## BARRON SHAMAR

*The History Of The Decline And Fall Of The Roman Empire. By Edward Gibbon, Esq. Printed From The Edition In Twelve Volumes. With An Introductory Memoir Of The Author, By William Youngman St. Martin's Press*

This astonishing autobiographical trilogy—hailed by George Orwell and Gabriel García Márquez—is “the most definitive and personal account of Spain’s history during . . . the 20th century” (Guardian). The Forging of a Rebel is an unsurpassed account of Spanish history and society from early in the twentieth century through the cataclysmic events of the Spanish Civil War. Arturo Barea’s masterpiece charts the author’s coming-of-age in a bruised and starkly unequal Spain. These three volumes recount in lively detail Barea’s daily experience of his country as it pitched toward disaster: we are taken from his youthful play and rebellion on the streets of Madrid, to his apprenticeship in the business world and to the horrors he witnessed as part of the Spanish army in Morocco during the Rif War. The trilogy culminates in an indelible portrait of the Republican fight against Fascist forces in which the Madrid of Barea’s childhood becomes a shell and bullet-strewn warzone. Combining historical sweep and authority with poignant characterization and novelistic detail, *The Forging of a Rebel* is a towering literary and historical achievement.

### The Forging of a Rebel

Jawid This volume examines reflexes of a West Semitic myth describing an attempted coup against the high god of the pantheon. In 1939, J. Morgenstern theorized that this myth was the precursor of the Satan traditions found in Jewish and Christian sources. This treatment (1) reconsiders Morgenstern’s hypothesis, (2) reviews scholarship on this myth of cosmic rebellion within the W.F. Albright/F.M. Cross, Jr. lineage, (3) compiles a concordance of texts cited by scholars in analyzing the myth, (4) considers the possibility that Athtar is the myth’s divine antihero, (5) provides a translation and close reading of selected Ugaritic and Hebrew texts that have informed discussion about the myth, (6) reassesses the value of these texts, and (7) provides a reconstruction of the myth.

*A Rebel Wife in Texas* Ember

Before the Human-Covenant War engulfed Halo, the planet-colony Reach came under attack by the Covenant, and Earth’s specially trained and augmented warriors, code-named SPARTANS, stood alone to fight for humanity’s survival.

*A Rebel War Clerk's Diary, Volume 1* Pen and Sword

The New York Times bestselling novel by the Goodreads Choice Awards Best Debut Author of 2016, published in 15 countries! Mortals rule the desert nation of Miraji, but mythical beasts still roam the wild and remote areas, and rumor has it that somewhere, djinn still perform their magic. For humans, it’s an unforgiving place, especially if you’re poor, orphaned, or female. Amani Al’Hiza is all three. She’s a gifted gunslinger with perfect aim, but she can’t shoot her way out of Dustwalk, the back-country town where she’s destined to wind up wed or dead. Then she meets Jin, a rakish foreigner, in a shooting contest, and sees him as the perfect escape route. But though she’s spent years dreaming of leaving Dustwalk, she never imagined she’d gallop away on mythical horse—or that it would take a foreign fugitive to show her the heart of the desert she thought she knew. This startlingly original Middle-East-meets-Wild-West fantasy reveals what happens when a dream deferred explodes—in the fires of rebellion, of romantic passion, and the all-consuming inferno of a

girl finally embracing her power.

*Reminiscences of a Rebel* Good Press

*A Rebel Wife in Texas* offers a singular glimpse into nineteenth-century southern culture through the eyes of a captivating and complex woman who, as a product of that culture, both revered and reviled it. Elizabeth Scott Neblett was raised in a slaveholding family in eastern Texas. Despite the frontier conditions, she was very much a southern belle who embraced conventional dictates and aspired to the “cult of true womanhood.” Neblett entered romantic marriage and motherhood with optimism, but over time her experiences as a wife and mother made her severe and increasingly despondent. When the Civil War ripped away the existing social structure and took her husband away from home, she was pressed to assume many of his responsibilities, including managing the family property and its eleven slaves. Frustrated by a growing sense of powerlessness and inadequacy, she frequently railed in anger against herself, her husband, and her children. Skillfully edited and annotated, *A Rebel Wife in Texas* is a rich resource for anyone researching the nineteenth-century South, not least for its observations on slave and class relations, regional politics, lynching, farm management, medical practices, mental illness, and the Civil War in Texas. It also offers an uncommonly intimate perspective on marriage during that era. The frankness, desperation, and detail with which Neblett discusses birth control and child rearing make this a unique collection of letters. Elizabeth Scott Neblett’s autobiographical record is the fascinating tale of one woman’s life—a life both ordinary and extraordinary. It is also, in important ways, the wider story of a culture rent by turmoil from within and without.

