## KENNEDY ZION

*Nexus* Pickle Partners Publishing

Some of the most rewarding pages in Henry Miller's books concern his self-education as a writer. He tells, as few great writers ever have, how he set his goals, how he discovered the excitement of using words, how the books he read influenced him, and how he learned to draw on his own experience.

*The Intimate Henry Miller* New Directions Publishing

Presents the contemporary writer's vision of American life, gleaned from his travels throughout the country during the early 1940's

**The Rosy Crucifixion** Abrams

In his great triptych "The Millennium," Bosch used oranges and other fruits to symbolize the delights of Paradise.

**Henry Miller's The Rosy Crucifixion Explored as a Zen Document** HarperCollins UK

Henry Miller's Rosy Crucifixion, his second major trilogy, took more than 10 years for the author to complete. Beginning in 1949 with *Sexus*, a work so controversial all of Paris was abuzz with L'Affaire Miller, (and publisher Maurice Girodias saw himself threatened with jail), following in 1952 with *Plexus*, and finally concluding with 1959's *Nexus*, the three works are a dazzling array of scenes, sexual encounters and ideas, covering Miller's final days in NY, his relationship with June Miller and her lover, his take on the arts, his favorite writers, his thoughts, his insights, his days and his nights, finally ending with a glorious farewell to the life he'd known and an anticipation of the life he would lead.

*The Rosy Crucifixion* olympiapress.com

"A collection of wistful, witty stories." --Esquire "Hilarious, deep and a little bit dirty." --Harper's Bazaar A grief-stricken librarian decides to have sex with every man who enters her library. A half-mad, unbearably beautiful heiress follows a strange man home, seeking total sexual abandon: He only wants to watch game shows. A woman falls in love with a hunchback; when his deformity turns out to be a prosthesis, she leaves him. A wife whose husband has just returned from the war struggles with the heartrending question: Can she still love a man who has no lips? Aimee Bender's stories portray a world twisted on its axis, a place of unconviction that resembles nothing so much as real life, in all its grotesque, beautiful glory. From the first line of each tale she lets us know she is telling a story, but the moral is never quite what we expect. Bender's prose is glorious: musical and colloquial, inimitable and heartrending. Here are stories of men and women whose lives are shaped--and sometimes twisted--by the power of extraordinary desires, erotic and otherwise. *The Girl in the Flammable Skirt* is the debut of a major American writer. A

1998 New York Times Notable Book of the Year. Selected by the Los Angeles Times as one of the best works of fiction of 1998.

**The rosy crucifixion** Grove/Atlantic, Inc.

The second sensational volume in the 'Rosy Crucifixion' trilogy from the controversial and brilliant Henry Miller.

*Henry Miller on Writing* Bloomsbury Publishing USA

'Here, even if I had a thousand dollar in my pocket, I know of no sight which could arouse in me the feeling of ecstasy' Looking back to Henry Miller's bohemian life in 1930s Paris, when he was an obscure, penniless writer, *Quiet Days in Clichy* is a love letter to a city. As he describes nocturnal wanderings through shabby Montmartre streets, cafés and bars, sexual liaisons and volatile love affairs, Miller brilliantly evokes a period that would shape his entire life and oeuvre. 'His writing is flamboyant, torrential, chaotic, treacherous, and dangerous' Anais Nin

*The Rosy Crucifixion* New Directions Publishing

Reveals tales of sex and love from ancient Greece, Rome, and other Mediterranean cultures, offering insight into these civilizations' beliefs about contraception, bisexuality, cross-dressing, nymphomania, and erotic practices.

**The Rosy Crucifixion** Grove/Atlantic, Inc.

The first novel of Miller's frank, autobiographical trilogy uses dream, fantasy, and burlesque to portray the life of a struggling writer in preWorld War I New York

*Sexus. 2.print* HarperCollins UK

Mr. Lipton's book is the first complete and unbiased survey of the beat generation and its role in our society. Here are the intimate facts about these people and their attitudes toward sex, dope, jazz, art, religion, parents, landlords, employers, politicians, draft boards, the law and, most important, toward the "square". The author presents a picture of their way of life, their individual backgrounds, the language they have appropriated, in terms made clear for the first time to those of us who have been confused and puzzled about them. He also provides a balanced discussion of their literature, art and music, of what they produce and fail to produce in the arts they practice.—Print Ed.

*Sexus. ...* Createspace Independent Pub

Millers great book about Greece's people and their past.

