More often
than not,
people think
of astrology as
a tool for
divination or
the
exploration of
one's
personality.
Astrology is
considerably
more than
that. It is a
sacred
science, a
highly
descriptive
symbolic
language, and
it is also a
technology
that can be
applied to
ritual,
herbalism, the
use of
crystals, and
much more.
This is a

practical
handbook for
any
practitioner of
magic to use
in building
individual
rituals and
creating the
most effective
magic.
Concise,
focused, and
expertly
presented,
this book
teaches the
core concepts
of astrology so
that wiccans
and pagans
can truly
apply it to
their
practices.

When the world around you turns

dark, tap into the light. If you're having a hard time finding that light, facing trauma and division, or want to send healing vibes to a friend, the inspired, easy-to-do spells of *Light Magic for Dark Times* can assist. *Luna Luna* magazine's Lisa Marie Basile shares inspired spells, rituals, and practices, including: A new moon ritual for attracting a lover A spell to banish recurring nightmares A

graveyard meditation for engaging with death A mermaid ritual for going with the flow A zodiac practice for tapping into celestial mojo A rose-quartz elixir for finding self-love A spell to recharge after a protest or social justice work These 100 spells are ideal for those inexperienced with self-care rituals, as well as experienced witches. They can be cast during a crisis or to help prevent one, to protect

loved ones, to welcome new beginnings, to heal from grief, or to find strength. Whether you're working with the earth, performing a cleanse with water or smoke, healing with tinctures or crystals, meditating through grief, brewing, enchanting, or communing with your coven, Light Magic for Dark Times will help you tap into your inner witch in times of need.

The Beginning

After The End Red Wheel/Weiser Of course, Magic is Magic wherever. But Ceremonial Magic - with or without a k ending - is perceived as largely European in origin and practice. The Golden Dawn, Aurum Solis, O.T.O were European and even AMORC, B.O.T.A., G.B.G. were mostly European inspired. As valid as these esoteric orders were and are, they are at best schools and the knowledge

taught is now widely available. What is key is not the knowledge but the self-accomplishment that comes only through personal experience (otherwise known as "self-initiation"). The essence of Magic is a simple formula based on the exercise of Will, Imagination, and Gnosis or Magical Trance. It is a "technology" and must be mastered like any technology

through understanding and practice. Like playing the piano, it takes discipline to continue practicing basic exercises until it all becomes second nature and can function as an art as well. "And, what for?" Not to perform tricks or miracles. Not to wear fancy robes and chant barbarous words. Not to reach high degrees with grand titles in a secret order. No, it is to transform and transmute

your own self and thus to become more than you were, not merely to accelerate normal human evolution but to actually move beyond and be a co-creator. And to finally answer those questions: "Who am I? Where did I come from? Where am I going?" High Magic is an active program for self-discovery and Self-Realization. This book by a famed contemporary German magician self-

instructs the student through a series of basic exercises and real magical practices that train the magician through a consistent program combined with examples and explanations. Each step is thorough without extravagance; the program is effective and entirely self-directed (as must be all real learning); the book is encyclopedic in depth and inclusive even of chaos and cyber magic. Tables and

Charts simplify the learning process. The system starts with immediate immersion in ritual practice starting with the Kabbalistic Cross and Lesser Banishing Ritual of the Pentagram and moves through beginning to advanced levels of Practical Sigil Magic, Ritual Magic, Elemental Magic, the Greater Ritual of the Pentagram, Planetary Magic, the Hexagram	Ritual, Mantra Meditation, the Magical Gaze, Magical Trance, the Pan Ritual, Money Magic, Talisman Magic, Moon Magic, Chaos Magic and Cyber Magic. In each case, practice is used to instruct - nothing is presented as "theory only." You will find everything analyzed, explained and justified with refreshing and truly uncommon common sense! The author fully dispels the myths and	subterfuges of archaic magical orders and explores the role of the Unconscious Mind, the issues of Religion and Mysticism, the nature of High and Low Magic, the function of Myth and the role of Drama in Ritual, the Magical Nature of Reality and Magical Perception, Dream Work in relation to Magical Training, the Magical Imagination and training for Visualization,
---	---	--

