This book provides a
wealth of detailed

information that collectors, investors, and restorers of imported cars will not find in any other book. This massive volume spans the marques of imported vehicles. The list includes such familiar names as Alfa Romeo, Aston Martin, Bentley, Citroen, Jaguar, Lamborghini, Porsche, Rolls-Royce, Saab, and Volkswagon. Also in these pages, you'll find details on such lesser-known yet no less intriguing marques as Abarth, DAF, Frazer Nash, Humber, Iso, Nardi, Panhard, Peerless, Sabra

and Skoda. The book also highlights model changes and corporate histories and provides valuable information on the most popular models of imported cars.

"There's a rising star on the romantic comedy scene, and her name is

Lisa Plumley! She delivers great characters, plenty of laughs and a delicious love story. I give Perfect Switch a Perfect 10!" -- New York Times Best-seller Vicki Lewis Thompson Are you ready for the fantasy of a lifetime? So asks the invitation Meredith Madison finds while house-sitting for her TV-star twin sister, Marley. Admittedly, her life could use a little —okay, a lot —more excitement. Glamorous, talented Marley has always owned the spotlight, leaving

Meredith to fill the role of jeans-and-tee-shirt brainiac/wallflower. Weary of living in her sister's shadow, Meredith decides to grab the chance to step into Marley's Jimmy Choos. And when a limo arrives to carry her away to her "fantasy," the guy in the back seat is dream-come-true number one... Entrepreneur Tony Valentine has spent his adult life avoiding Hollywood —yet here he is, trying to rescue his family's floundering movie studio. His idea for an actor fantasy camp is the

perfect plan...but something isn't right about his headlining celebrity instructor, Marley Madison. Sure, stars sometimes dress down, but she looks a tad too familiar with the softer side of Sears. The woman's klutzy, awkward, and adorable. This can't really be Marley...can it? Whoever she is, she's going to have to charm the wealthy "campers" into believing her act. If they're anything like Tony, they'll find her irresistible... "Romantic, hilarious, and satisfying!

Picking up where Perfect Together left off, Plumley's latest sexy romp puts a fresh spin on the Hollywood scene, ties up a few loose ends, and provides a heartwarming romance for two people who are just made to be together." --Library Journal "Perfect Switch by Lisa Plumley is another example of the author's knack for blending wacky humor with touching romance, complete with a dramatic happily-ever-after ending." --The State newspaper "Plumley does everything right and gives

this story an entertaining zest. The bantering between Meredith and Tony is funny and light, while a supporting cast of characters are zany and endearing. Plumley writes a funny, sexy, heartwarming romance. Add it to your summer reading list--it's one of the season's best." --The Oakland Press "Plumley writes with her usual comic panache in this hilarious sequel to Perfect Together." --Booklist "Lisa Plumley delivers colorful characters with quick wit. A must-have for anyone

looking for a witty and lighthearted romance." --Romance and Friends "Peopled with marvelous secondary characters, this delightful romance is a funny, engaging read." --Romantic Times BOOKclub "Perfect Switch is lighthearted and heartwarming. Make this your first selection for enjoyment during vacation!" -- Romance Reviews Today "Perfect Switch is witty, original, tender and sizzles with chemistry. A romantic comedy you do NOT want to miss. Brava!" -- Old

This manual presents a comprehensive and state of the-art approach to the diverse applications of surgical techniques and procedures through the endoscopic platform. Sections address preliminary issues faced by surgeons and physicians who may be initially undertaking these new techniques. These areas include training and credentialing, as well as tools and platforms

commonly used for these procedures. Subsequent chapters focus on specific disease processes and the endoscopic applications for those procedures. Each section addresses patient selection, pre-operative considerations, technical conduct of the most common operations, and avoiding complications. A brief review of the existing literature addressing the particular topic follows in each section. The text concludes with chapters on future directions and device development.

Written by experts in the field, The SAGES Manual Operating Through the Endoscope is a valuable resource to experienced advanced endoscopists looking to expand the types of procedures that they currently perform, as well as trainees, including residents, fellows and medical students.

