 Colloquial Series - Routledge
 Somali is a language with many features that will seem exotic to most English speaking learners. Accents are based on pitch (rather than stress) and the placement of the pitch accent often determines the gender of the noun. In addition, nouns can flip genders when they are put into the plural.
 Colloquial Somali - Kindle edition by Martin Orwin
 ...Somali is very much an oral language. Its spelling is also highly phonetic and, in my experience, the language is not particularly difficult to learn as long as you spend some time studying and practice with native speakers. I work with many Somali clients and have several Somali coworkers.

 Colloquial Khmer is a zero

copula language, instead preferring predicative adjectives (and even predicative nouns) unless using a copula for emphasis or to avoid ambiguity in more complex sentences. Basic word order is subject-verb-object (SVO), although subjects are often dropped ; prepositions are used rather than postpositions. [46]