Psychic Protection, Invocation and Evocation, the Calling and Movement of Energies, Charging, Paradigm Shifting, what is really means "to Keep Silent, " the power of Intention & definition of Magical Goals, the ritual use of Symbols and Gestures, the power of Words, the Magician's Universe, the magical pronunciation of Hebrew Letters, the Magician's Tools, Mantric Sigils, the IAO formula,

and much more. High Magic is as central to Western culture as are science, technology, the rule of law, democracy and the entrepreneurial economy. Its practice and application should be part of your daily life starting now. *Liber Null & Psychonaut* Llewellyn Worldwide The heart of this book is magick that works. Chaos Magick can give you quick fixes,

emergency solutions, direct results and rituals that can be tailored to your exact and immediate circumstances . Ideal for beginners, or a new direction for the experienced occultist. This book presents a revolutionary style of Chaos Magick. These ideas are original, direct and above all, practical. You will discover: The secrets of Instant Alchemy, Emotional

Crafting and The Fire of Gnosis. How to generate Magickal Chaos Energy, to empower all your workings. Influence Magick, Thoughtforms and an alternative form of Sex Magick. Sigil Magick Remastered - a completely new way of tapping into the essence of magick. Contacting Spirits - detailed instructions for contacting and commanding entities. There's nothing quite like

doing magick and seeing it work, so that's what lies ahead of you. If it doesn't work, it isn't magick. Chaos Magic and Sigils Sourcebooks, Inc. A new paradigm that delivers a genuine transformation of occultism. The author assumes no previous knowledge, only a willingness to explore what magick offers, yet it is apparent to anyone with a background in the subject that Alan

Chapman is drawing on a wide range of experience, from classical Crowleyean Magick, to eastern metaphysics, and back again to Discordianism and Chaos Magick. Chapman's writing-style is humorous, direct, seductively logical, and his enthusiasm for the benefits of magick is both tangible and infectious. The novice magician will indeed find themselves equipped to

commence all sorts of magickal operations: trance work, enchantment, divination, and even some of the higher forms of spiritual development. To experienced magicians, Chapman offers a subtler challenge: he revitalises magick by cutting it free from the extreme relativism Chaos Magick bequeathed, provocatively redefining it as: the art, science and culture of

experiencing truth.

 Discover the Power of Line and Symbol
 Sigils are magical symbols that are designed to influence ourselves and the world around us. Tracing through history, art, and culture, this illustrated book offers an innovative and fresh approach to sigil magick that is accessible and intuitive. You don't need a degree in art or magick to

make effective sigils! Learn how to manifest your will through your very own designs. Explore traditional and modern meanings of shapes, symbols, numbers, letters, and colors, while receiving guidance on how to add personal meaning to your marks. Sigil Witchery includes methods of application, tips for choosing materials, and important considerations for both

temporary and permanent sigils. This book helps you improve your drawing techniques, use sample exercises to challenge yourself, and gain deeper metaphysical insight and inspiration—all to guide you to develop your own powerful sigil magick. Praise: "To the best of my own knowledge, Tempest has invented an entirely new approach to making and using sigils here, and I

think it is an extremely powerful one...I recommend this book in the highest possible terms."—Robert Mathiesen, Professor Emeritus, Brown University, and co-author of *The Rede of the Wicca* "This wonderful book takes the concept of sigil well beyond the simplistic, basic notions of the [Austin Osman] Spare method, and opens the door on the deeper art and potential

