New York Times Readers' Pick: Top 100 Books of the 21st Century New York Times Bestseller A Summer Reading Pick for President Barack Obama, Bill Gates, and Mark Zuckerberg From a renowned historian comes a groundbreaking narrative of humanity's creation and evolution—a #1 international bestseller—that explores the ways in which biology and history have defined us and enhanced our understanding of what it means to be "human." One hundred thousand years ago, at least six different species of humans inhabited Earth. Yet today there is only one—homo sapiens. What happened to the others? And what may happen to us? Most books about the history of humanity pursue either a historical or a biological approach, but Dr. Yuval Noah Harari breaks the mold with this highly original book that begins about 70,000 years ago with the appearance of modern cognition. From

examining the role evolving humans have played in the global ecosystem to charting the rise of empires, *Sapiens* integrates history and science to reconsider accepted narratives, connect past developments with contemporary concerns, and examine specific events within the context of larger ideas. Dr. Harari also compels us to look ahead, because over the last few decades humans have begun to bend laws of natural selection that have governed life for the past four billion years. We are acquiring the ability to design not only the world around us, but also ourselves. Where is this leading us, and what do we want to become? Featuring 27 photographs, 6 maps, and 25 illustrations/diagrams, this provocative and insightful work is sure to spark debate and is essential reading for aficionados of Jared Diamond, James Gleick, Matt Ridley, Robert Wright, and Sharon Moalem.

The Civilizing Process stands out as Norbert Elias' greatest work, tracing the "civilizing" of manners and personality in Western Europe since the late Middle Ages by demonstrating how the formation of states and the monopolization of power within them changed Western society forever.

Sapiens Deep Vellum Publishing

Winner of the Nobel Prize in Literature and Winner of the National Book Critics Circle Award A

journalist by trade, who now suffers from an immune deficiency

developed while researching this book,

presents personal accounts of what happened to the people of Belarus after the nuclear reactor accident in 1986,

and the fear, anger, and uncertainty that they still live with. The Nobel Prize in Literature 2015 was awarded to Svetlana Alexievich "for her polyphonic writings, a monument to suffering and courage in our time."

Twenty Thousand Leagues Under the Sea

of Detroit, the five Lisbon sisters—beautiful, eccentric, and obsessively watched by the neighborhood boys—commit suicide one by one over the course of a single year. As the boys observe them from afar, transfixed, they piece together the mystery of the family’s fatal melancholy, in this hypnotic and unforgettable novel of adolescent love, disquiet, and death. Jeffrey Eugenides evokes the emotions of youth with haunting sensitivity and dark humor and creates a coming-of-age story unlike any of our time. Adapted into a critically acclaimed film by Sofia Coppola, *The Virgin Suicides* is a modern classic, a lyrical and timeless tale of sex and suicide that transforms and mythologizes suburban middle-American life.

The Romanovs: The Final Chapter World Health Organization

Sarah Palmer lives in her own little bubble. Life consists of work at the coffee shop, chatting online with friends, and trying her best to uphold the morals she was taught in Catholic school. Her step-sister Ethel is the complete opposite. When

Ethel guilt-trips Sarah into sneaking into a party under the guise of being strippers, Sarah's entire world turns upside down. Everything she thought she knew about herself is changing, and she doesn't know how to stop it. What was supposed to be a night of trespassing and fun quickly turns into an unexpected love affair with a handsome stranger. Tristan Locke is perfect. Too perfect. And Sarah's about to learn that if something seems too good to be true, it usually is. This is a stand-alone novel.

Reading Capital Wiley-Blackwell

Establishing a rigorous program of “symptomatic reading” that cuts through the silences and lacunae of Capital to reveal its philosophical core, Louis Althusser interprets Marx’s structural analysis of production as a revolutionary break—the basis of a completely new science. Building on a series of Althusser’s conceptual innovations that includes “overdetermination” and “social formation,” Étienne Balibar explores the historical and structural facets of production as Marx understood them,

scrutinizing many of the most fundamental points in Capital, as though for the first time.

