GONZALEZ CARDENAS

The Stowaway Vintage Canada
The true story of a 19 year-old California surfer who stows away on two passenger liners and circumnavigates the world in 79 days. Tag along as he learns the lessons of shipboard survival and how to circumvent Immigration, Customs, and port security officials. Join the stowaway as he poses as a passenger during the day...and sleeps in shipboard restrooms at night! Travel with him on SS Iberia

from Hawaii to Japan, Hong Kong, Singapore, India, the Suez Canal, Egypt, Spain, Portugal, and the ship's final destination, England. Discover, as he does, that there's only one dangerous way to finally get ashore undetected. Join him throughout Britain as he searches desperately to find a way back to the States without having a passport or even a driver's license. And come aboard once again as he stows away on SS Canberra to cross the Atlantic and finally reach home. Twelve action-packed chapters and an epilogue provide a first-hand account of a truly

remarkable coming-of-age story.

Out Front the Following Sea Vintage
Canada

The beloved author of *Posted* and *Ms. Bixby's Last Day* returns with the first book in a coming-of-age sci-fi duology about Leo, a kid trying to navigate the galaxy in order to save his family—and, possibly, the planet Earth. When scientists discover a rare and mysterious mineral buried in the Earth's crust, they have no idea that it just happens to be the most valuable substance in the entire universe. It's not long before aliens show up to our little corner of the galaxy offering a promise of protection, some fabulous new technology, and entry into their intergalactic coalition—all in exchange for this precious resource. A material so

precious that other alien forces are willing to start a war over it. A war that soon makes its way to Earth. Leo knows this all too well. His mother was killed in one such attack, and soon after, his father, a Coalition scientist, decides it would be best for them to leave Earth behind. It's on this expedition that their ship is attacked, Leo's father is kidnapped, and Leo and his brother are stranded in the middle of space. The only chance they have is for Leo to stow away on a strange ship of mercenary space pirates bound for who knows where and beg the captain to help him find his father. But the road is dangerous, and pirates, of course, only look out for themselves. Leo must decide who to trust as he tries to stay alive and save his family, even as he comes to

understand that there aren't many people—human or alien—that he can count on in this brave new universe.

The Stowaway Abrams

Follows the story of Arthur Gordon Pym, who stows away on the whaling ship, Grampus. Unfortunately for him he finds himself stuck in an adventure that includes mutiny, butchery, and cannibalism, premature burial, a ghost ship, gigantic polar bears, and uncharted islands peopled by barbarian hordes. That'll teach him not to try and get a free ride in the future. If he has one.

#1 NEW YORK TIMES BESTSELLER A
TODAY Show Read with Jenna Book Club
Pick A New York Times Notable Book,
and Chosen by Oprah Daily, Time, NPR,
The Washington Post and Barack Obama

as a Best Book of the Year “Wise and wildly entertaining . . . permeated with light, wit, youth.” —The New York Times Book Review “A classic that we will read for years to come.” —Jenna Bush Hager, Read with Jenna book club “A real joyride . . . elegantly constructed and compulsively readable.” – NPR The bestselling author of A Gentleman in Moscow and Rules of Civility and master of absorbing, sophisticated fiction returns with a stylish and propulsive novel set in 1950s America In June, 1954, eighteen-year-old Emmett Watson is driven home to Nebraska by the warden of the juvenile work farm where he has just served fifteen months for involuntary manslaughter. His mother long gone, his father recently deceased, and the family farm foreclosed upon by

the bank, Emmett's intention is to pick up his eight-year-old brother, Billy, and head to California where they can start their lives anew. But when the warden drives away, Emmett discovers that two friends from the work farm have hidden themselves in the trunk of the warden's car. Together, they have hatched an altogether different plan for Emmett's future, one that will take them all on a fateful journey in the opposite direction—to the City of New York. Spanning just ten days and told from multiple points of view, Towles's third novel will satisfy fans of his multi-layered literary styling while providing them an array of new and richly imagined settings, characters, and themes.

