"Country Girl is Edna O'Brien's exquisite account of her dashing, barrier-busting, up-and-down life."-National Public Radio
When Edna O'Brien's first novel, *The Country Girls*, was published in 1960, it so

scandalized the O'Briens' local parish that the book was burned by its priest. O'Brien was undeterred and has since created a body of work that bears comparison with the best writing of the twentieth century. *Country Girl* brings us face-to-face with a life of high drama and contemplation. Starting with O'Brien's birth in a grand but deteriorating house in Ireland, her story moves through convent school to elopement, divorce, single-motherhood, the wild parties of the '60s in London, and encounters with Hollywood giants, pop stars, and literary titans. There is love and unrequited love, and the glamour of trips to America as a celebrated writer and the guest of Jackie Onassis and Hillary Clinton. *Country Girl* is a rich and heady accounting of the events, people, emotions, and landscape that have imprinted upon and enhanced one lifetime.

Shoe-la-la! (A StoryPlay Book) Houghton Mifflin Harcourt

How do you find a missing dinosaur who's large and green and likes to roar? When a little boy's dinosaur decides to play hide-and-seek, he is surprisingly difficult to track down. Veteran illustrator Joe Mathieu's dinomite illustrations and Jon Surgal's saur-ing verse will have kids roaring with laughter as they romp through this funny rhyming Beginner Book. Originally created by Dr. Seuss, Beginner Books encourage children to read all by themselves, with simple words and illustrations that give clues to their meaning.

In the rhythm of a familiar folk song, a child cannot resist adding one more dab of paint in surprising places.

Nutrient Timing Houghton Mifflin Harcourt

If you are serious about weight training, you have probably experienced the

"plateau phenomenon." You train harder, you consume extra protein in your diet, but you just don't get the strength and power gains that you want. For the last ten years sports nutrition has focused on what to eat. The latest research from leading sports science labs now shows that when you eat may be even more important. Nutrient Timing adds the missing dimension to sports nutrition, the dimension of time. By timing specific nutrition to your muscle's 24-hour growth cycle, you can activate your body's natural anabolic agents to increase muscle growth and gain greater muscle mass than you ever thought possible. Nutrient Timing is the biggest advance in sports nutrition in over a decade.

Speak Up, Molly Lou Melon Parenting Press, Inc.

A hilarious companion to *I Wanna Iguana*. Ever since their baby sister came along, Alex has been forced to share a room with his little brother, Ethan, and it's a nightmare. Ethan always breaks stuff, snores like a walrus, and sticks crayons up his nose. No hardworking, well-behaved, practically grown-up boy like Alex should

have to put up with that! Writing letters to his mom convinced her to let him get his pet iguana, so Alex puts pencil to paper again, this time determined to get his own room. Though all of his powers of persuasion can't get his dad to expand the house, he does come through with a fun alternative to give Alex some space of his own.

Bob Marley's music has inspired millions of listeners around the world with messages of peace, love, and truth. This third picture book adaptation of one of his beloved songs has a timely message for children: To counter injustice, lift others up with kindness and courage. As a young girl

goes on with her day in school, she comes across several instances of teasing and intimidation. But with loving action and some help from her friends, she's able to make things right for herself and others. With exuberant pictures by John Jay Cabuay accompanying Marley's iconic lyrics, *Get Up, Stand Up* is a vibrant testament to the power we all have to make a difference.

Baby Danced the Polka Chronicle Books

A girl, a potato, and a very sad flamingo star in this charming sequel to *I'm Bored* by New York Times bestselling author and comedian Michael Ian Black and celebrated illustrator Debbie Ridpath Ohi. Everyone feels sad sometimes—even flamingos. Sigh. When Flamingo announces he's feeling down, the little girl and Potato try to cheer him up, but nothing seems to work. Not even dirt! (Which usually works for Potato.) Flamingo learns that he will not always feel this way. And his friends learn that sometimes being a friend means you don't have to cheer someone up. You just have to stick by your pal no matter how they feel. Even if they're a potato.
