MAXIM SHYANNE

Pet Sematary Signet Book

A USA TODAY BESTSELLER In this thrilling sequel to the New York Times bestselling novella by Stephen King and award-winning author Richard Chizmar, an adult Gwendy is summoned back to Castle Rock after the mysterious reappearance of the button box. Something evil has swept into the small Maine town of Castle Rock on the heels of the latest winter storm. Sheriff Norris Ridgewick and his team are desperately searching for two missing girls, but time is running out. In Washington, DC, thirty-seven-year-old Gwendy Peterson couldn't be more different from the self-conscious teenaged girl who once spent a summer running up Castle Rock's Suicide Stairs. That same

summer, she had been entrusted—or some might say cursed—with the extraordinary button box by Richard Farris, the mysterious stranger in the black suit. The seductive and powerful box offered Gwendy small gifts in exchange for its care and feeding until Farris eventually returned, promising the young girl she'd never see the box again. One day, though, the button box suddenly reappears but this time, without Richard Farris to explain why, or what she's supposed to do with it. Between this and the troubling disappearances back in Castle Rock, Gwendy decides to return home. She just might be able to help rescue the missing girls and stop a dangerous madman before he does something ghastly. With breathtaking and lyrical prose, Gwendy's Magic Feather explores whether our lives are controlled by fate or the choices we make and what price we sometimes have

to pay. Prepare to return again to Stephen King's Castle Rock, the sleepy little town built on a bedrock of deep, dark secrets, just as it's about to awaken from its quiet slumber once more.

It Algonquin Books

Have you ever confronted a friend struggling with a problem and got the idea that you, too, struggle with a similar problem? Consoled a friend with cancer and found you might soon be handling it yourself? Helped a grieving widow, since you are a widow and know what she is going through? Corrected a child, only to have the Holy Spirit correct you about something similar? Struggled with a particular sin, only to turn around and immediately be able to help a friend with the exact same struggle? Felt led to teach others about an issue because you had worked through it yourself? Scolded a puppy for not minding you and knew

instantly that you disobey God in the same way? This book is for you, my friend. It is not about dogs or me, but about you and your relationship with God. He wants to teach you, mold you, train you. He will use your children, your pets, your family, your friends, your problems, your sin, your sickness, your situations every day to learn and grow. All you have to do is listen.

The Girl Who Loved Tom Gordon

Deadite Press

The “entertaining and enlightening” (Stephen King) final word on the genius and mischief of the Ramones, told by the man who created the beat behind their iconic music and lived to tell about it. When punk rock reared its spiky head in the early seventies, Marc Bell had the best seat in the house. Already a young veteran of the prototype American metal band Dust, Bell took residence in artistic, seedy Lower Manhattan, where he played drums in bands that would shape rock music for decades to come, including Wayne County, who pioneered transsexual rock, and Richard Hell and the Voidoids, who directly inspired the entire early British punk scene. If punk had royalty, in 1978 Marc became part of it when he was knighted “Marky Ramone” by Johnny, Joey, and Dee Dee of the iconoclastic Ramones. The band of tough misfits were a natural fit for Marky, who dressed punk before there was punk, and who brought his “blitzkrieg” style of drumming as well as the studio and stage experience the band needed to solidify its lineup. Together, they changed the world. But Marky Ramone changed, too. The epic wear and tear of a dysfunctional group (and the Ramones were a step beyond dysfunction) endlessly crisscrossing the country and the world in an Econoline—practically a psychiatric ward on wheels—drove Marky from partying to alcoholism. When his life started to look more out of control than Dee Dee’s, he knew he had a problem. Marky left music in the mid-eighties to enter recovery and eventually returned to help the Ramones finally receive their due as one of the greatest and most influential bands of all time. Covering in unflinching detail the cult film Rock ‘N’ Roll High School to “I Wanna Be Sedated” to Marky’s own struggles, Punk Rock Blitzkrieg is an authentic and always honest look at the people who reinvented rock music, and not a moment too soon.

Caretakers Simon and Schuster

It began—and ended—in 1958 when seven desperate children searched in the drains beneath Derry for an evil creature, but in 1985, Mike Hanlon, once one of those children, makes six phone calls and

disinters an unremembered promise that sets off the ultimate terror.

The Library at Mount Char SPERLING & KUPFER

““Sometimes dead is better....”” When the Creeds move into a beautiful old house in rural Maine, it all seems too good to be true: physician father, beautiful wife, charming little daughter, adorable infant son -- and now an idyllic home. As a family, they've got it all...right down to the friendly cat. But the nearby woods hide a blood-chilling truth -- more terrifying than death itself...and hideously more powerful.

Bonding Simon and Schuster

A critical examination of King's horror novels.

Pet Sematary G K Hall & Company

The New York Times bestselling author of the Goosebumps and Fear Street series delivers a terrifying horror novel for adults centered on a town in the grip of a sinister revolt. After travel writer Lea Sutter barely survives a merciless hurricane on a tiny island off the South Carolina coast, she impulsively brings two orphaned twin boys home with her to Long Island. Samuel and Daniel seem amiable and intensely grateful at first, but no one in Lea’s family anticipates the twins’ true evil nature—or predicts that within a few weeks’ time her husband, a controversial child psychologist, will be implicated in two brutal murders. “The horror is grisly” (Associated Press) in legendary author R.L. Stine’s “creepy, fun read” (Library Journal)—an homage to the millions of adult fans who grew up reading his classic series and a must-read for every fan of deviously inventive chillers.

