**The Essentials** Springer

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- A Down-to-Earth Approach James Henslin shares the excitement of sociology in *Essentials of Sociology: A Down-to-Earth Approach*, 11/e. With his acclaimed "down-to-earth" approach and personal writing style, the author highlights the sociology of everyday life and its relevance to students' lives. With wit, personal reflection, and illuminating examples, Henslin stimulates students' sociological imagination so they can better perceive how the pieces of society fit together. In addition to this trademark down-to-earth approach, other distinctive features include: comparative perspectives, the globalization of capitalism, and visual presentations of sociology. MySocLab is an integral part of the Henslin learning program. Engaging activities and assessments provide a teaching a learning system that helps students see the world through a sociological lens. With MySocLab, students can develop critical thinking skills through writing, explore real-world data through the new Social Explorer, and watch the latest entries in the Core Concept Video Series. This title is available in a variety of formats - digital and print. Pearson offers its titles on the devices students love through Pearson's MyLab products, CourseSmart, Amazon, and more. 0133810607 / 9780133810608 Essentials of Sociology Plus NEW MySocLab with Pearson eText -- Access Card Package Package consists of 0133803546 / 9780133803549 Essentials of Sociology 0205206530 / 9780205206537 NEW MySocLab with Pearson eText -- Valuepack Access Card

4LTR Press solutions give students the option to choose the format that best suits their learning preferences. This option is perfect for those students who focus on the textbook as their main course resource. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

*Sociology Challenges Conventional Wisdom* Cengage Learning Individuals are equipped with a wide range of knowledge that enhances their employability, health, family life, and social engagement. On this basis, providing equality for all has been set to be achieved as one of the United Nations sustainable development priorities. However, the international understandings are not only of what equality and inclusivity entail but also the social vision to achieve social justice. Best practices provide a meaningful cross-national discussion with respect to the following topics: power relations within research, social inequalities in society, science research for social justice, the redefinition of the notion of social justice, education for social justice, spatial justice, the research of gender and marginalized groups, the re-conceptualization of the epistemological foundation of research, hegemonic discourses on research, science technology for social justice and welfare, as well as culture and social justice. This edited book aims to provide a new perspective for other benefits of research because generally, the research carried out only aims to answer scientific problems and often override aspects of humanities. In response to these concerns, the book attempts to re-map the main objectives of the research. The authors in this book offer new perspectives, especially in formulating the purposes of the studies they will perform. Therefore, this book presents a unique review of research with a variety of approaches that are coherent with the state of society in the world, followed by eleven scopes of various cases from a variety of perspectives that highlight theoretical and methodological questions about research and social justice. This book presents outstanding applications through multiple types of approaches that are relevant to the current context of world community issues. The articles in this book will be of interest to undergraduate and graduate students, as well as researchers who are interested in the social field, especially research for social justice.

**Essentials of Elementary Social Studies** McGraw-Hill Humanities/Social Sciences/Languages  
*Essentials of Elementary Social Studies* is a teacher-friendly text that provides comprehensive treatment of classroom planning, instruction, and strategies. Praised for its dynamic approaches and a writing style that is conversational, personal, and professional, this text enables and encourages teachers to effectively teach elementary social studies using creative and

active learning strategies. This fifth edition has been significantly refined with new and relevant topics and strategies needed for effectively teaching elementary social studies. New features include: • In keeping with the book's emphasis on planning and teaching, an updated chapter on lesson plans. This chapter is designed to provide elementary teachers with new classroom-tested lesson plans and includes two classroom-tested lessons for each grade level (K-6). • An expanded chapter on planning. This provides additional discussion about long-range planning and includes examples of lesson plans with details to help students be better prepared. • An updated chapter on technology designed to better prepare elementary teachers to effectively incorporate technology into social studies instruction. Attention is given to digital history, media literacy, teaching with film and music, popular apps and numerous other types of impactful technology. • An expanded discussion of the Common Core Standards and C3 Framework and how it affects teachers. • An updated chapter titled "Experiencing Social Studies." This chapter focuses on topics such as teaching with drama, role play, field trips, and service learning. • A new eResource containing links to helpful websites and suggestions for further reading.

*General Equilibrium with Multi-member Households* Wadsworth Publishing Company

SOCIOLOGY: THE ESSENTIALS, Eighth Edition, uses the theme of debunking myths to look behind the facades of everyday life, encourage you to question common assumptions, and help you better understand how society is constructed and sustained. This thorough yet streamlined text provides exceptional coverage of diversity, including social factors such as age, religion, sexual orientation, and region of residence, in addition to race, ethnicity, class, and gender. Updated with coverage of the latest findings, trends, and themes, this new edition's reader-friendly presentation teaches you the concepts, methods, and research that will sharpen your "sociological imagination" and help you view the world from a different perspective. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

*The Essentials* Routledge

With a combination of up-to-the minute examples, cutting-edge research, and the latest available data, *Essentials of Sociology* gets students thinking sociologically about what they're seeing in the news and on their screens. Highlighting the macro social forces at work in our everyday lives, the authors move students beyond their individual experiences and cultivate their sociological imaginations. Innovative pedagogy promotes active reading and helps students master core sociological concepts. This strong in-text pedagogical program is now supported by InQuizitive, Norton's new formative, adaptive learning tool.

