TRUJILLO WILLIS

The Wilson Bulletin Wentworth Press
This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed

in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be

preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

A Biography of William Warner Bishop
Routledge

Vols. 19-34 include "Bibliography of education" for 1899-1906, compiled by James I. Wyer and others.

Manual of Library Economy Emerald
Group Publishing

Focuses mainly on Bishop's activities from 1902 to 1941 as a leader in professional movements and organizations in the United States and abroad, advisor to philanthropic foundations in their library-related activities, scholar, administrator, library

educator and author.

Special Libraries Scarecrow Press
This handbook aims to be an integral text for students of library and information science and a ready-reference for information professional practitioners. The chapters provide a construct through which any information professional may learn about the major challenges facing them in the early part of the 21st century.

A Manual of Cataloguing and Indexing
Routledge

Includes the Proceedings of the 30th-57th (1913-40) annual convention of the association. Earlier proceedings were issued as Bulletins of the U.S. Dept. of Agriculture, Bureau of Chemistry.

Bulletin of the Medical Library
Association CRC Press

This book, first published in 1933, shows the more common difficulties in constructing library entries for author single-entries with references, and author-entries with added entries. These basic principles of cataloguing practice offer valuable advice to the cataloguer of books.

Bulletin of Bibliography and

Dramatic Index Baltimore, Williams

Also includes 1st-5th SLA triennial salary surveys.

"The Encyclopedia of Library and Information Science provides an outstanding resource in 33 published volumes with 2 helpful indexes. This thorough reference set--written by 1300 eminent, international experts--offers librarians, information/computer scientists, bibliographers, documentalists, systems analysts, and students, convenient access to the techniques and tools of both library and information science. Impeccably researched, cross referenced, alphabetized by subject, and generously illustrated, the Encyclopedia of Library and Information Science integrates the essential theoretical and practical information accumulating in this rapidly growing field."

The New International Year Book

This book, first published in 1933,
 addresses the 'routine' in library work:
 administration, organization, book
 selection and classification and
 cataloguing, as well as the office work,
 room supervision, shelf tidying and

registration of borrowers, among others.