The Other Twin Pocket Books

“From New York Times and USA Today bestselling author Shanora Williams, a riveting novel of domestic suspense about the close relationship between two women: a severely troubled twenty-something and the mega-successful, billionaire CEO she's determined to destroy.”--

The Upstairs House Simon and Schuster

A Radio 4 dramatization of a Stephen King horror novel. Dr Louis Creed and his wife chose rural Maine to settle their family and bring up their children. It was a better

place than smog-covered Chicago - or so they thought before they became acquainted with the old pet cemetery.

Night Shift Anchor

A horror story of a children's pet cemetery and another graveyard behind it from which the dead return.

Chalk Simon and Schuster

When a little boy's pet dies, and he persuades his parents to bury it in an old Indian cemetery, reputed by legend to house restless spirits, a nightmare of death and destruction begins

Pet Sematary. Movie Tie-In Longman

There is a strange men's club in New York where all the members tell each other stories and where no-one looks older, no matter how many years have passed. One night a doctor tells the story of a young woman who gives birth to a baby in the most horrible way.

It Titan Books (US, CA)

#1 New York Times bestselling author Stephen King’s terrifying novella about a town engulfed in a dense, mysterious mist as humanity makes its last stand against unholy destruction—originally published in the acclaimed short story collection *Skeleton Crew* and made into a TV series, as well as a feature film starring Thomas Jane and Marcia Gay Harden. In the wake of a summer storm, terror descends...David Drayton, his son Billy, and their neighbor Brent Norton join dozens of others and head to the local grocery store to replenish supplies following a freak storm. Once there, they become trapped by a strange mist that has enveloped the town. As the confinement takes its toll on their nerves, a religious zealot, Mrs. Carmody, begins to play on their fears to convince them that this is God’s vengeance for their sins. She insists a sacrifice must be made and two groups—those for and those against—are aligned. Clearly, staying in the store may prove fatal, and the Draytons, along with store employee Ollie Weeks, Amanda Dumfries, Irene Reppler, and Dan Miller, attempt to make their escape. But what’s out there may be worse than what they left behind. This exhilarating novella explores the horror in both the enemy you know—and the one you can only imagine.

Pet Sematary

Three children discover a magical bag of chalk on a rainy day

A Winter's Tale Buccaneer Books

La nuova casa dei Creed è vicino a Pet Sematary, il luogo dove i ragazzi seppelliscono i propri animaletti. Ma presto la loro vita è sconvolta da forze oscure.

Sleeping Beauties Blackstone Publishing
Stephen King’s #1 New York Times

bestseller and “wild, powerful, disturbing” (The Washington Post Book World) classic about evil that exists far beyond the grave—now featuring a stunning vintage cover! When Dr. Louis Creed takes a new job and moves his family to the idyllic rural town of Ludlow, Maine, this new beginning seems too good to be true. Despite Ludlow’s tranquility, an undercurrent of danger exists here. Those trucks on the road outside the Creed’s beautiful old home travel by just a little too quickly, for one thing...as is evidenced by the makeshift graveyard in the nearby woods where generations of children have buried their beloved pets. Then there are the warnings to Louis both real and from the depths of his nightmares that he should not venture beyond the borders of this little graveyard where another burial ground lures with seductive promises and ungodly temptations. A blood-chilling truth is hidden there—one more terrifying than death itself, and hideously more powerful. As Louis is about to discover for himself sometimes, dead is better...

Gonzo Crown

A visual biography of writer Hunter S. Thompson, creator of the "gonzo" style of journalism, with photographs and excerpts from Thompson's writings.

Survivor Simon and Schuster

Although he was a suburban husband and

father, living a far different life than the “Wolf of Wall Street,” Michael Kimelman had a good run as the cofounder of a hedge fund. He had left a cushy yet suffocating job at a law firm to try his hand at the high-risk life of a proprietary trader — and he did pretty well for himself. But it all came crashing down in the wee hours of November 5, 2009, when the Feds came to his door—almost taking the door off its hinges. While his wife and children were sequestered to a bedroom, Kimelman was marched off in embarrassment in view of his neighbors and TV crews who had been alerted in advance. He was arrested as part of a huge insider trading case, and while he was offered a “sweetheart” no-jail probation plea, he refused, maintaining his innocence. The lion’s share of *Confessions of a Wall Street Insider* was written while Kimelman was an inmate at Lewisburg Penitentiary. In nearly two years behind bars, he reflected on his experiences before incarceration—rubbing elbows and throwing back far too many cocktails with financial titans and major figures in sports and entertainment (including Leonardo DiCaprio, Alex Rodriguez, Ben Bernanke, and Alan Greenspan, to drop a few names); making and losing hundreds of thousands of dollars in daily gambles on the Street; getting involved with the wrong people, who eventually turned on him;

realizing that none of that mattered in the end. As he writes: “Stripped of family, friends, time, and humanity, if there’s ever a place to give one pause, it’s prison . . . Tomorrow is promised to no one.” In *Confessions of a Wall Street Insider*, he reveals the triumphs, pains, and struggles, and how, in the end, it just might have made him a better person. Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca imprints, is proud to publish a broad range of biographies, autobiographies, and memoirs. Our list includes biographies on well-known historical figures like Benjamin Franklin, Nelson Mandela, and Alexander Graham Bell, as well as villains from history, such as Heinrich Himmler, John Wayne Gacy, and O. J. Simpson. We have also published survivor stories of World War II, memoirs about overcoming adversity, first-hand tales of adventure, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

The Perfect Ruin Signet

A frightening suspense novel about nine-year-old Trisha, who becomes lost in the woods as night falls.