*A Down-to-earth Approach : Core Concepts* Cengage Learning  
 Santrock, Essentials of Life-Span Development, First Canadian Edition is an exciting new resource that offers essential content in a student-friendly format. Featuring shorter chapters and interactive study modules, Santrock 1ce covers all periods of the human life-span chronologically from the prenatal period through late adulthood and death. Santrock, Essentials of Life-Span Development, First Canadian Edition is ideal for one-semester Life-Span Development courses at both colleges and universities, or for any learner eager to explore the essentials of life-span development.

**Legal, Medical, and Social Perspectives** SAGE Publications

This monograph studies multi-member households or, more generally, socio-economic groups from a purely theoretical perspective and within a general equilibrium framework, in contrast to a sizeable empirical literature. The approach is based on the belief that households, their composition, decisions and behavior within a competitive market economy deserve thorough examination. The authors set out to link the formation, composition, decision-making, and stability of households. They develop general equilibrium models of pure exchange economies in which households can have several, typically heterogeneous members and act as collective decision-making units on the one hand and as competitive market participants on the other hand. Moreover, the more advanced models combine traditional exchange (markets for commodities) and matching (markets for people or partners) and develop implications for welfare, social structures, and economic policy. In the field of family economics, Hans Haller and Hans Gersbach have pioneered a 'market' approach that applies the tools of general equilibrium theory to the analysis of household behavior. This very interesting book presents an overview of their methods and results. This is an inspiring work. Pierre-André Chiappori, Columbia University, USA  
 The sophisticated, insightful and challenging analysis presented in this book extends the theory of the multi-person household along an important but relatively neglected dimension, that of general equilibrium theory. It also challenges GE theorists themselves to follow Paul Samuelson in taking seriously the real attributes of that fundamental building block, the household, as a social group whose decisions may not satisfy the standard axioms of individual choice. This synthesis and extension of their earlier work by Gersbach and Haller will prove to be a seminal contribution in its field. Ray Rees, LMU Munich, Germany

*Exploring Social Life* W. W. Norton

Empower your students to become part of the solution. With a clear and upbeat voice, author Anna Leon-Guerrero's thought-provoking overview of social problems challenges readers to understand and recognize social problems in their communities and inspires them to become part of the solution. The Fifth Edition of *Social Problems: Community, Policy, and Social Action* goes beyond the typical presentation of contemporary social problems and their consequences by emphasizing the importance and effectiveness of community involvement to achieve real solutions. With an overarching focus on social inequalities and policy, this proven text provides a platform for discussion that encourages critical thinking and inspires hope. "The extra emphasis on social action and movements is a real strength...I like that the three major perspectives are used in each chapter as I feel many texts just put that in the first chapter and then forget about it." —Todd Michael Callais, University of Cincinnati-Blue Ash

*Becoming Roman?* Cengage Learning

For any introductory or advanced sociology course where students are required to complete a number of research and writing assignments. This comprehensive manual helps students at any level learn how to research and write in sociology, and to improve their writing ability in general.

**A Problem-based Approach** Allyn & Bacon

The new sixth edition of *Criminology* provides students with a comprehensive analysis of the major criminological theories. Drawing on a wide range of research in order to consider both sociological and psychological explanations of criminal behaviour, Jones poses the important questions, inviting readers to critically engage with the subject. Thoroughly referenced and written in a clear and accessible style, this book provides the firm foundation of knowledge that students need to develop a strong and secure understanding of criminological theory.

**Essentials of Sociology** SAGE Publications

*Social Problems in a Diverse Society* provides students and instructors with a text that covers all the major social concerns we must deal with today. It focuses on the significance of racialization and ethnicity, age, sexual orientation, class, ability, and gender in understanding social problems in Canada and around the globe. Throughout the text, people—especially those from marginalized groups—are shown not merely as "victims" of social problems, but also as individual actors with agency who resist discrimination and inequality and seek to bring about

change in families, schools, workplaces, and the larger society.

**Sociology: The Essentials** Pearson College Division

**SOCIOLOGY: THE ESSENTIALS**, Ninth Edition, uses the theme of debunking myths to look behind the facades of everyday life, challenge common assumptions, and help students develop critical thinking skills as well as better understand how society is constructed and sustained. This thorough yet streamlined text employs a reader-friendly presentation and manageable structure, while maintaining a strong focus on sociology concepts, methods, and research. Updated throughout with coverage of the latest findings, trends, and themes, the text provides exceptional coverage of diversity, including social factors such as age, religion, sexual orientation, and region of residence in addition to race, ethnicity, class, and gender. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

**Sociology: The Essentials** McGraw-Hill Ryerson

The #1 selling book for Texas government courses, with a new focus on the future of Texas politics.