Cloud Atlas Regal House Publishing
This adventure story recounts the first

round-world voyage of Tudor explorer Sir Francis Drake through the eyes of Dickon, a lame stowaway, who goes on to become Drake's cabin boy and personal hero. Readers learn about the harsh life that sailors in Tudor times experienced as they coped with storms, mutinies and illness on board ship. • Ruby/Band 14 books give increasing opportunities for children to develop their skills of inference and deduction. • Text type - An adventure story. • Provides lots of opportunities for drama and writing activities. This title is paired with: How to be a Tudor in 20 easy stages, an information book that can be used to locate factual information about Tudor explorers and the Armada. • Curriculum links - History: What were the effects of Tudor exploration? • This book

Stowaway! Random House Books for Young Readers

When a pirate terrorizes the 1818 California coast, a brave young boy summons up the courage to defend his Monterey home from a savage attack. By the author of *Jimmy Spoon and the Pony Express*.

A Tale of California Pirates Simon and Schuster

Having lost her family in a massive flood, sixteen-year-old Sebah finds her way onto a gigantic ark, where she must conceal herself from Noah and his family until it is safe for her and another

stowaway to slip away.

Upright Women Wanted Prabhat Prakashan

The *Stowaway* is at once a thrilling maritime adventure and a thought-provoking morality tale based on real-life events. The novel begins in the spring of 1996 when Rodolfo Miguel, a bosun on the Taiwanese container ship *Maersk Dubai*, discovers a hungry and frightened pair of Romanian stowaways. He presents them to his officers, fully expecting that they'll be put to work or else dropped off at the nearest port. Instead, he and his fellow Filipino crewmen watch in silent horror as the Romanians are cast overboard in a flimsy raft only to disappear beneath the ship's wake. The *Stowaway* moves seamlessly between two storylines.

Aboard the Maersk Dubai, Rodolfo and his crewmen must deal with the emotional trauma of what they've seen – as well as grapple with how to act on what they know. The atmosphere on the ship grows increasingly tense as fear, anxiety and paranoia grip the Filipino sailors. Trapped witnesses to a crime, they wonder whom they can trust and whether they themselves will meet with the same fate as the stowaways. Meanwhile, a nineteen-year-old Romanian named Daniel Pacea heads out on a nail-biting adventure from Bucharest to Algeciras. Poor, brave and full of youthful indiscretion, Daniel is desperate to stow away on a ship and head to a better life in America. Along the way, he meets another Romanian named Gheorghe and together they

perform cheap labour, pose as evangelical Christians and do whatever it takes to find their way to the Spanish port of Algeciras. Eventually the two stories merge when Daniel and Gheorghe sneak onto the ill-fated Maersk Dubai. One man is killed, the other discovered by Rodolfo. Once again, the Filipino crewmen find themselves faced with an excruciating moral dilemma. Do they risk their own personal safety to save the life of a complete stranger? All of the scenes involving the Filipino sailors are as close to the truth as Robert Hough could manage based on exhaustive interviews with the crewmen as well as on their letters and journals. Though Hough invented the Romanians' land adventure, he based the story on considerable research, including

interviews with Romanian-Canadians who had lived under the Ceausescu regime. Hough was widely praised for the deft way in which he mixes fact and fiction in *The Stowaway*. The critics were also unanimous in their admiration for the novel's ability to seduce with suspense while at the same time posing profound issues for the reader to ponder. "This is a powerful novel that artfully combines the vivid, breathless pacing of the best adventure stories with the moral and metaphysical depth of the best literary fiction," said Quill & Quire. And from the Vancouver Sun: "Harnessing the force of fiction and the weight of history, Hough has created a powerful, deeply human masterpiece out of tragedy and inhumanity." The Stowaway Penguin

From the author of more than a dozen New York Times best sellers and his son, comes the first installment of a brand-new fantasy trilogy written just for young readers... Barely a teen and already guarding a secret that could jeopardize his young life, Maimun is marked for death. With the help of a mysterious stranger, the boy escapes his village and flees out to sea, stowing away on the pirate hunting ship, *Sea Sprite*, where he comes across a most unlikely ally: the dark elf Drizt Do'Urden. With a half-demon determined to destroy him, and a crew of sailors resentful of the trouble he's caused, Maimun must find the courage to prove his worth, both to his friends and to himself. Nearly two decades ago, R.A. Salvatore introduced the world to Drizt D'Urden in a series

that has since become a fantasy classic and a consistent presence on best seller lists. Now, for the first time, Salvatore partners with his son Geno to craft a brand-new story just for young readers, featuring a cameo of the most beloved fantasy character of all time. For young readers seeking the next great fantasy saga or for long-time fans who can't miss any installment in the Drizzt saga, this book delivers all the action, intrigue, and magic you've come to expect from the Salvatore name.

