## **BRYNN SANFORD**

*Journey through the Old Testament* AuthorHouse

After his martyrdom at the hands of the Gestapo in 1945, Dietrich Bonhoeffer continued his witness in the hearts of Christians around the world. His Letters and Papers from Prison became a prized testimony to Christian faith and courage, read by thousands. Now in Life Together we have Pastor Bonhoeffer's experience of Christian community. This story of a unique fellowship in an underground seminary during the Nazi years reads like one of Paul's letters. It gives practical advice on how life together in Christ can be sustained in families and groups. The role of personal prayer, worship in common, everyday work, and Christian service is treated in simple, almost biblical, words. Life Together is bread for all who are hungry for the real life of Christian fellowship. **The New Testament Bible Without Chapters or Verses - Chronological (KJV)** William B. Eerdmans Publishing Company  
 This is The New Testament in the language of Jesus and his countrymen of 1st century Israel, with

a word for word translation into English next to each Aramaic word. Aramaic was used in Mel Gibson's film "The Passion of the Christ" to make the film as realistic as possible. This New Testament will surprise and thrill the reader with its power and inspiration coming from the words of "Yeshua" ("Jesus" in ancient Aramaic) as He originally spoke them and a very literal English rendering. Much evidence is presented demonstrating very powerfully that The Peshitta Aramaic NT is the original behind The Greek NT. There are many graphics and even photos from Dead Sea Scrolls to illustrate an Aramaic verse and how a reading was interpreted by a Greek translating the text. 625 pages. B&W Hardback 6x9." Pastor Dave is a former high school science teacher with a proficiency in Hebrew, Greek and Aramaic and has been preaching & teaching The Bible since 1976 in several churches in the USA. His web site is [aramaicnt.com](http://aramaicnt.com)

*Life Together* Baker Books

Bruce explores some of the major themes, motifs, and images in the Old Testament revelation and considers how the New Testament writers used them to present the perfected revelation in Christ. [Jesus > Religion](#) Baker Academic  
 With Journey through the Old Testament, you'll gain a solid grasp of the major themes and stories

of the Old Testament. Journey through the Old Testament helps you explore God's original design for humanity; track the major themes of the Old Testament's prophetic and poetic books; trace the story of redemption through the Old Testament books of the law, prophets, and writings; discover the parts of the Old Testament that foretell and foreshadow the developments that occur in the New Testament; and summarize the grand story of the Bible in the Old Testament in a way that people can understand and apply to their lives. This book is a solid foundation of essential biblical knowledge of the Old Testament for your personal study of the Scriptures. Start your journey through the Old Testament today.

*An Introduction to the New Testament* CCEL

Selected from sermons delivered by C. S. Lewis during World War II, these nine addresses offer guidance and inspiration in a time of great doubt. These are ardent and lucid sermons that provide a compassionate vision of Christianity.

*The Shadow of the Galilean* Lulu.com

The first of the four volume New Testament Introduction series. Includes perceptive exegesis of St Paul's epistles, but also the unexpected: a completely new thesis about the original purpose of

Mark's Gospel. Includes index.

**The New Testament in English and Canton Colloquial** Introducing the New Testament Combining New Testament study with the terseness of thriller writing, Theissen conveys the Gospel story in the imaginative prose of a novel. This is a story of our times, or how the gospels might have turned out if they were written by John Le Carre: racy, readable and full of incident.

**Jesus is Lord!** Crossway

Offers students a brief but reliable introduction to the use of the Old Testament in the Gospels' portrayals of Jesus.

**Overview of the Old and New Testaments** Fortress Press

Presents evidence and information, aside from the Christian scriptures, on the life and teaching of Jesus Christ. Features excerpts in Roman correspondence and the early Christian writings known as the "New Testament Apocrypha."

**New Testament Introduction** Wm. B. Eerdmans Publishing

This substantive and useful commentary on the book of Numbers is both critically engaged and sensitive to the theological contributions of the text. It is grounded in rigorous scholarship but useful for those who preach and teach. This is the second volume in a new series on the Pentateuch, which complements other Baker Commentary on the Old Testament series: Historical Books, Wisdom and Psalms, and Prophets. Each series volume covers one book of the Pentateuch, addressing important issues and problems that flow from the text and exploring the contemporary relevance of the Pentateuch. The series editor is Bill T. Arnold, the Paul S. Amos Professor of Old Testament Interpretation at Asbury Theological Seminary.

**The Heart of the Old Testament** St Vladimir's Seminary Press

This book guides the reader through the Gospels, Acts, Pauline epistles, and the Non-Pauline epistles. His readable style makes the collection an excellent companion for both the scholar and the layman.

