Well researched and spare... sensitive... relevant." -- Newbery Medalist, Meg Medina for the New York Times "A triumph." -- Brian Selznick, creator of Wonderstruck and the Caldecott Award winner, The Invention of Hugo Cabret * "Will enthrall readers, but her internal journey...profo und." -- The Horn Book, starred review * "Expertly crafted...exce ptionally written." --</p>	<p>School Library Journal, starred review * "Engrossing." - - Publishers Weekly, starred review "This book blew me away." -- Alex Gino, Stonewall Award-winning author of George "Spend time in Mary's world. --	--	--

island of Martha's Vineyard. Her great-great-grandfather was an early English settler and the first deaf islander. Now, over a hundred years later, many people there -- including Mary -- are deaf, and nearly everyone can communicate in sign language. Mary has never felt isolated. She is proud of her lineage. But recent events have delivered winds of change. Mary's brother died, leaving her family

shattered. Tensions over land disputes are mounting between English settlers and the Wampanoag people. And a cunning young scientist has arrived, hoping to discover the origin of the island's prevalent deafness. His maniacal drive to find answers soon renders Mary a "live specimen" in a cruel experiment. Her struggle to save herself is at the core of this penetrating

and poignant novel that probes our perceptions of ability and disability. *Portraits from the Presidential Years* Houghton Mifflin Harcourt Describes the life shared by George and Martha Washington, with an emphasis on the government activities, historical events, and social and sociological aspects of their residence in New York City during the

seventeen months when it was the nation's first capital.

**George and Martha Encore**

Houghton Mifflin Harcourt  
 WINNER OF THE 2014 FOLIO PRIZE AND SHORTLISTED FOR THE NATIONAL BOOK AWARD 2013  
 George Saunders's most wryly hilarious and disturbing collection yet, Tenth of December illuminates human experience and explores figures lost in

a labyrinth of troubling preoccupation s. A family member recalls a backyard pole dressed for all occasions; Jeff faces horrifying ultimatums and the prospect of DarkenfloxxT M in some unusual drug trials; and Al Roosten hides his own internal monologue behind a winning smile that he hopes will make him popular. With dark visions of the future riffing against ghosts of the past and the

ever-settling present, this collection sings with astonishing charm and intensity.

**Essays on Cozzens, Miller, West, Golding, Heller, Albee, and Powers**

Simon & Schuster Books For Young Readers  
 Five brief episodes reveal the ups and downs of a great friendship.

**Ruby Bridges** Univ of North Carolina Press  
 A full-scale portrait of the marriage of

the father and mother of our country—and of the struggle for independence that he led. The Washingtons' long union begins in colonial Virginia in 1759, when George Washington woos and weds Martha Dandridge Parke Custis, a pretty, charming, and very rich young widow. The calm early years of their marriage as plantation owners at Mount Vernon and as parents to

Martha's two children, Jacky and Patsy—both of whom present difficult challenges—yield to harsher times. Washington has been prominent among Virginians in opposing British government measures, and at the outbreak of fighting in 1775 he is elected commander-in-chief of the Continental army. The war sees Martha resolutely supporting her husband, sharing in the

hardships at Valley Forge and other wretched winter headquarters. Essential to George's personal well-being, she is known as "Lady Washington"—a redoubtable and vastly admired figure in her own right. Flora Fraser provides us with a brilliant account of the public Washington and of the war he waged, and gives us, as well, the domestic Washingtons, whether at

Mount Vernon before and during the war or in New York and Philadelphia during his presidency. Even in wartime, Martha manages to scour Philadelphia to find a doll for her newest granddaughter and keeps careful control of her Virginia inheritance. George grapples with a formidable enemy, without proper troops and often without basic supplies—his soldiers frequently

lack rations, blankets, even shoes—while always fearful for his wife’s welfare and safety, given the constant worry that the British might descend on Mount Vernon. Even so, a true Virginian, he manages to dance for more than three hours with Alexander Hamilton’s pretty young wife at a makeshift ball. With victory and the arrival of peace in 1783, the Washingtons hope to remain at home, a hope

dashed when, in 1789, George is elected our first president and Martha becomes a faultless first First Lady. During the presidency, they together negotiate the many pitfalls of establishing republican entertainment—the weekly “Congress dinner,” levées, and drawing rooms—before , finally free of official responsibilities after Washington’s second term, they are at last able to retreat to their

beloved Mount Vernon. This is a remarkable story of a remarkable pair as well as a gripping narrative of the birth of a nation—a major, and vastly appealing, contribution to the literature of our founding fathers . . . and founding mother.