**Sociology** Wadsworth

Widely recognized as a groundbreaking text, *The New Urban Sociology* is a broad and expert introduction to urban sociology that is both relevant and accessible to the student. A thought leader in the field, the book is organized around an integrated paradigm (the sociospatial perspective) which considers the role played by social factors such as race, class, gender, lifestyle, economics, culture, and politics on the development of metropolitan areas. Emphasizing the importance of space to social life and real estate to urban development, the book integrates social, ecological and political economy perspectives and research through a fresh theoretical approach. With its unique perspective, concise history of urban life, clear summary of urban social theory, and attention to the impact of culture on urban development, this book gives students a cohesive conceptual framework for understanding cities and urban life. In this thoroughly revised 5th edition, authors Mark Gottdiener, Ray

Hutchison, and Michael T. Ryan offer expanded discussions of created cultures, gentrification, and urban tourism, and have incorporated the most recent work in the field throughout the text. *The New Urban Sociology* is a necessity for all courses on the subject.

*Essentials of Sociology* Pearson College Division

This is a core text that presents a balanced, unbiased treatment of the essential concepts for introductory sociology. All the perspectives are given equal treatment. This text has always been respected for its admirable author team, scholarship and brevity. There is an emphasis on the process of doing sociology and integrating material across chapters to show the intersection of concepts. *Essentials of Sociology*, 6th Edition promotes critical thinking and problem-solving skills, as well as the application of sociological theory to real-world issues.

**Cultural Anthropology** Routledge

*Essentials of Sociology*, adapted from George Ritzer's *Introduction to Sociology*, provides the same rock-solid foundation from one of sociology's best-known thinkers in a shorter and more streamlined format. With new co-author Wendy Wiedenhof Murphy, the Third Edition continues to illuminate traditional sociological concepts and theories and focuses on some of the most compelling features of contemporary social life: globalization, consumer culture, the internet, and the "McDonaldization" of society. New to this Edition New "Trending" boxes focus on influential books by sociologists that have become part of the public conversation about important issues. Replacing "Public Sociology" boxes, this feature demonstrates the diversity of sociology's practitioners, methods, and subject matter, featuring such authors as o Michelle Alexander (*The New Jim Crow*) o Elizabeth Armstrong and Laura Hamilton (*Paying for the Party*) o Matthew Desmond (*Evicted*) o Arlie Hochschild (*Strangers in Their Own Land*) o Eric Klinenberg (*Going Solo*) o C.J. Pascoe (*Dude, You're a Fag*) o Lori Peek and Alice Fothergill (*Children of Katrina*) o Allison Pugh (*The Tumbleweed Society*) Updated examples in the text and "Digital Living" boxes keep pace with changes in digital technology and online practices, including Uber, Bitcoin, net neutrality, digital privacy, WikiLeaks, and cyberactivism. New or updated subjects apply sociological thinking to the latest issues including: the 2016 U.S. election Brexit the global growth of ISIS climate change further segmentation of wealthy Americans as the "super rich" transgender people in the U.S. armed forces charter schools the legalization of marijuana the Flint water crisis fourth-wave feminism

**Criminology** Routledge

**SOCIOLOGY: THE ESSENTIALS**, Sixth Edition, uses the theme of debunking myths to look behind the facades of everyday life; challenge ready-made, common-sense assumptions; and help students develop critical thinking skills and better understand how society is constructed and sustained. This thorough but streamlined text provides exceptional coverage of diversity, including social factors such as age, religion, sexual orientation, and region of residence, in addition to race, ethnicity, class, and gender. The text employs a reader-friendly presentation and very manageable structure, even while maintaining a strong focus on sociology concepts, methods, and research. The new edition includes coverage of the latest research and current trends and themes. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

**Exploring Social Change** SociologyThe EssentialsSociologyThe Essentials

Known for its clear and engaging writing, the bestselling *Race, Ethnicity, Gender, and Class* by Joseph F. Healey, Andi Stepnick, and Eileen O'Brien has been thoroughly updated to make it fresher, more relevant, and more accessible to undergraduates. The Eighth Edition retains the same use of sociological theory to tell the story of race and other socially constructed inequalities in the U.S. and for examining the variety of experiences within each minority group, particularly differences between those of men and women. This edition also puts greater emphasis on intersectionality, gender, and sexual orientation that will offer students a deeper understanding of diversity. New to this Edition New co-author Andi Stepnick adds fresh perspectives to the book from her teaching and research on race, gender, social movements, and popular culture. New coverage of intersectionality, gender, and sexual orientation offer students a deeper understanding of diversity in the U.S. The text has been thoroughly updated from hundreds of new sources to reflect the latest research, current events, and changes in U.S. society. 80 new and updated graphs, tables, maps, and graphics draw on a wide range of sources, including the U.S. Census, Gallup, and Pew. 35 new internet activities provide opportunities for students to apply concepts by exploring oral history archives, art exhibits, video clips, and other online sites.