**Stand Still Like the Hummingbird** New Directions Publishing  
 In 1941, Henry Miller, the author of *Tropic of Cancer*, was commissioned by a Los Angeles bookseller to write an erotic novel for a dollar a page. Under the Roofs of Paris (originally published as *Opus Pistorum*) is that book. Here one finds Miller's characteristic candor, wit, self-mockery, and celebration of the good life. From Marcelle to Tania, to Alexandra, to Anna, and from the Left Bank to Pigalle, Miller sweeps us up in his odyssey in search of the perfect job, the perfect woman, and the perfect experience.

*The Rosy Crucifixion* Anchor

In 1930 Henry Miller moved from New York to Paris, leaving behind — at least temporarily — his tempestuous marriage to June Smith and a novel that had sprung from his anguish over her love affair with a mysterious woman named Jean Kronska. Begun in 1927, *Crazy Cock* is the story of Tony Bring, a struggling writer whose bourgeois inclinations collide with the disordered bohemianism of his much-beloved wife, Hildred, particularly when her lover, Vanya, comes to live with them in their already cramped Greenwich Village apartment. In a world swirling with violence, sex, and passion, the three struggle with their desires, inching ever nearer to insanity, each unable to break away from this dangerous and consuming love triangle.

*Sexus* The Rosy CrucifixionSexus, Plexus, Nexus

Henry Miller was one of the most distinctive voices in twentieth-century literature. Better known in Europe than in his native America for most of this career, he achieved international success and celebrity during the 1960s when his banned "Paris" books—beginning with *Tropic of Cancer*—were published here and judged by the Supreme Court not to be obscene. Until then he had toiled in relative obscurity and poverty. The Unknown Henry Miller recounts Miller's career from its beginnings in Paris in the 1930s but focuses on his years living in Big Sur, California, from 1944 to 1961, during which he wrote many of his most important books, including *The Rosy Crucifixion* trilogy, married and divorced twice, raised two children, painted watercolors, and tried to live out an aesthetic and personal credo of self-realization. Written with the cooperation of the Henry Miller, Anais Nin, and other estates, *The Unknown Henry Miller* quotes extensively from Miller's correspondence in order to offer the reader direct experience of the author and man. It also draws on material not available to previous biographers, including interviews with Lepska Warren, Miller's third wife, and revelations from unpublished portions of Anais Nin's diaries. Behind the "bad boy" image, the author finds a man with devoted friendships, whose challenge of literary sexual taboos was part of a broader assault on the dehumanization of man and commercialization during the postwar years. He puts Miller's alleged misogyny in the context of his satire of sexual mores in general, and makes the case for restoring this groundbreaking writer to his rightful place in the American literary canon. Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca imprints, is proud to publish a broad range of biographies, autobiographies, and memoirs. Our list includes biographies on well-known historical figures like Benjamin Franklin, Nelson Mandela, and Alexander Graham Bell, as well as villains from history, such as Heinrich Himmler, John Wayne Gacy, and O. J. Simpson. We have also published survivor stories of World War II, memoirs about overcoming adversity, first-hand tales of adventure, and much more. While not every title we publish becomes a New York Times

bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

[Sexus : volumes one to three](#) New Directions Publishing  
The controversial, erotic and hilarious companion to the legendary *Tropic of Cancer*, in a smart new Harper Perennial Modern Classics edition.

[Lust, Love, and Longing in the Ancient World](#) New Directions Publishing

The first book of a trilogy of novels known collectively as *The Rosy Crucifixion*. It is autobiographical and tells the story of Miller's first tempestuous marriage and his relentless sexual exploits in New York. The other books are *Plexus* and *Nexus*.

*Sexus Book 1* Penguin Classics

*Nexus* is the third volume of the scandalous trilogy *The Rosy Crucifixion*, Henry Miller's major life work. The exhilarating final volume of Henry Miller's semi-autobiographical trilogy, *Nexus* follows his last months in New York. Trapped in a bizarre ménage-à-trois with his fiery wife Mona and her lover Stasia, he finds his life descending into chaos. Finally, betrayed and exhausted, he decides to leave America and sail for Paris, to discover his true vocation as a writer.

1. *Sexus*. 2 vol Penguin UK

Henry Miller's bold, explicit novels scandalized readers and remade the literature of his day. In this uncompromising literary manifesto he argues that sex is at the heart of his writing because

it is at the heart of life - a vital force as essential as bread, money, work or play.

*Tropic of Cancer* New Directions Publishing

Many of them have appeared only in foreign magazines while others were printed in limited editions which have gone out of print.

**Sexus, Plexus, Nexus** Penguin Classics

Norman Mailer, without a doubt the most important literary figure of his generation, here celebrates the genius of "the greatest living American writer" from an earlier generation in an extended essay of unequalled brilliance as well as in a generous selection from Miller's work to point the way to "the center of the power of his writing." --from front flap.
