He Knows My Name (The Worship Series) Simon and Schuster
 "Things I Have Saw and Did"—the title derived from a grammatically challenged sports officiating friend—is a compilation of some 250 stories gleaned from Danny Andrews's diverse life experiences. He has been a journalist, including 39 years of column, news, feature and sports writing for *The Plainview, Texas, Daily Herald*; sports broadcaster, sports official and basketball magazine publisher; involved in

a variety of community organizations; an active Christian layman; and, for the past eight years, the alumni director at his alma mater, Wayland Baptist University. The stories include his family; growing-up years in Plainview; longtime friends and chance encounters with celebrities; experiences in school and Wayland; playing, officiating, reporting on, and broadcasting sports; interesting *Herald* and *Hearst* newspaper colleagues and experiences; faith, church and mission ventures; and a collection of miscellaneous tales. Andrews says he's been "Thinking Out Loud" (the title of his *Herald* column for 28 years and his musings for the *Wayland* alumni magazine) since his formal journalism

career began almost 50 years ago. He brings his subjects to life with vivid detail, humor and pathos, hoping to foster in readers memories of their own similar experiences, to take them vicariously to meet with presidents in the White House, confront cantankerous newspaper readers, share humorous glimpses of sports officiating and broadcasting, relate tales that prove this is a small world after all and, perhaps, encourage their own faith journey.

I Want a Love I Can Feel

HarperPerennial

An intimate, revealing portrait of Frank Sinatra—from the man closest to the famous singer during the last decade of his life. More than a hundred books have been written about legendary crooner and actor Frank Sinatra. Every detail of his life seems to captivate: his career, his romantic relationships, his personality, his businesses, his style. But a hard-to-pin-down quality has always clung to him—a certain elusiveness that emerges again and again in retrospective depictions. Until now. From Sinatra's closest confidant and an eventual member of his management team, Tony Oppedisano, comes an extraordinarily intimate look at the singing idol. Deep into the night, for more than two thousand nights, Frank and Tony would converse—about music, family, friends, great loves, achievements and successes, failures and disappointments, the lives they'd led, the lives they wished they'd led. In these full-disclosure conversations, Sinatra spoke of his close yet complex relationship with his father, his conflicts with record companies, his carousing in Vegas, his love affairs with some of the most beautiful women of his era, his triumphs on some of the world's biggest stages, his complicated relationships with his talented children, and, most important, his dedication to his craft. Toward the end, no one was closer to the singer than Oppedisano, who kept his own rooms at the Sinatra residences for many years, often brokered difficult conversations between family members, and held the superstar entertainer's hand when he drew his last breath. Featuring never-before-seen photos and offering startlingly fresh anecdotes and new revelations that center on some of the most famous people of the past fifty years—including Jackie Kennedy, Marilyn Monroe, Sam Giancana, Madonna, and Bono—Sinatra and Me pulls back the curtain to reveal a man whom history has, in many ways, gotten wrong.

How could a Man who had no wife, no children, no home, no job, no money and wandered the hills of

Judea with twelve men relate to women He knew, much less women in the 21st century? That's the question that led author Dorothy Valcarcel to search for biblical women whose lives intersected with Jesus and as she discovered every woman Jesus met, faced many of the same challenges women encounter today. In *The Man Who Loved Women* you'll meet Mary, trying to raise a perfect child in an imperfect world...Joanna, whose "Mr. Right" and his money could not buy her health or happiness...Martha, whose busywork distracted her from life's most meaningful moments...and many more. *The Secret of Enjoying God's Favor* Zondervan

Pastor Jim Cymbala calls us back to a fiery, passionate preoccupation with God that will restore what the enemy has stolen from us: our first love for Jesus, our zeal, our troubled children, our wounded marriages, our broken and divided churches. Born out of the heart and soul of The Brooklyn Tabernacle, the message of Fresh Faith is illustrated by true stories of men and women whose lives have been changed through the power of faith. Cymbala writes, "Real faith is produced when our hearts draw near to God himself and receive his promises deep within." That kind of faith can transform your life—starting today, if you choose. Bible Doctrine for Today Little, Brown Books for Young Readers

