The Ultimate Guide to The Witch’s Wheel
of the Year offers a complete guide to
celebrating the eight Wiccan sabbats as

part of your spiritual practice. Anjou
Kiernan—named “One of the Magical
Women You Should be Following on
Instagram” by Refinery 29—guides you
through the history of the holidays, their
pagan roots, and how to merge these
sacred cycles and celebrations with
today’s traditions and holidays. Lavishly
illustrated and photographed, The
Ultimate Guide to The Witch’s Wheel of
the Year illustrates spells and practices

that will help you incorporate the old magick of the seasons into your modern life. Accompanying each turn of the Wheel as it cycles through the holidays of Yule, Imbolc, Ostara, Beltane, Litha, Lughnasadh, Mabon, and Samhain are: Feast recipes Fertility spells Protection amulets Home wards Divination rituals Prosperity charms And more From the bright blessings of the Yuletide solstice to the fertile flower magick of Beltane to the thinning of the veil on Samhain, each transition lends itself to a unique catalog of spells, altars, and practices that you can use all year long. The Ultimate Guide to... series offers comprehensive beginner's guides to discovering a range of mind, body, spirit topics, including tarot, divination, crystal grids, numerology, aromatherapy, chakras,

and more. Filled with beautiful illustrations and designed to give easy access to the information you're looking for, each of these references provides simple-to-follow expert guidance as you learn and master your practice.

Everything You Need to Know About Starting Your Own Wiccan Journey,

Today! One of Wicca's greatest strengths as a spiritual practice is the variety of paths one can choose from. While some are drawn to the idea of practicing in total secrecy and solitude, others crave a group of like-minded individuals to learn from and worship with. Those who seek a structured, traditional form of Wicca to follow are likely to benefit from coven membership. After all, this is how Wicca began-as a group-centered practice taking place within a gathering of Witches for the purpose of conducting ritual and magic. In fact, the coven was the vehicle for the rise of Wicca, first in Europe and then in the United States and beyond. There are covens practicing today whose members can trace their initiatory lineage back to the mid-20th century, and will continue

carrying on their traditions well into this century and beyond. Yet coven life is not for everyone. Some people work best within the looser structures of Wiccan circles, which are more informal but still offer a sense of belonging to a spiritual community. These groups can be a great place to acquire knowledge and experience, while marking the important Wiccan holidays - the Sabbats and Esbats - with rituals and celebrations. Still others opt for solitary practice, either because there isn't a Wiccan community in their vicinity or because they simply like to chart their own course in a completely independent manner. Those who choose this solo path have the most freedom and flexibility, yet they also face a wider range of decisions to make. If you're

going it alone, do you still want to follow a particular Wiccan tradition? If so, where can you find information about what to do, and how and when to do it? And what does it mean if you prefer to develop a more individualized approach to your practice? After all, Wicca has always been a continually evolving religion, so to adapt traditions according to your own intuition is actually a sort of tradition in and of itself! A Traveler's Guide to the World of Wicca As you can see, there are many ways to understand and experience the core essence of Wicca, and it may take awhile for you to discover where your individual journey begins. Finding Your Path, by best-selling author Lisa Chamberlain, was created as an orientation to these possibilities. In this book, you'll be introduced to the

wide spectrum of contemporary Wiccan practice, with tips to help you make well-informed decisions about where you want your journey to take you: The role of the coven in the birth and rise of Wicca The benefits and potential drawbacks of belonging to a coven The differences between covens and circles The pros and cons of solitary practice The differences between traditional and eclectic practices Introductions to the most widely-practiced Wiccan traditions: Gardnerian, Alexandrian, and Dianic, as well as a handful of other, less common forms How to find your Wiccan community, should you desire to join one By the end of this guide, you will have a solid understanding of the amazing diversity of the Wiccan religion. You will also, ideally, have a clearer view of what

your own next steps along the path will be! If you're ready to start your journey, scroll to the top of the page and select the buy button. Readers will also be treated to an exclusive free eBook!

Witchcraft for Beginners Lapwing Books Everything You Need to Know to Start Working Magic with Candles, Crystals and Herbs Are you looking for some

inspiration to take your magical practice to the next level? The Wicca Spellbook Starter Kit from best-selling author Lisa Chamberlain offers three collections of spellwork focused on the powerful energies of candles, colors, crystals, mineral stones, and magical herbs. Together, these books form a comprehensive grimoire of accessible, practical magic to help you further your own unique practice. Each Book of Shadows in this set expands on a form of magic covered in Lisa's three beginner guides, Candle Magic, Crystal Magic, and Herbal Magic. They can be used as companions to these guides, but they also stand on their own. The 160 magical workings within are designed for beginners and more advanced practitioners alike. Book of Candle Spells

Book of Candle Spells focuses on working with the Element of Fire, and the potent vibrational frequencies of the visible light spectrum. Candles take center stage to varying degrees across this collection. Some spells are focused exclusively on the combined magic of candle and color, while others incorporate additional tools such as crystals and other color-appropriate ingredients. The spells are also organized by color, with chapter introductions detailing the magical properties and uses for the 14 colors most widely used in Wiccan and other contemporary magic. Book of Crystal Spells Book of Crystal Spells is devoted to the magical uses of the 13 crystals and other mineral stones introduced in Crystal Magic. Many of these spells are

focused on aspects of emotional healing and energetic balancing, two purposes that crystals are uniquely suited for, but you'll also find more traditional goals represented, like prosperity, protection, and relationships. The spells are organized by stone, rather than by purpose, so you can develop a magical connection with different types of crystals, one at a time. You'll find an overview of the properties of each stone in the chapter introductions. Book of Herbal Spells Book of Herbal Spells builds on the information from Herbal Magic, with a chapter for each of the 13 herbs featured in the original book. Single herbs are often the main focus of these spells, with minimal additional ingredients, to help you focus your attention on the subtle energies of the

herbs themselves. As you work more and more with herbal magic, you will develop a natural affinity with these marvelous plant beings that have been co-creating with magical people since the beginning of time. Magical Workings for Any Experience Level The practice of magic is a lifelong path, with delightful and rewarding results that can transform our lives. References like The Wicca Spellbook Starter Kit are invaluable tools for shaping your unique journey. Throughout these collections, you'll find:

- 168 spells, rituals, magical charms, and recipes
- Clear step-by-step instructions
- Magic for prosperity, protection, romance, healing, success, and more
- Workings focused on 14 colors, 13 crystals and mineral stones, and 13 magical herbs
- Chapter introductions

outlining the magical properties and uses of each color, crystal, and herb - Practical tips for preparing for magic You're bound to find inspiration in each Book of Shadows in this collection. May this addition to your library help you deepen your connection to the magical gifts granted to us all from the abundant and generous Earth. every single person has inside of them? Wicca can help you get closer to nature and bring positive experiences to your life! Wicca is an ancient practice that draws roots from paganism and Nature worship. When you mention witchcraft to people nowadays, they mostly think of casting spells and charms just like witches do in the movies. But, in reality, Wicca is slightly different. It is a reincarnation of the earliest religions, which existed for millennia before the advent of Christianity. Wicca is often referred to as "the Old Religion." Witchcraft teaches how to establish a perfect relation with nature and unleash the great power of our ancestors. And, of course, there are spells and potions included! Spells are what set Wiccans apart from other mainstream religions.

But, before you get to that part you must have a pretty good grip on the fundamentals and the rich history of Wicca. You also need to understand how to handle and benefit from your work with candles, crystals, and herbs. And, this book will guide you every step of the way! Here's what you'll discover inside this book: The history of Wicca learn how was Wicca created & who were the first worshippers A guide to becoming Wiccan what are the steps you have to take to become a Wiccan Wiccan Beliefs a beginner's guide to Wiccan belief & the five points of Wiccan belief Wiccan gods & traditions discover the secret Wicca traditions only few people know Self-dedication to Wicca daily devotions and practices of beginner Wiccans With the help of this book, you can learn about

Cunningham's classic introduction to Wicca is about how to live life magically, spiritually, and wholly attuned with nature. It is a book of sense and common sense, not only about magick, but about religion and one of the most critical issues of today: how to achieve the much needed and wholesome relationship with our Earth. Cunningham presents Wicca as it is today: a gentle, Earth-oriented religion dedicated to the Goddess and God. Wicca also includes Scott Cunningham's own Book of Shadows and updated appendices of periodicals and occult suppliers. *The Ultimate Guide to the Witch's Wheel of the Year* Charlie Creative Lab Limited Publisher

Everything You Need to Know to Start

Connecting with the God and Goddess

Perhaps the biggest difference between

Wicca and other religions is the belief

that individuals can do more than simply

pray to a supreme, all-powerful deity

and hope that things will work out to their benefit. Wiccans understand that individuals can actually co-create with the forces of nature by linking their own personal energy with the divine through ritual and magic. But what is "the divine" when it comes to Wicca? Who are the Goddess and the God, and where did they come from? Why do they have different names in different Wiccan traditions, and how do you begin to work with them in your personal practice? Magical Deities, by best-selling author Lisa Chamberlain, answers these questions and more. Going beyond the usual brief introduction to the God and Goddess found in many beginner guides to Wicca, Lisa covers the origins of the Wiccan deities, as well as their varying manifestations among different Wiccan

traditions. What's more, she explains the difference between traditional duotheism and more eclectic polytheistic practices, both of which are found among the diversity of forms within this dynamic religion. You'll find advice for learning to forge your own spiritual connection with the divine masculine and feminine, and introductions to sixteen ancient deities who often function as "aspects" of the God and Goddess within Wiccan practices. Finally, you'll find ideas for honoring and working with these deities in your magical practice-and make no mistake, having the assistance of the gods and goddesses of the Universe is an enormous boon in the magic department! Foundations in Wiccan Concepts of Divinity and Magic For many practitioners who keep to the traditional

duotheistic concept of Wicca, the ancient deities are "aspects" of the "supreme" Goddess and God and don't have a role to play on their own. For those who fall into the category of "eclectic" Wiccans, the inclusion of ancient deities is more polytheistic. Eclectics often have personal relationships with "patron" gods and/or goddesses, who may be included in ritual practice alongside the God and Goddess. In both approaches, deities may be called upon for assistance with specific magical aims. But it's not simply a matter of speaking a god's or goddess' name in your spellwork-you need to develop an understanding and personal relationship with your chosen deities. Magical Deities will help you to do just that, with valuable information including:

- The history of the Wiccan Goddess and

God and their evolution through various traditions - An introduction to the Triple Goddess and her three aspects: Maiden, Mother and Crone - Introductions to the Sun God, the Horned God, the Green Man, and the Holly and Oak Kings - How to represent the God and Goddess on the Wiccan altar - The mythology, cosmology, and magical practices of the ancient cultures that gave rise to Wicca - The most popular deities of the Egyptian, Roman, Greek, and Celtic pantheons - Advice for choosing deities to work with, and magical goals and methods specific to each one The paths to connection with the God and Goddess, or to any of the deities "borrowed" from other cultures are as multiple and varied as the people who worship them. Ultimately, your intuition and your heart

are your best guides along your journey. But the more you know about the gods and goddesses you seek to work with, the more authentic and astounding your connection with them has the potential to be. As you make your way deeper into the realm of Wicca, Magical Deities will be a trusted travel guide! Scroll to the top of the page, hit the buy button, and you'll receive an exclusive free gift!
