STARRED REVIEW! "Along the way, Billie comes to grips with her own prejudices, inherited from her parents, in a way that is both lyrical and honest. In a year in which news events have made it clear that the civil rights

Thirteen-year-old Billie Sims doesn't think her hometown of Anniston, Alabama, should be segregated, but few of the town's residents share her opinion. As equality spreads across the country and the Civil Rights Movement gathers momentum, Billie can't help but feel stuck—and

helpless—in a stubborn town too set in its ways to realize that the world is passing it by. So when Billie learns that the Freedom Riders, a group of peace activists riding interstate buses to protest segregation, will be traveling through Anniston on their way to Montgomery, she thinks that maybe change is finally coming and her quiet little town will shed itself of its antiquated views. But what starts as a series of angry grumbles soon turns to brutality as Anniston

residents show just how deep their racism runs. The Freedom Riders will resume their ride to Montgomery, and Billie is now faced with a choice: stand idly by in silence or take a stand for what she believes in. Through her own decisions and actions and a few unlikely friendships, Billie is about to come to grips with the deep-seated prejudice of those she once thought she knew, and with her own inherent racism that she didn't even know she had.