*A Rebel's Letters (New Intro, Annotated)* Cambridge University Press

Amidst the vast literature of the Civil War, one of the most significant and enlightening documents remains largely unknown. A day-by-day, uninterrupted, four-year chronicle by a mature, keenly observant clerk in the War Department of the Confederacy, the wartime diary of John Beauchamp Jones was first published in two volumes of small type in 1866. Over the years, the diary was republished three more times—but never with an index or an editorial apparatus to guide a reader through the extraordinary mass of information it contained. Published here with an authoritative editorial framework, including an extensive introduction and endnotes, this unique record of the Civil War takes its rightful place as one of the best basic reference tools in Civil War history, absolutely critical to study the Confederacy. A Maryland journalist/novelist who went south at the outbreak of the war, Jones took a job as a senior clerk in the Confederate War Department, where he remained to the end, a constant observer of men and events in Richmond, the heart of the Confederacy and the principal target of Union military might. As a high-level clerk at the center of military planning, Jones had an extraordinary perspective on the Southern nation in action—and nothing escaped his attention. Confidential files, command-level conversations, official correspondence, revelations, rumors, statistics, weather reports, and personal opinions: all manner of material, found nowhere else in Civil War literature, made its meticulous way into the diary. Jones quotes scores of dispatches and reports by both military and civilian authorities, including letters from Robert E. Lee never printed elsewhere, providing an invaluable record of documents that would later find their way into print only in edited form. His notes on such ephemera as weather and prices create a backdrop for the military movements and political maneuverings he describes, all with the judicious eye of a seasoned writer and observer of southern life. James I. Robertson Jr., provides introductions to each volume, over 2,700 endnotes that identify, clarify, and expand on Jones’s material, and a first ever index which makes Jones’s unique insights and observations accessible to interested readers, who will find in the pages of *A Rebel War Clerk's Diary* one of the most complete and richly textured accounts of the Civil War ever to be composed at the very heart of the Confederacy.

*History of the decline and fall of the Roman Empire* BRILL

Peter Kropotkin remains one of the best-known anarchist thinkers, and *Words of a Rebel* was his first libertarian book. Published in 1885 while he was in a French jail for anarchist activism, this collection

of articles from the newspaper *Le Revolté* sees Kropotkin criticise the failings of capitalism and those who seek to end it by means of its main support, the state. Instead, he urged the creation of a mass movement from below that would expropriate property and destroy the state, replacing their centralised hierarchies with federations of self-governing communities and workplaces. Kropotkin's instant classic included discussions themes and ideas he returned to repeatedly during his five decades in the anarchist movement. Unsurprisingly, *Words of a Rebel* was soon translated into numerous languages—including Italian, Spanish, Bulgarian, Russian, and Chinese—and reprinted time and time again. But despite its influence as Kropotkin's first anarchist work, it was the last to be completely translated into English. This is a new translation from the French original by Iain McKay except for a few chapters previously translated by Nicolas Walter. Both anarchist activists and writers, they are well placed to understand the assumptions within and influences on Kropotkin's revolutionary journalism. It includes all the original 1885 text along with the preface to the 1904 Italian as well as the preface and afterward to the 1919 Russian editions. In addition, it includes many articles on the labour movement written by Kropotkin for *Le Revolté* which show how he envisioned getting from criticism to a social revolution. Along with a comprehensive glossary and an introduction by Iain McKay placing this work within the history of anarchism as well as indicating its relevance to radicals and revolutionaries today, this is the definitive edition of an anarchist classic.