The Church today is in the middle of a powerful storm, the intensity of which is likely to increase in the future. Many Christians are bewildered and concerned by what they see—a culture that's become increasingly hostile to biblical Christianity and a church whose vital signs are quickly waning. In *Strong through the Storm*, pastor and bestselling author Jim Cymbala speaks to every Christian who is concerned about the challenges the church is facing in America today. Using powerful stories of people who have been transformed by Christ, Cymbala offers hope, helping Christians to understand that a life surrendered to Christ will not be easily defeated, even in the midst of growing hostility toward Christians. No matter how much spiritual darkness encompasses the world, the light of the gospel cannot be suppressed. Some churches are coming at the storm with harsh legalism, but Cymbala explains that the message needs to be grace. We need to understand the spiritual battle we are in and use the right weapons against it, says Cymbala. We are not struggling against the leaders of this world or the people in the battle, we are struggling against our spiritual enemy, and we need to fight with the Word of God, prayer, and the Holy Spirit. We don't need more church growth programs to turn the church around. What's needed is a transformation so that the gospel is preached, the Holy Spirit is allowed to lead, and lives are changed.

Acoustic Praise for the Growing Choir Charisma Media

Carol Cymbala's ministry in a tough inner-city neighborhood in New York can be summed up in one word: unlikely. She is the director and songwriter for a Grammy Award-winning choir—yet she doesn't read music. She is the pastor's wife in a 6,000-member congregation filled with people of color—and she is white. A shy girl who struggled to get through school, she is the last person you'd expect to stand before a packed house at Radio City Music Hall, confidently directing The Brooklyn Tabernacle Choir. But Carol's God is the God of the unlikely. *He's Been Faithful* tells the story of the way God works despite—or maybe because of—our many inadequacies. Because of how God has worked in her own life and in The Brooklyn Tabernacle and its world-famous choir, she knows how crucial it is to remember our desperate need for God. But Carol's faith

hasn't always come easily. There have been times of wavering and challenge, like the time a man walked down the aisle of the church pointing a gun at her husband, Jim. Or like the time she was assaulted outside the church. Or like the time she wanted to pack up her children and run away from the city for good because of what was happening to her family. *He's Been Faithful* is an honest story about the struggles we all face and the power of God to help us. It is told through Carol's eyes as well as through the eyes of various members of The Brooklyn Tabernacle Choir who have experienced the grace of Christ in remarkable ways. Through them, we learn that our longings for God will never be satisfied by worship that is showy or performance-based. Instead, God we will meet us when we come to him simply, seeking his glory rather than ours, telling him and the world around us about the great things he has done. Whether you are a pastor, a choir director, or someone who is seeking a deeper experience of God, *He's Been Faithful* will renew your faith and increase your understanding that only Jesus can fill that deep, deep longing we all have for something more in life.

God Is Searching for People to Bless Jim Cymbala believes that God plays "favorites"—that certain people experience his blessings more abundantly than others. Have these people learned a formula or a simple technique that will guarantee his blessing? Or is there something more profound at work in their lives? In *The Life God Blesses*, Jim Cymbala points out that God is constantly searching for people to bless. He's not looking for men and women with special talents or unusual intelligence or great strength but for those who possess a certain kind of heart. Find out how to have a heart that God cannot resist and you will become a channel of his blessing for your family, your church, and your world.

Trusting God to Do What Only He Can Do Zondervan

Jim Cymbala knows something a lot of us miss—that a comfortable, secure life won't produce the satisfaction we long for. How could we feel fulfilled by missing out on the life God has for us? Whether life seems good or not right now, Jim Cymbala believes that God has more for you. In this new book, he'll help you find out how to access the "more" God intends—more peace, real joy, and a deep sense of purpose. As you open yourself to the "more" of God, you will also discover your unique work assignment—the one thing God is calling you—and no one else—to accomplish for the sake of his work in the

world. *You Were Made for More* draws a compelling picture of people just like you who are finding that "more of God" means more influence, more energy, and ultimately more happiness. It will help you picture what your own "land of milk and honey" might look like—the fuller, richer spiritual place you long to be. Using examples from the Bible, contemporary stories, and experiences from his own life, Jim Cymbala points the way to a richer, deeper life, helping you take hold of everything God wants to give.
