Nemesis Del
Rey
An unpaid bar
bill leads
Flavia Albia to
her most
bitter and
complex case
yet. Decades
earlier Appius
Tranquillus
Surus wrote
his will: it

freed his
slaves and
bequeathed
his businesses
to them. He
left an orchard
to the Prisci, a
family he was
friendly with,
on the
condition that
his freedmen
could still take
its harvest.
The
convoluted
arrangement
has led to a
feud between

the two
families, each
of which has
its own
internal strife.
Endless claims
and
counterclaims
lead to
violence and
even death.
Lawyers have
given up in
exasperation
as the case
limps on. The
original will
has
disappeared,

along with a falsified codicil - and might there be another one? But is there a solution? Two youngsters from each side of the divide, Gaius Venuleius and Cosca Sabatina, have fallen in love, which could unite the feuding families. There is only one problem: were Sabatina's grandmother and father really liberated in the Surus will? If not, the stigma of slavery will stop the marriage and

the dispute will rage on forever. Reconciliation seems impossible, but Albia will try. Her investigation must cut through decades of secrets, arguments, lies and violence to reach a startling truth. Praise for Lindsey Davis and the Flavia Albia series 'It positively crackles with knowledge of the city and its people, mixed with social comment, ingenious and bloody plots

and sharp observational skills leavened by more than a smattering of genuine and sometimes earthy humour' Crime Review 'Fiendishly twisted mystery' Mail on Sunday 'Great fun, shot through with sharp observations' SHOTS 'In this witty novel by the mistress of Roman crime, the reader is transported behind the scenes of a Triumph into a fascinating world of actors,

 The much
 awaited latest
 installment in
 this New York
 Times
 bestselling
 series brings
 Marcus Didius
 Falco back to
 the city of
 Rome and its

deadly,
 convoluted
 intrigues In
 the high
 summer of
 A.D. 77,
 Roman
 informer
 Marcus Didius
 Falco is beset
 by personal
 problems.
 Newly
 bereaved and
 facing
 unexpected
 upheavals in
 his life, it is a
 relief for him
 to consider
 someone
 else's
 misfortunes. A
 middle-aged
 couple who
 supplied
 statues to his
 father,
 Geminus,
 have
 disappeared
 under

mysterious circumstances . They had an old feud with a bunch of notorious freedmen, the Claudii, who live rough in the pestilential Pontine Marshes, terrorizing the neighborhood. When a mutilated corpse turns up near Rome, Falco and his vigiles friend Petronius investigate, even though it means traveling in the dread marshes. But just as they are making progress, the Chief Spy,

Anacrites, snatches their case away from them. As his rivalry with Falco escalates, he makes false overtures of friendship, but fails to cover up the fact that the violent Claudii have acquired corrupt protection at the highest level. Making further enquiries after they have been warned off can only be dangerous—but when did that stop Falco and Petronius? Egged on by the slippery bureaucrats

who hate Anacrites, the dogged friends dig deeper while a psychotic killer keeps taking more victims, and the shocking truth creeps closer and closer to home. After Alexandria, the first book in this long-running series to hit the New York Times Bestseller list, Lindsey Davis brings her beloved characters and series back to Rome in a book that brings together a number of long-running

plot threads to surprising and compelling conclusions. [A Small Book about a Big Problem](#) Random House Master and God Macmillan [Vesuvius by Night](#) Open Road Media In first century A.D. Rome, during the reign of Vespasian, Marcus Didius Falco works as a private "informer," often for the emperor, ferreting out hidden truths and bringing villains to ground. But even informers take

vacations with their wives, so in A.D. 77, Falco and his wife, Helena Justina, with others in tow, travel to Alexandria, Egypt. But they aren't there long before Falco finds himself in the midst of nefarious doings—when the Librarian of the great library is found dead, under suspicious circumstances. Falco quickly finds himself on the trail of dodgy doings, malfeasance, deadly professional rivalry, more

bodies and the lowest of the low—book thieves! As the bodies pile up, it's up to Falco to untangle this horrible mess and restore order to a disordered universe. *Poseidon's Gold* Random House In Rome, ruled by the erratic Emperor Domitian, Flavia Albia is dragged into the worst sort of investigation—a politically charged murder—in Lindsey Davis's next historical mystery, A