**The New Testament Story** B&H Publishing Group

"A compendium of approximately three hundred texts-in Greek, Hebrew, Aramaic, Latin, Ethiopic, Syriac, Coptic, and other languages-that are important for the study of Jewish messianism and early Christology, with a critical apparatus and translation for each text, thematic tagging that enables textual cross-referencing, and bibliography"--

*Jesus and Scripture* Wm. B. Eerdmans Publishing

Abandon dead, dry, religious rule-keeping and embrace the promise of being truly known and deeply loved. Jefferson Bethke burst into the cultural conversation with a passionate, provocative poem titled "Why I Hate Religion, But Love Jesus." The 4-minute video became an overnight sensation, with 7 million YouTube views in its first 48 hours (and 23+ million in a year). Bethke's message clearly struck a chord with believers and nonbelievers alike, triggering an avalanche of

responses running the gamut from encouraged to enraged. In his New York Times bestseller *Jesus > Religion*, Bethke unpacks similar contrasts that he drew in the poem--highlighting the difference between teeth gritting and grace, law and love, performance and peace, despair, and hope. With refreshing candor, he delves into the motivation behind his message, beginning with the unvarnished tale of his own plunge from the pinnacle of a works-based, fake-smile existence that sapped his strength and led him down a path of destructive behavior. Along the way, Bethke gives you the tools you need to: Humbly and prayerfully open your mind Understand Jesus for all that he is View the church from a brand-new perspective Bethke is quick to acknowledge that he's not a pastor or theologian, but simply an ordinary, twenty-something who cried out for a life greater than the one for which he had settled. On this journey, Bethke discovered the real Jesus, who beckoned him with love beyond the props of false religion. Praise for *Jesus > Religion*: "Jeff's book will make you stop and listen to a voice in your heart that may have been drowned out by the noise of religion. Listen to that voice, then follow it--right to the feet of Jesus." --Bob Goff, author of New York Times bestsellers *Love Does* and *Everybody, Always* "The book you hold in your hands is Donald Miller's *Blue Like Jazz* meets C. S. Lewis's *Mere Christianity* meets Augustine's *Confessions*. This book is going to awaken an entire generation to Jesus and His grace." --Derwin L. Gray, lead pastor of Transformation Church, author of *Limitless Life: Breaking Free from the Labels That Hold You Back*

**The Word of God for the People of God** Macmillan Reference USA

Using a 'you-are-there' approach, this book gives readers a first-hand account of how the witness of Christ's testimony impacted the world. --from publisher description.

**A Historical Introduction to the New Testament** SCM Press

Traces nine key theological strands through the Hebrew Scriptures and shows how they link to the New Testament. Highly accessible, profoundly insightful.

**Word Pictures in the New Testament - 1 Timothy** Zondervan

Louis Berkhof, well-known Reformed theologian from the early 20th century, left us with this widely-appreciated and timeless resource on the New Testament. Complete with well-organized outlines and clearly presented overviews of each New Testament book, this work is a valuable addition to any reference library.

**Putting Burdens on Broken Shoulders** HarperChristian + ORM

Introducing the New Testament Fortress Press

**An Introduction to the New Testament** Hendrickson Publishers

Biblical Eschatology provides what is not found in any other single volume on eschatology: it analyzes all the major eschatological passages (including the Olivet Discourse and the book of Revelation), issues (including the second coming of Christ, the millennium, the rapture, and

Antichrist), and positions (including all the major views of the millennium) in a clear, but not superficial, way. The book concludes with a chapter showing how eschatology is relevant for our lives. Biblical Eschatology makes understanding eschatology easier by including chapters on how to interpret prophecy and apocalyptic literature, by showing the history of eschatological thought, and by placing eschatology in the context of the Bible's overall story line and structure. Clarity and understanding are enhanced by the use of comparative tables and appendices. Subject and Scripture indexes are included. The book interacts with the best of Evangelical and Reformed scholarship, and the extensive bibliography (which includes the web addresses of many online resources) provides an excellent source for the reader's further study. This is a perfect resource for intelligent Christians, including pastors, students, and teachers, who desire to understand eschatology and to see how it fits together with the rest of the Bible.

**Weight of Glory** Gideon House Books

Conservative Christian views on marriage and divorce are often presented as bulwarks against the tragedy of marital breakdown. Yet the advice given to divorced Christians and those facing the disintegration of their relationships is often irresponsible and damaging. Women fleeing domestic violence are told they are bound to their abusers by indissoluble spiritual bonds. Some are sent back to face further violence. Children are exposed to further abuse. People are condemned to lives of unnecessary loneliness and second marriages are undermined. A pall is cast over many lives. Why? Why should vulnerable people be given advice that is so damaging? Those who protest are told that this is what the Bible teaches. But does it? This book critically examines the relevant texts, revealing fundamental errors due to theological misconceptions and difficulties of understanding nuances of the original languages and the contexts in which crucial words were spoken. Properly understood, the relevant biblical passages do not lock people into intolerable situations. Christians are called to be faithful in their marital relationships, but not to pretend that former marriages still exist or refuse to recognize subsequent ones. And we are called to embrace, not condemn, the brokenhearted.

**The New Testament: Paul and Mark** Baker Books

This book fills a real need for pastors and students. Though there is currently a large body of material on the theological interpretation of Scripture, most of it is highly specific and extremely technical. J. Todd Billings here provides a straightforward entryway for students and pastors to understand why theological interpretation matters and how it can be done. / A solid, constructive theological work, *The Word of God for the People of God* presents a distinctive Trinitarian, participatory approach toward reading Scripture as the church. Billings's accessible yet substantial argument for a theological hermeneutic is rooted in a historic vision of the practice of scriptural interpretation even as it engages a wide range of contemporary issues and includes several exegetical examples that apply to concrete Christian ministry situations.