Secondhand Time University of Toronto Press

This document is one of two evidence-based cornerstones of the World Health Organization's (WHO) new initiative to develop and implement evidence-based guidelines for family planning. The first cornerstone, the Medical eligibility criteria for contraceptive use (third edition) published in 2004, provides guidance for who can use contraceptive methods safely. This document, the Selected practice recommendations for contraceptive use (second edition), provides guidance for how to use contraceptive methods safely and effectively once they are deemed to be medically appropriate. The recommendations contained in this document are the product of a process that culminated in an expert Working Group meeting held at the World Health Organization, Geneva, 13-16 April 2004. *Dostoevsky* Oxford University Press

In the eight pieces that make up *Land Without History*, first published in

Portuguese in 1909, Euclides da Cunha offers a rare look into twentieth century Amazonia, and the consolidation of South American nation states. Mixing scientific jargon and poetic language, the essays in *Land Without History* provide breathtaking descriptions of the Amazonian rivers and the ever-changing nature that surrounds them. Brilliantly translated by Ronald Sousa, *Land Without History* offers a view of the ever changing ecology of the Amazon, and a compelling testimony to the Brazilian colonial enterprise, and its imperialist tendencies with regard to neighboring nation-states. *Kievan Russia* Palgrave Macmillan

Two super-hot daddies + one willing girl = sparks ELERI Working as a nanny in an exclusive London borough for two bi-sexual alphas is my dream job. Except Gabe and Luke are making me think such dirty thoughts. I can't have them though... it would be totally outta line. And they couldn't possibly be interested in a twenty-two-year-old virgin like me I should find someone else to punch my V card, right? Yeah, right... GABE AND LUKE

Sweet, innocent Eleri doesn't realize how cute she is. Like a breath of fresh air, a ray of sunshine, and every other cliché you can think of. She's also sexy as f*ck, tempting as sin, and trouble with a big T. We wanna take her, break her, and make her ours. We know it's wrong, she's our kids' nanny, but it feels so frigging right. It's not like we're gonna fall for her... not like she's gonna fall for us either. Just a bit of fun, nothing more, nothing less... Until it isn't...

Their *Virgin Nanny* "Originally published in Russian as *U voiny--ne zhenskoe lietiso* by Mastatskaya Litaratura, Minsk, in 1985. Originally published in English as *War's unwomanly face* by Progress Publishers, Moscow, in 1988"--Title page verso.

My Sweet Orange Tree HarperCollins UK

Maddy Wainright has given up on marriage - and men. After dating way too many losers who aren't capable of appreciating her for who she is, she's about ready to resign herself to a life of spinsterhood. Until her insanely rich boss Daniel Thorne comes along with an offer she simply can't refuse. He proposes a

marriage of convenience - one that would allow Maddy to live in the lap of luxury for a year, and Mr. Thorne to stay in the country that has become his home. At the end of their arrangement, Maddy will walk away with a cool two million dollars. All she has to do is move into his mansion, put on a convincing show in public, and endure a few INS interviews, for which she will be thoroughly prepped. It's a big risk, but one Maddy might just be willing to take, considering the payoff. At first, it's all business. But when the gentle touches, passionate kisses, and lingering looks they have to give each other in public start spilling over into their private life, Daniel and his devious mind take Maddy to heights of pleasure she's never experienced. And the more she gets to know him, the more she feels that wistful tug in her chest every time he puts his arm around her in public. Before long, she finds herself wishing it were real. As time goes on, Maddy finds herself wondering if two million dollars will be enough to cover the cost of repairing a broken heart. But Mr. Thorne may have yet another secret in store...

The Way of a Pilgrim

Editora 247 S.A.

E.H. Carr's *Twenty Years' Crisis* is a classic work in International Relations. Published in 1939, on the eve of World War II, it was immediately recognized by friend and foe alike as a defining work in the fledgling discipline. The author was one of the most influential and controversial intellectuals of the twentieth century. The issues and themes he develops in this book continue to have relevance to modern day concerns with power and its distribution in the international system. Michael Cox's critical introduction provides the reader with background information about the author, the context for the book, its main themes and contemporary relevance. Written with the student in mind, it offers a guide to understanding a complex, but crucial text.