*A Rebel's Desire* Hay House, Inc

Over six hundred years before John Milton's *Paradise Lost*, Anglo-Saxon authors told their own version of the fall of the angels. This book brings together various cultural moments, literary genres and relevant comparanda to recover that version, from the legal and social world to the world of popular spiritual ritual and belief. The story of the fall of the angels in Anglo-Saxon England is the story of a successfully transmitted exegetical teaching turned rich literary tradition. It can be traced through a range of genres - sermons, saints' lives, royal charters, riddles, devotional and biblical poetry - each one offering a distinct window into the ancient myth's place within the Anglo-Saxon literary and cultural imagination.

**Halo: *The Fall of Reach*** University Press of Kansas

This is a biography of Charles Andrews Fenton (1919-1961), a teacher, scholar, and writer, who at the peak of his career, took his own life.

**The History of the Decline and Fall of the Roman Empire ... A new edition. With a portrait** DigiCat

Writing together with Timothy Wyllie, the angel Georgia details the events of Earth's ancient history during the fall of Atlantis • Reveals, in detail, the devolution of Atlantean life during its society's decline, the calamities that enveloped the civilization, and the migration of this sophisticated culture to other areas of the planet • Shares Georgia's travels to the planet Zandana, a world facing the same problems as Earth yet taking a very different approach to their resolution • Exposes the supreme significance of Earth and how our planet is one of the worlds on which the rebel angels are reincarnating An angel of Seraphic status, Georgia arrived on this world with the first of the celestial missions, over half a million years ago. During the angelic rebellion 203,000 years ago, which led to the quarantine of Earth and 36 other planets from the Multiverse, she aligned herself with Lucifer and the rebel angels. After the rebellion, Georgia was permitted to remain on this planet as a Watcher, making occasional side-trips to Zandana, a sister planet also under the thrall of the angelic rebellion. Writing together with Timothy Wyllie, Georgia provides her personal account of Earth during the fall of Atlantis as well as accounts of her trips to Zandana. Georgia reveals, in detail, the devolution of Atlantean life during its society's decline, the calamities that enveloped the civilization, and the migration of this sophisticated culture to other areas of the planet. She shows how the fate of Atlantis ties in with the Lucifer Rebellion and also offers us understanding of where human civilization is now in contemporary times. Her travels to the planet Zandana reveal a world at the same stage of development and facing the same problems as Earth, yet taking a very different approach to their resolution. Through her revelations, Georgia exposes the supreme significance of Earth in the larger Multiverse context and also how our planet is one of the worlds on which the rebel angels have been accorded the privilege of a mortal incarnation. She describes how this unprecedented interspecies mutation--rebel angel incarnations--started in Atlantis in the eighth millennium. Interwoven with Georgia's narrative are her observations of Timothy Wyllie's current and previous lives, including his involvement with the Process Church and his struggle to leave it. Georgia shares her words, in part, to awaken the 100 million rebel angels currently living their human lives, most unaware of their angelic heritage. She reveals how a mortal incarnation for a rebel angel is an opportunity to redeem their past and help prepare for the imminent transformation of global consciousness as the rebel-held planets, including Earth, are welcomed back into the Multiverse.

**A Guilty Conscience makes a rebel; or Rulers no terror to the good, prov'd in a sermon [on Rom. xiii. 3] ... With a preface reflecting on a late pamphlet, call'd The Ass and the Serpent [by T. Bradbury].** Penguin

In 1381, England was on the brink - the poor suffered the effects of war, the Black Death, and Poll Tax. At this time the brave Wat Tyler arose to lead the commoners, forming an army who set off to London to meet with King Richard II and present him with a list of grievances and demands for redress. Tyler was treacherously struck down by the Lord Mayor. His head hacked from his shoulders, pierced on a spike, and made a spectacle on London Bridge. Yet he lived on through the succeeding centuries as a radical figure, the hero of English Reformers, Revolutionaries, and Chartists. *The Life and Legend of a Rebel Leader: Wat Tyler* examines the eponymous hero's literary afterlives. Unlike other medieval heroes such as King Arthur or King Alfred, whose post medieval manifestations were supposed to inspire pride in the English past, if Wat Tyler's name was invoked by the people, the authorities had something to fear.