**George and Martha Washington's Courageous Slave Who Dared to Run Away; Young Readers Edition** Little, Brown

Two brief episodes about two friends, George and Martha, who happen to be hippopotamus es.

**Barbara Miller Read-aloud** Houghton Mifflin Harcourt Painter, sculptor, teacher, and internationally renowned fountain designer, George Tsutakawa (1910-1997) was one of the treasure of the Pacific Northwest. In his life and his work he achieved a

rare synthesis of the traditions of Japan, his parents? native land, where he lived and went to school for ten years, and those of America, where he was born and to which he returned at the age of seventeen. Martha Kingsbury draws upon her own and others? interviews with Tsutakawa to reveal the way his accomplishments have been shaped by, but have also

transcended, the influences of his dual cultural heritage. Throughout we hear the artist's own voice--witty, ironic, passionate, irreverent--the voice of a man possessed of deep convictions and great wisdom. In six chronologically arranged sections, Kingsbury discusses Tsutakawa's long life and distinguished career, examining his artistic development in two extended

periods. The first period, from the late 1920s into the mid-1950s, encompasses the artist's early education, growing mastery, and artistic awareness from his student days to beyond World War II. He studied with teachers as diverse as Alexander Archipenko, Ambrose Patterson, and Paul Bonifas, and enjoyed the exhilarating company of the elite and talented artists who

came to be identified as the Northwest School?-- among them Mark Tobey, Morris Graves, Kenneth Callahan, Paul Horiuchi, and Kamekichi Tokita. Throughout the Great Depression they painted, talked about art, and socialized long into the night. At this time Tsutakawa thought of himself as a "Sunday painter," a modern artist in the western tradition, striving for expression of

a private  
personal  
vision. By  
1956,  
Tsutakawa--  
married and  
settled in his  
native Seattle--  
had gained  
artistic  
confidence  
and success  
as an painter,  
printmaker,  
sculptor, and  
teacher. Two  
events in that  
year influence  
a major shift  
in his thinking  
about art. he  
returned to  
Japan after an  
absence of  
thirty years, to  
rediscover a  
deep  
appreciation  
of his  
Japanese  
heritage. And  
he read, in a

book by  
William O.  
Douglas, a  
description of  
the ritually  
stacked rock  
structures,  
obos, left by  
pilgrims at  
spiritually  
auspicious  
sites in the  
Indian  
Himalayas.  
Tsutakawa  
began to  
study the  
organic,  
almost  
fortuitously  
stacked and  
piled shapes  
of the obos,  
compelled by  
their public  
nature, the  
way they  
combined  
anonymity  
with personal  
meaning. The  
obos forms

(which he was  
later to see  
himself on a  
trek in the  
foothills of Mt.  
Everest)  
inspired a long  
series of  
sculpture  
beginning in  
1957, and led  
Tsutakawa in  
the 1960s to  
consider the  
possibilities of  
using them in  
fountains. In  
more than  
sixty fountains  
designed and  
built since  
that time, as  
well as in the  
sumi drawings  
he has  
produced for  
many years,  
Tsutakawa  
has expressed  
his beliefs  
about our  
relationship

with nature. His fountains are not the traditional structures in which jets of water squirt at or out of a sculpture, but ones in which the water?s movement over shapes, its sounds, and its	reflected light are indispensable to the concept of the form as a whole. This profusely illustrated book, published in connection with an exhibition at the Bellevue	Art Museum includes an appreciation of the artist?s fountain sculptor written by the Japanese art historian and critic Sumio Kuwabara, professor at the Musashino College of Arts.
