*The American Catalogue* Sadlier-Oxford

Exercises to learn addition, subtraction, graphs, measurement, telling time, and values of coins.

*Catholic Identity* Pearson Scott Foresman

Even more timely than when it first appeared, this bilingual tenth anniversary edition provides the faithful with a powerful instrument for opening wide the doors of Christ.

*Go Math!* Holt Rinehart & Winston

Teach the stories of the Bible through hands-on learning! Children will love creating personalized versions of favorite Bible stories, special prayers, and songs of praise. These books provide children with interactive, personalized reading experiences by inviting them to create the books they are reading. Text is simple, easy-to-read, repetitive, and reader-friendly. Includes 10 eight-page reproducible poems, prayers, and stories; suggestions for completing the pages and making creative covers; easy activities that extend learning concepts and focus on God's love and Christian values; and a comprehensive list of related literature. A wonderful way to encourage a lifelong love of reading!

According to the Baltimore Catechism Houghton Mifflin School McGraw-Hill My Math develops conceptual understanding, computational proficiency, and mathematical literacy. Students will learn, practice, and apply mathematics toward becoming college and career ready.

Vocabulary in Action Level G Carson-Dellosa Publishing

From discount stores to libraries to roadside assistance clubs, most of us carry membership cards to a number of organizations. Those memberships connect us to a larger community. Likewise, membership in a local church connects you to the larger community of faith. In this study you will be invited to receive the gift of membership in this local church--a Wesleyan congregation. The D-Series provides basic, easy-to-apply small group studies on six essential topics for spiritual growth. Together, these six studies will form a ladder leading the believer from the point of

conversion to involvement in ministry. Each four-session study is Bible based and follows the learning pattern of addressing head (mind), heart (emotions or affective reasoning), hands (action), and habits (spiritual practices).