*Free Will and the Rebel Angels in Medieval Philosophy* Revolt of the Rebel Angels

One of the most often-cited collections of letters from the American Civil War is brought to Kindle for the first time. General Joseph Benjamin Polley's letters to his future wife are considered some of the best of the period. An educated man, his letters were detailed accounts of his time in the Texas Brigade of John Bell Hood. At Seven Pines, Gaines' Mill, 2nd Manassas, Chancellorsville, Gettysburg, Chicamauga, and during Grant's Overland Campaign, Polley was in the thick of the fighting. His writing is delightful and humorous. On meeting Stonewall Jackson in a road by chance, "No one offered to introduce us to each other, and, as we were both bashful, we lost the best chance of our lives to become acquainted." The want of supplies and equipment were keenly felt in the southern forces: "I wish to God I was at home." "Oh, yes," I replied, "you want to see the girl you left behind you, don't you?" "No, indeed," he blurted out, "but I want something to eat." Every memoir of the American Civil War provides us with another view of the catastrophe that changed the country forever. For the first time, this long out-of-print volume is available as an affordable, well-formatted book for e-readers and smartphones. • [The Last Thing He Told Me: A Novel](#)

A rebel angel's perspective on the Lucifer Rebellion 203,000 years ago and her insight into its past and future effects on consciousness • Explores how the angelic revolt led to Earth's celestial quarantine for more than 200,000 years • Draws parallels between the Process Church and the Lucifer Rebellion • Describes the rise and fall of Lemuria in connection with the rebel angels • Reveals how the 100 million angels currently incarnated in human bodies can help with Earth's return to the Multiverse and the coming transformation of consciousness After 200 millennia of celestial quarantine in the wake of Lucifer's angelic revolt, Earth and the rebel angels isolated here are being welcomed back into the benevolent and caring Multiverse. With this redemption comes a massive transformation of consciousness and a reconnection to our cosmic destiny. But why did the angels revolt and how has that event shaped our planet's past and its future? Writing through Timothy Wyllie, rebel angel Georgia shares insights from her half a million years stationed on Earth as a watcher and from her part in the angelic revolution. She reveals details of the Lucifer Rebellion, including the role played by Planetary Prince Caligastia and his team of angelic administrators--thought by some to be the Nephilim or Anunnaki of Sumerian myth--who followed Lucifer into the rebellion, ultimately leading to the quarantine of Earth and 36 other planets. Interweaving her story with events from Wyllie's life, Georgia draws parallels between Wyllie's involvement with the Process Church in the 1960s and the events of the angelic rebellion and celestial quarantine. She explores the rise and fall of the island civilization of Lemuria, or Mu, as well as Atlantis and the Maya. Georgia reveals there are more than 100 million rebel angels currently granted mortal incarnation on Earth at all levels of society and in all countries--most of whom are still unaware of their angelic heritage. Now that we are free of Prince Caligastia's behind-the-scenes manipulations, the stage is set for the rebel angels to begin redeeming their past and help Earth realize its significance in the wondrous destiny of the Multiverse.

**THE AMERICAN CONFLICT: A HISTORY OF THE GREAT REBELLION** Penguin

Harper Price, peerless Southern belle, was born ready for a Homecoming tiara. But after a strange run-in at the dance imbues her with incredible abilities, Harper's destiny takes a turn for the seriously weird. She becomes a Paladin, one of an ancient line of guardians with agility, super strength and lethal fighting instincts. Just when life can't get any more disastrously crazy, Harper finds out who she's charged to protect: David Stark, school reporter, subject of a mysterious prophecy and possibly Harper's least favorite person. But things get complicated when Harper starts falling for him--and discovers that David's own fate could very well be to destroy Earth. With snappy banter, cotillion dresses, non-stop action and a touch of magic, this new young adult series from bestseller Rachel Hawkins is going to make y'all beg for more. "As surprising as it is delicious."—BCCB, starred review "Fun with a twist of supernatural and Southern charm." —VOYA "The romance, coming-of-age aspects, and a well-drawn heroine with a crackling wit will lure in readers." —Booklist