Shipwreck Scholastic Inc.

With him on his ship Endurance are twenty-eight crew members, sixty-nine sled dogs, a gramophone, a bicycle--and Merce Blackboro, a seventeen-year-old stowaway hidden amidst oilskins and sea boots. Their journey into the ice is by

way of the sub-Antarctic island of South Georgia. But the Antarctic summer is short, and their passage remains resolutely closed to them. In the Weddell Sea the Endurance is trapped for months in pack ice and finds itself delivered up to an uncertain fate. Richly imagined and gripping right up the very last page, *Ice-Cold Heaven* traces Shackleton's legendary and heroic adventure through the ice and explores the relationships between these men who were lost to the world for 635 days.

A Home for Lizzie Dundurn

From writer, producer, and actor best known as "Murr" on the hit television shows *Impractical Jokers* and *The Misery Index*, James S. Murray, and co-writer Darren Wearmouth, comes *The Stowaway*, a suspenseful masterpiece

that leaves a cruise ship stranded at sea with a serial killer hiding aboard. Two years ago, Maria Fontana, the head of the Psychology Department at Columbia University, sat on a jury for one of the most depraved cases ever to pass through the hallowed halls of City Hall. Wyatt Butler, an antique watch restorer and alleged serial killer, was portrayed in the courtroom as a brutal monster. But Maria had to make the tough choice. In good conscience, she couldn't convict him based purely on circumstantial evidence, and her deciding vote set Wyatt Butler free. The media soon outed her as the lone juror and her successful and quaint life was turned upside down. The victims of Wyatt's ritualistic killings never forgave her either. Now, she and her family have decided to take a

vacation to get away from everything: a two-week-long transatlantic cruise. Nothing, and nobody should be able to bother her there. With her two twins and her fiancé Steve, she is set to put the past behind her as soon as the ship leaves port. But when a passenger mysteriously disappears, Maria is left to wonder if maybe this was no coincidence. When another passenger is discovered brutally murdered in a similar way to Butler's ritualistic MO, the ship goes on lockdown. Maria, one of only twelve people in the world with intimate knowledge of the case, faces a perilous ticking clock. Is it a copycat? Or is she trapped on board with the bloodthirsty maniac she chose to set free?

Stowaway Harlequin

In Upright Women Wanted, award-

winning author Sarah Gailey reinvents the pulp Western with an explicitly antifascist, near-future story of queer identity. "That girl's got more wrong notions than a barn owl's got mean looks." Esther is a stowaway. She's hidden herself away in the Librarian's book wagon in an attempt to escape the marriage her father has arranged for her—a marriage to the man who was previously engaged to her best friend. Her best friend who she was in love with. Her best friend who was just executed for possession of resistance propaganda. The future American Southwest is full of bandits, fascists, and queer librarian spies on horseback trying to do the right thing. Praise for *Upright Women Wanted* "A good old-fashioned horse opera for the 22nd century. Gunslinger librarians

of the apocalypse are on a mission to spread public health, decency, and the revolution."—Charles Stross "A dazzling neo-western adventure. . . . Gailey's gorgeous writing and authentic characters make this slim volume a pure delight."—Publishers Weekly, starred review At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. *The Stowaway* Random House Books for Young Readers

A fictionalized journal relates the experiences of a young stowaway from 1768 to 1771 aboard the Endeavor which sailed around the world under Captain James Cook.

[Six Weeks on the Throne](#) Lulu.com Owen's plan to sail away on an adventure puts him on a collision course

with some very dangerous people. When Owen's parents leave him on his own for a week, the sixteen-year-old gets bored and hatches a crazy idea: sneak onto the yacht that's visiting the sleepy Pacific Coast island where he lives and stow away on an adventure! Once on board the vessel, Owen quickly finds this is anything but innocent fun. The ship is packed with teenagers from Central America, and it looks like Owen has stumbled into a people-smuggling operation. Complications pile up and as things head from bad to worse, a haunting incident from Owen's past tightens its grip on him. There's only one way to break free and make his way home. Owen and the first mate, Arturo — a former street kid — must work together to commandeer the boat and

win the trust of those on board. But who's friend and who's foe in the shifting tides?