of sigils as it applies across the spectrum of spellcraft. Any student of the occult with an interest in sigils and sigil crafting; this is a book you need."—Arjil, teacher of Just Effing Magick and creator of the *Ellis Sigil* **Hands-On Chaos Magic** Allen & Unwin "The remarkable Veronica Varlow seizes life with both hands and bends it to her will. Learn from her." —Neil Gaiman *In Bohemian Magick*, Veronica Varlow, the

last daughter in a line of Bohemian witches, weaves together witchcraft knowledge and ancient secret spells with an exotic rock-and-roll magick style that has earned her a devoted following worldwide. This beguiling grimoire-style guide is filled with potent, never-before-revealed spells, hand-written rituals, magick ephemera, hand-drawn sigils, potions, charms, and rhyming

incantations that will call your power back to you and electrify your life! With more than 150 illustrations—drawings, photography, and vintage art—and text written in her own hand, this sumptuous companion is brimming with spells for everlasting confidence, radiant self-love, healing, manifesting your dreams, and love with a desired partner. Veronica calls upon the ancient and hidden Czech-Romani magic

passed down to from her grandmother Helen's lineage and infuses it with her own signature sorcery to help you awaken and amplify your truest self. Each spell that you cast, each potion that you brew, and each chant you speak into the universe will rouse the most powerful part of your being! In Part I, The School of Spectaculus, Veronica reveals, step by step, her personally crafted steps

to spellcasting with power. She shares her secrets regarding writing and preparing for spells, calling on ancestors to give your spells oomph, and writing your own badass spells. She also provides information on when to cast spells and other basics that you need to know to perform the mind-blowing rituals she introduces in Part II. In Part II, Initiations, she introduces you to the hidden magick of Bohemia.

She leads you on five initiations, each focused on specific themes including self-love, sizzling confidence, healing, juicy mojo, and love. Each initiation begins with an experiential journey of discovery, a story in which you are the protagonist, whether following a trail of candles through a dark wood to a river filled with tiny message-filled paper boats or venturing into a tarot parlor on a hot,

sultry night to meet a Witch who has come back from the Afterlife to help you find true love. And, of course, each initiation includes spells with a rock and roll vibe, such as: Hello, I Love You: Use mirror magick to boost your confidence and magnetism. Return to Sender: Create a magick candle and burn it upside down to protect you and send bad vibes back to where they came from. Search and

prosperity, and fulfillment. Learn to make candles from scratch, do candle readings, start your personal grimoire, add some pizzazz to your rituals, and much more. It's time to reclaim your birthright of using fire to reach your magical goals—this irresistible book shows you how. Includes a foreword by Judika Illes, author of Encyclopedia of 5000 Spells Visual Magick Aeon Books This book

serves as a textbook for those who wish to study the art of Sigil Magick. In its pages you will find information about the different kinds of sigils, their use, activation techniques and how to create custom tailored sigils from scratch. Learn how to captivate emotions, empower the mind, create mental barriers, re-program the brain and alter consciousness by the use of "Mental Sigils." And explore how

the use of "Physical Sigils" can impact and amplify one's abilities and enrich magical workings. Sigils Llewellyn Worldwide The most effective way to communicate with your subconscious is via magically charged symbols, or sigils. The Magical Shield
Llewellyn Worldwide
This is a manual of freestyle shamanism. The book aims to develop vision and imagination. It builds on the inspiration of such figures as Austin Spare and Aleister Crowley and stresses the need to develop one's unique magical way. It shows how magicians, witches,

artists and therapists can improve their visionary abilities and strengthen the imagination. Activate the inner sense, and discover new modes of trance awareness. The emphasis is on direct experience. The book asks the reader to think, act, do and enjoy as s/he wills. The book began as a small treatise on sigil magick and automatic drawing and was circulated privately amongst occultists. It is especially

suitable for practising mind explorers of the unorthodox variety. Both beginners and experienced magicians will find it inspirational and insightful. Jan Fries has a reputation amongst the magical community as a genuine adept. His articles and luminous artwork have graced many of the best magical journals.