A "powerful and original" (The Times) historical saga that follows the quest for identity, redemption and home in the wake of World War II. One night in autumn 1944, a gunshot echoes through the alleyways of a small town in occupied Poland. An SS officer is shot dead by a young Polish Jew, Margarita Ejzenstain. In retaliation, his commander orders the execution of thirty-seven

Poles--one for every year of the dead man's life. First hidden by a sympathetic German couple, Margarita must then flee the brutal advance of the Soviet army with her newborn baby. So begins a thrilling panorama of intermingled destinies and events that reverberate from that single act of defiance. Kingdom of Twilight follows the lives of Jewish refugees and a German family resettled from Bukovina, as well as a former SS officer, chronicling the

geographical and psychological dislocation generated by war. A quest for identity and truth takes them from refugee camps to Lübeck, Berlin, Tel Aviv, and New York, as they try to make sense of a changed world, and of their place in it. Hypnotically lyrical and intensely moving, Steven Uhly's epic novel is a finely nuanced yet shattering exploration of universal themes: love, hatred, doubt, survival, guilt, humanity, and redemption.

 After learning that her life's purpose is to fulfill a prophecy to save our world, Roam finds that she is pregnant- and missing the love of her life with all of her heart. Logan, her best friend, stands by her, helping her to find a way back to West... despite his own love for her. On a journey that will take her to another body and life in 1955 and, eventually, to another world, Roam will discover that before she can rise and protect our world and her child from

an immortal evil...She must fall.

 'Janey is like a whirlwind of selflessness. A beautiful spirit in a beautiful country doing a beautiful thing. I encourage my children to be more 'Janey'. With more positive spirits like Janey, the world would be a better place.' - Ben Fogle
 In 2014 and in her mid-twenties, Janey Lowes had been a vet for just two years when she left her home in County Durham and went travelling.

Visiting Sri Lanka, she was horrified to see the state of so many of the island's dogs, in particular the three million strays. Over 5,000 miles from home, Janey decided there and then that she was going to move to the island indefinitely and do everything within her power to help them. She raised £10,000 to get started, setting up a charity called WECare Worldwide, and began work. Frightened, determined and excited all at the same time, she found a local who was

willing to work with her and began scouring the streets for dogs in need. Some she patched up as best she could at the roadside, others she brought back and treated in a make-shift surgery she had cobbled together in her new home. With very little equipment, she and her small team came up with new and ingenious ways to treat the animals. In this highly inspiring and heartfelt book full of challenges and adventure, Janey introduces us to her world and the tireless work she

carries out. As she says, 'I feel as though all these dogs are my dogs and I have a responsibility to them.' In it, we meet many of the colourful characters who have come to offer help, along with innumerable street dogs who have suffered all sorts of trauma and injury, only to be scooped up by Janey and her team and saved.

This book's cut-to-the-chase approach gets you up to speed on the new ASP.NET MVC without getting bogging you down in learning or re-learning ASP.NET itself. You'll receive straightforward instruction on concepts, backed by real-world case studies and examples that offer practical solutions. Topics include test-driven development and unit testing, the principles of the MVC pattern, how to implement it, how to move from traditional ASP.NET Webforms to ASP.NET MVC, and much

more.

 An extraordinary and rare insight into how a few determined entrepreneurs created an icon... - C. K. Prahalad
 The targets were stupendous and considered unachievable by almost everyone. Slightly over two years to find a suitable partner, finalize all legal documentation, get governmental approval to these agreements as well as to the investment proposals, build a factory, develop a supplier base to

meet localization regulations, create a sales and service network, and develop and launch a people's car that would sell 100,000 a year, in a sector where Indian expertise was limited. And to do this as a public sector company, having to follow all governmental systems and procedures, and having to please both its masters in the government and Suzuki Motor Corporation. However, the Maruti project succeeded, and in ways that were unimaginable in 1983.

The car revolutionized the industry and put a country on wheels. Suddenly, ordinary middle-class men and women could aspire to own a reliable, economical and modern car, and the steep sales targets were easily met. Twenty-six years later, the company, now free of government controls and facing competition from the worlds major manufacturers who have entered the Indian market, still leads the way. Not only that, cars made by Maruti can be seen in all continents. By

any yardstick, it is an incredible story, involving grit, management skill and entrepreneurship of a high order. R.C. Bhargava, who was at the helm of the company, and is currently its chairman, co-writing with senior journalist and author Seetha, shows how it was done in this riveting account of a landmark achievement.