Turtleback

After smuggling herself onto the RMS Titanic, British-Chinese teenager Valora Luck reunites with her twin brother and tries to convince him that their acrobatic training could be their ticket to a better life.

Ice-Cold Heaven Harper Collins

By the New York Times bestselling author of *The Bone Clocks* | Shortlisted for the Man Booker Prize A postmodern visionary and one of the leading voices in twenty-first-century fiction, David Mitchell combines flat-out adventure, a Nabokovian love of puzzles, a keen eye for character, and a taste for mind-bending, philosophical and scientific

speculation in the tradition of Umberto Eco, Haruki Murakami, and Philip K. Dick. The result is brilliantly original fiction as profound as it is playful. In this groundbreaking novel, an influential favorite among a new generation of writers, Mitchell explores with daring artistry fundamental questions of reality and identity. *Cloud Atlas* begins in 1850 with Adam Ewing, an American notary voyaging from the Chatham Isles to his home in California. Along the way, Ewing is befriended by a physician, Dr. Goose, who begins to treat him for a rare species of brain parasite. . . . Abruptly, the action jumps to Belgium in 1931, where Robert Frobisher, a disinherited bisexual composer, contrives his way into the household of an infirm maestro who has a beguiling wife and a nubile

daughter. . . . From there we jump to the West Coast in the 1970s and a troubled reporter named Luisa Rey, who stumbles upon a web of corporate greed and murder that threatens to claim her life. . . . And onward, with dazzling virtuosity, to an inglorious present-day England; to a Korean superstate of the near future where neocapitalism has run amok; and, finally, to a postapocalyptic Iron Age Hawaii in the last days of history. But the story doesn't end even there. The narrative then boomerangs back through centuries and space, returning by the same route, in reverse, to its starting point. Along the way, Mitchell reveals how his disparate characters connect, how their fates intertwine, and how their souls drift across time like clouds across the sky. As wild as a videogame, as

mysterious as a Zen koan, *Cloud Atlas* is an unforgettable tour de force that, like its incomparable author, has transcended its cult classic status to become a worldwide phenomenon. Praise for *Cloud Atlas* “[David] Mitchell is, clearly, a genius. He writes as though at the helm of some perpetual dream machine, can evidently do anything, and his ambition is written in magma across this novel’s every page.”—The New York Times Book Review “One of those how-the-holy-hell-did-he-do-it? modern classics that no doubt is—and should be—read by any student of contemporary literature.”—Dave Eggers “Wildly entertaining . . . a head rush, both action-packed and chillingly ruminative.”—People “The novel as series of nested dolls or Chinese boxes,

a puzzle-book, and yet—not just dazzling, amusing, or clever but heartbreaking and passionate, too. I’ve never read anything quite like it, and I’m grateful to have lived, for a while, in all its many worlds.”—Michael Chabon “*Cloud Atlas* ought to make [Mitchell] famous on both sides of the Atlantic as a writer whose fearlessness is matched by his talent.”—The Washington Post Book World “Thrilling . . . One of the biggest joys in *Cloud Atlas* is watching Mitchell sashay from genre to genre without a hitch in his dance step.”—Boston Sunday Globe “Grand and elaborate . . . [Mitchell] creates a world and language at once foreign and strange, yet strikingly familiar and intimate.”—Los Angeles Times

New York Times bestseller and award-winning illustrator Charles Santore retells the beloved Bible story of Noah's Ark through the eyes of a charming new hero that children will love: a stowaway mouse! Achbar the mouse hears a kindly old man tell the animals of the world

that there will be a great flood, and that he has built an ark big enough for two of each kind of animal to ride out the storm. But by the time Achbar works his way through the tangle of paws and hooves, two other mice have already been selected. Achbar is terrified and does not want to be left behind! His survival instincts tell him to stow away. But will he be discovered by the old man--and will they ever see dry land again?
