An outcast even among her fellow Africans, she is on the cusp of womanhood-- where greater pain awaits. And so when

Caesar, a slave who has recently arrived from Virginia, urges her to join him on the Underground Railroad, she seizes the opportunity and escapes with him. In Colson Whitehead's ingenious conception, the Underground Railroad is no mere metaphor: engineers and conductors operate a secret network of actual tracks and tunnels beneath the Southern soil. Cora embarks on a harrowing flight from one state to the next, encountering, like Gulliver, strange yet

familiar iterations of her own world at each stop. As Whitehead brilliantly re-creates the terrors of the antebellum era, he weaves in the saga of our nation, from the brutal abduction of Africans to the unfulfilled promises of the present day. The Underground Railroad is both the gripping tale of one woman's will to escape the horrors of bondage--and a powerful meditation on the history we all share.

AuthorHouse Miracles Multiplied Divine Deliverance documents incredible events preceding the birth and subsequent turbulent childhood of Christine. She skillfully brings to life some of the experiences that decisively molded her into the person she has become. This woman, whose childhood especially, had been punctuated by inexplicable events, duly became what her name means. She takes you

through 'difficult to comprehend' experiences which belong to science fiction. Some of those occurrences defy human understanding. Her story demands the reader's undivided attention. The traumatic experiences of her childhood evoke feelings of sympathy. Avail yourself of the book and you are guaranteed to read it over and over before overcoming your incredulity. On reading this uniquely enthralling real life story, the reader is challenged to examine his/her own life story, and

be encouraged like the author, to find in it, that certain something which ultimately leads to the way to an eternal transformation. Christine Cassell-Parillon was born in the Commonwealth of Dominica. She and her husband Ferdinand now reside in the United Kingdom. They are both very active serving in various ministries in their local church.

In *Me Jane*, author Jane Waller presents an unusual account of childhood in 1950s England. Using first her mother's diaries and later her own, she evokes clear memories of those far-off days, so different from now. She explores the thoughts and feelings of a child living in the countryside, beginning at age four. Waller was then sent to a rather demanding boarding school in Surrey (complete with mad matron and flasher). Her recollections take her

through her teenage years, including a desperate search for a boyfriend, until, at seventeen, she becomes a beatnik and heads off to study art in Oxford. Waller also tells how those in power—a subject not taught in schools—deprived Aylesbury of a beautiful Georgian house and grounds that had taken the family seven years to completely restore, but that were subsequently destroyed by a road-widening scheme, an event that broke apart the

marriage of her parents. Poignant and personal, this memoir presents a story of childhood in the UK in the mid-twentieth century and the shifts that altered her and her family forever.