Capitol Death. A man falls to his death from the Tarpeian Rock, which overlooks the Forum in the Capitoline Hill in Ancient Rome. While it looks like a suicide, one witness swears that she saw it happen and that he was pushed. Normally, this would attract very little official notice but this man happened to be in charge of organizing the Imperial Triumphs demanded by the emperor. The Emperor Domitian,

autocratic and erratic, has decided that he deserves two Triumphs for his so-called military victories. The Triumphs are both controversial and difficult to stage because of the not-so-victorious circumstances that left them without treasure or captives to be paraded through the streets. Normally, the investigation would be under the auspices of her new(ish) husband but, worried about his stamina

following a long recovery, private informer Flavia Albia, daughter of Marcus Didius Falco, steps in. What a mistake that turns out to be. The deceased proves to have been none-too-popular, with far too many others with much to gain from his death. With the date of the Triumphs fast approaching, Flavia Albia must unravel a truly complex case of murder before danger

shows up on her own doorstep. Voices of Rome Penguin A Small Book about a Big Problem by biblical counselor and psychologist Edward T. Welch guides readers to look carefully at how their anger affects them and others through short, daily meditations. In a fifty-day reading plan journey, Welch unpacks anger while encouraging and teaching readers to respond with

patience to life's difficulties. This biblically wise resource is a useful tool for pastors, counselors, and lay helpers who are working with people who struggle with a short fuse. In A Small Book about a Big Problem, Welch invites readers to consider how everyone can find anger in their actions and attitudes, but Jesus, the Prince of Peace, is the only one who can empower his people to grow in

patience, peace, and wholeness. How many times today have you been irritated? Frustrated? Anger is so common—yet it also hurts. It not only leaves a mark on us, but it also leaves a mark on others. The wounds we inflict on ourselves and others because of anger—loss of intimacy, trust, security, and enjoyment in our closest relationships—give us compelling reasons to

look closely at our anger and lift our eyes to Christ.

Love Jesus, But I Want to Die offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect. Red Seas Under Red Skies Minotaur Books In this bestselling book that inspired the hit movie by the same name, starring Frank Sinatra, an apparent suicide forces a PI to reconsider his most famous case Joe Leland returned from World War II

with a chest full of medals, but his greatest honor came after he traded his pilot's wings for a detective's shield. Catching the Leikman killer made Joe a local hero, but the shine quickly wore off, and it wasn't long before he left the police force to start his own private agency. Years after his greatest triumph, Joe has a modest income and a quiet life—both of which may

soon fall apart. When Colin Maclver dies at the local racetrack, the coroner rules that he took his own life, but his widow knows better. Because Maclver's life insurance policy doesn't cover suicide, his wife is left broke, desperate, and afraid for her safety. She hires Leland to find out who could have killed her gentle, unassuming husband—a simple question that will turn this humble city

inside out. *A Cruel Fate* Random House Martin Watts, a bookseller, is captured by Royalists. Jane Afton's brother Nat is taken too. They suffer inhumane treatment as prisoners-of-war. In Oxford Castle jailor William Smith tortures, beats, starves and deprives his helpless victims. Can Jane rescue her sick brother before he dies of neglect? Will Martin dare to escape? Based on real events in the

English Civil War, Lindsey Davis retells the grim tale of Captain Smith's abuse of power in Oxford prison - where many died in misery though a lucky few survived. **Master and God** Mysterious Press In Lindsey Davis's next book in the beloved Flavia Albia Series, *Desperate Undertaking*, a mad killer (or killers!) is strewing bodies around in the most gruesome of manners and, true to form, it is up to Flavia

Albia to determine what is really going on and stop this bacchanal of death. In the first century, under Domitian's reign, strange and brutal goings on are nothing new in Rome. Flavia Albia, daughter of Marcus Didius Falco, has taken over her father's business as a private informer but she tries to shy away from the brutal, the complicated, and the political - because nothing good

comes of any of them. Unfortunately, she's not very good at turning them down. This time a commission shows up on her doorstep - someone is staging brutal murders in some of the most beautiful buildings in Rome, each staging different. So far, the only clue was the phrase that one survivor managed to croak, "The undertaker did it..." With little to go on and bodies starting to pile up, Albia has

to unravel the strangest mystery of her career in short order if she's to stop this dismaying orgy of murder. Two of them have a room share arrangement: Nonius, scrounger,	thief and failed pimp works by night and sleeps by day; Larius, the fresco painter with dreams of artistic greatness, does the opposite. When just after midday the summit of Vesuvius disappears in a vast volcanic ash cloud, their lives will change forever. While one sets about	looting rapidly emptying homes the other desperately tries to save his family from destruction. Lindsey Davis brings alive one the greatest catastrophes in human history in this gripping novella, poignantly evoking the struggle for life in the cities beneath the volcano.