Saints and the Audience in Middle English Biblical Drama

Princeton University Press
A "masterful" (The Washington Post Book World) account of the quest to solve one of the great mysteries in Russian history—from the Pulitzer Prize-winning author of *Peter the Great*, *Nicholas and Alexandra*, and

Catherine the Great

"Riveting . . . unfolds like a detective story."—Los Angeles Times Book Review
In July 1991, nine skeletons were exhumed from a shallow mass grave near Ekaterinburg, Siberia, a few miles from the infamous cellar room where the last tsar and his family had been murdered seventy-three years before. But were these the bones of the Romanovs? And if these were their remains, where were the bones of the two younger Romanovs supposedly murdered with the rest of the family? Was Anna Anderson, celebrated for more than sixty years in newspapers, books, and film, really Grand Duchess Anastasia? *The Romanovs* provides the answers, describing in suspenseful detail the dramatic efforts to discover the truth. Pulitzer Prize winner Robert K. Massie presents a colorful panorama of contemporary characters, illuminating the major scientific dispute between Russian experts and a team of Americans, whose findings, along with those of DNA scientists from Russia, America, and Great Britain, all contributed to solving one of the great mysteries of the twentieth century.

Protest, Reform and Repression in Khrushchev's Soviet Union

Independently Published

This novel was the major inspiration for the Women's Movement and continues to be a powerful and illuminating analysis of the position of women in Western society__

The Kiss of Lamourette

The Twenty Years' Crisis, 1919-1939

Random House

This fifth and final volume of Joseph Frank's biography of Fyodor Dostoevsky details the last decade of the writer's life, a time that won him the universal approval towards which he always aspired.

Law and Lawyers in Literature

Yale University Press

Experience the magic and mystery of Brazil's rich cultural heritage with this classic tale from master storyteller José de Alencar. Filled with vivid characters, lush descriptions, and powerful themes of love and

sacrifice, *Iracéma* is a must-read for anyone who loves great literature. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Dom Casmurro Verso Books

In 1953, Samuel Beckett's *Waiting for Godot* premiered at a tiny avant-garde theatre in Paris; within five years, it had been translated into more than twenty languages and seen by more than a million spectators. Its startling popularity marked the emergence of a new type of theatre

whose proponents—Beckett, Ionesco, Genet, Pinter, and others—shattered dramatic conventions and paid scant attention to psychological realism, while highlighting their characters' inability to understand one another. In 1961, Martin Esslin gave a name to the phenomenon in his groundbreaking study of these playwrights who dramatized the absurdity at the core of the human condition. Over four decades after its initial publication, Esslin's landmark book has lost none of its freshness. The questions these dramatists raise about the struggle for meaning in a purposeless world are still as incisive and necessary today as they were when Beckett's tramps first waited beneath a dying tree on a lonely country road for a mysterious benefactor who would never show. Authoritative, engaging, and eminently readable, *The Theatre of the Absurd* is nothing short of a classic: vital reading for anyone with an interest in the theatre. [Discovering the World](#) Legare Street Press Fifty years after its first publication, the

multimillion-copy international bestseller is available again in English, sharing the heartbreaking tale of a gifted, mischievous, direly misunderstood boy growing up in Rio de Janeiro. When Zezé grows up, he wants to be a poet in a bow tie. For now the precocious young boy entertains himself by playing clever pranks on the residents of his Rio de Janeiro neighborhood, stunts for which his parents and siblings punish him severely. Lately, with his father out of work, the beatings have become harsher. Zezé's only solace comes from his time at school, his hours secretly spent singing with a street musician, and the refuge he finds with his precious magical orange tree. When Zezé finally makes a real friend, his life begins to change, opening him up to human tenderness but also wrenching sorrow. Never out of print in Brazil since it was first published in 1968, *My Sweet Orange Tree*, inspired by the author's own childhood, has been translated into many languages and has won the hearts of millions of young readers across the globe.