**Reminiscences of a Rebel** BIG BYTE BOOKS

Some secrets are hard to keep... Jake promised Heather MacDonald he'd keep her secret. He'd help her train to be a warrior and all she had to do was give him a kiss. He didn't promise that she wouldn't feel the stirrings of desire for this former soldier. For Heather, a woman determined to become a warrior, Jake's promise means the difference between life and death. Wounded at war, then the target of a malicious healer, Jake Duncan, brother of the Highland Laird, has decided he has to prove himself, over and over again. He never thought that part of his journey would involve falling for the woman from the Lowlands who wasn't as demure or as shy as he originally thought, especially not when she was wielding a dirk.

*Words of a Rebel* Silvana Editoriale

The sizzling, un-put-downable sequel to the New York Times bestselling *Rebel of the Sands*, by Goodreads Choice Awards Best Debut Author of 2016 Alwyn Hamilton! Mere months ago, gunslinger Amani al'Hiza fled her dead-end hometown on the back of a mythical horse with the mysterious foreigner Jin, seeking only her own freedom. Now she's fighting to liberate the entire desert nation of Miraji from a bloodthirsty sultan who slew his own father to capture the throne. When Amani finds herself thrust into the epicenter of the regime—the Sultan's palace—she's determined to bring the tyrant down. Desperate to uncover the Sultan's secrets by spying on his court, she tries to forget that Jin disappeared just as she was getting closest to him, and that she's a prisoner of the enemy. But the longer she remains, the more she questions whether the Sultan is really the villain she's been told he is, and who's the real traitor to her sun-bleached, magic-filled homeland. Forget everything you thought you knew about Miraji, about the rebellion, about djinni and Jin and the Blue-Eyed Bandit. In *Traitor to the Throne*, the only certainty is that everything will change. *Rebel of the Sands* was a New York Times bestseller, published in fifteen countries and the recipient of four starred reviews and multiple accolades, with film rights optioned by Willow Smith. And its sequel is even better.

*The Rebel Angels among Us* Pushkin Press

*The History of the Decline and Fall of the Roman Empire* is a book of history which traces the trajectory of Western civilization (as well as the Islamic and Mongolian conquests) from the height of the Roman Empire to the fall of Byzantium. The work covers the history of the Roman Empire, Europe, and the Catholic Church from 98 to 1590 and discusses the decline of the Roman Empire in the East and West: I. The first period may be traced from the age of Trajan and the Antonines, when the Roman monarchy, having attained its full strength and maturity, began to verge towards its decline; and will extend to the subversion of the Western Empire, by the barbarians of Germany and Scythia, the rude ancestors of the most polished nations of modern Europe. This extraordinary revolution, which subjected Rome to the power of a Gothic conqueror, was completed about the beginning of the sixth century. II. The second period commences with the reign of Justinian, who, by his laws, as well as by his victories, restored a transient splendor to the Eastern Empire. It will comprehend the invasion of Italy by the Lombards; the conquest of the Asiatic and African provinces by the Arabs, who embraced the religion of Mahomet; the revolt of the Roman people against the feeble princes of Constantinople; and the elevation of Charlemagne, who, in the year eight hundred, established the second, or German Empire of the West III. The last and longest period includes about six centuries and a half; from the revival of the Western Empire, till the taking of Constantinople by the Turks, and the extinction of a degenerate race of princes. Edward Gibbon (1737-1794) was an English historian and Member of Parliament.

**Hero at the Fall** PM Press

A fond, funny Southern-fried memoir about growing up a proper young lady...or not. How does a North Carolina native go from being a tomboy with catfish guts on her overalls to becoming the next Scarlett O'Hara? Turns out, it's not so easy. Too smart, too tall, too fat, too different...Anna Fields was a dud at debbing. From tea parties to teased hair to where to hide mini bottles of liquor inside poufy crinoline ballgowns, Anna reveals all-in a hilarious, behind-the-scenes glimpse into Deb Culture, where for a Southern belle, "the proof is in the pouf." Unless, of course, she rebels...
