PRAISE FOR THE WHEN  
GOD HAPPENS SERIES  
"Reading When God  
Happens is like  
receiving an

intravenous dose of  
hope in a world  
parched by  
hopelessness. It will  
remind you not just to  
hope for miracles but  
to expect them."--  
Melanie Hemry,  
Guideposts magazine  
writer and author of  
fifty-four books "A  
powerful read."--  
Dimas Salaberrios,

author of *Street God*  
"True stories like these  
require those who  
don't believe in angels  
... to explain the  
unexplainable."-- Cal  
Thomas, syndicated  
columnist A diesel  
mechanic is smashed  
under the weight of a  
logging truck. A child's  
inner tube is sucked  
out of a peaceful  
stretch of water into a  
frothing patch of  
dangerous rapids. A  
woman searching for  
peace is met with an  
icy chill when she  
begins arranging  
runestones.... In all  
these stories, there is  
one common thread--  
God's angels are  
waiting and ready to  
powerfully intervene. If  
you have ever doubted  
the presence of angels  
or questioned whether  
God is still acting  
through them, this  
book will inspire you to

look beyond your  
everyday perceptions.  
In the follow-up to their  
2018 title *When God  
Happens: True Stories  
of Modern Day  
Miracles*, bestselling  
authors Angela Hunt  
and Bill Myers invite  
you into the  
miraculous--sharing  
nineteen true,  
firsthand testimonies  
of angelic  
appearances, perfectly  
placed protection, and  
unforeseen  
interventions that will  
encourage you in your  
faith and cause even  
the most skeptical  
minds to take a second  
look. Hear from a  
father whose family  
was saved from back-  
alley cutthroats by a  
mysterious Scotsman,  
a woman whose  
spiritual battle was  
inexplicably resolved  
through a tattooed  
pickup driver

interested in potted plants, and a newlywed home economist whose generosity to an unexpected visitor transformed her life. If you have ever doubted what angels are, where they come from, or how God is working through them today, we pray these stories will open your eyes to the mighty work that is done when God happens.

Angels Currency Have you ever wondered why there are so many religions in the world? Each one claims to be true, and attempts to affirm it by

tales of miracles and books of wisdom. But they can't all be right, can they? In this book, Daniel Clausen shows the origins of false religion and idolatry through the Bible, logic, and his personal experiences as a former occultist and cult leader, where he gained a real and active demonic backing, resulting in a loyal, but deceived following. Read on, and discover the truth of HOW GODS ARE MADE.

Look for Rob Morgan's new book Worry Less, Live More fall of 2017 Why are we feeling so depleted when God has promised us strength equal to our days? Pastor Robert Morgan

leads a busy life as a pastor and is also a multitasking caregiver to his disabled wife. Most days he feels exhausted, yet over time God has shown him how to build himself up when he's worn himself out. He has learned to fully embrace Psalm 84, as he moves from strength to strength. The valleys and the weaknesses are inevitable. Our task is to embrace these as we wait for God to take us to our next time of strength. After reviewing the 232 occurrences of the word strength in Scripture, Pastor Robert discovered twelve clear passages that drop anchor in God's Sea of Strength. Among the kinds of strength available to every believer are:

Lifelong Strength: your strength will equal your days (Deuteronomy 33:25) Lasting Strength: they go from strength to strength (Psalm 84:5-7) Imparted Strength: the eyes of The Lord range throughout the earth to strengthen those whose hearts are fully committed to Him (2 Chronicles 16:9) Joyful Strength: the joy of The Lord is your strength (Nehemiah 8:10) Timely Strength: God is our refuge and strength (Psalm 46:1) Tranquil Strength: in quietness and trust is your strength (Isaiah 30:15) Renewed Strength: those who hope in the Lord will renew their strength (Isaiah 40:31) Recurring Strength: the Lord will strengthen your frame. You will be like a well-watered

garden (Isaiah 58:11) Durable Strength: the Sovereign Lord is my strength; He makes my feet like the feet of a deer, He enables me to tread on the heights (Habakkuk 3:19) Unwavering Strength: Abraham did not waver through unbelief regarding the promise of God, but was strengthened in his faith and gave glory to God (Romans 4:20) Innermost Strength: I pray that out of His glorious riches He may strengthen you with power through His Spirit in your inner being (Ephesians 3:16) Riveting Strength: I can do all this through Him who gives me strength (Philippians 4:13)

The spiritual questions you and your friends ask—about God, the credibility of the Bible, angels, heaven and hell, and even worship and prayer—are important. In fact, understanding your faith depends on finding answers to those questions, answers that work in the real world and that make sense in real conversations. To start you on your journey of discovery, *Exploring Theology* begins with God—probing his nature, character, and work, including a helpful explanation of the Trinity. Then, to keep you from getting lost in the swirl of today's ideas, you will

find a concise presentation of the twelve basic beliefs that separate Christianity from all other religions. After establishing the groundwork, the authors then examine both the historical and physical evidence for the Christian faith, addressing common questions about Christ's resurrection, creation, fulfilled prophecy, the reliability of the Bible, and the changed lives of believers.

Throughout the book, you'll also find discussion questions, ideas for applying what you've learned, and further resources to enhance your individual or group study. "Our faith is not a blind leap into the dark but a sensible step into the light,"

says Robert J. Morgan. So whether you want to be ready to answer a friend who doubts that Christianity is true or you're looking to resolve lingering doubts, this book offers a solid base from which to take a step of faith and experience the ultimate assurance that comes from knowing—and living—the truth.

Jesus Solution

Mediaions

This is a memoir presented in an anthological - like format; in other words, a collection of short stories, on the life of the author. It starts when he was growing up in the Philippine countryside of Ilocos Sur province. Just like a normal kid, he played

with his friends, did crazy things, went to school and moved to Manila, for his college education. He got married while in fifth year college, but still graduated on time. This book relates his struggles, failures, as well as successes, including his coming to America. Searching for the American Dream was no picnic either, but with perseverance, he achieved some of them in modest ways. Foreigners planning to immigrate to the great ol' USA could get glimpses, on what it takes, to come and live in America.

What's the biggest problem most entrepreneurs face?

Raising money:

Without cash, you can't get a business off the ground or keep it running. However, many entrepreneurs have a problem. On one hand, the traditional sources of financing—family, friends, personal savings, the local bank—are often inadequate. On the other, the venture capitalists who have played such an important role in the high-tech industry are interested only in

investing much higher sums than most entrepreneurs need. Enter angels: a new type of investor looking to invest between \$100,000 and \$1,000,000 in a company. There are about three million angel investors, and there's a huge market of entrepreneurs and would-be entrepreneurs who want to learn how to attract angels' interest—and their money. John May and Cal Simmons are at the forefront of this trend. Not only do they have years of experience in advising, managing, and investing in early-stage companies, they are also the originators of The Dinner Club, a Washington, D.C.-based group of successful businesspeople who

hear pitches by entrepreneurs seeking funding and then decide whether to invest their own or the club's money in those entrepreneurial ideas. Every Business Needs an Angel offers a fly-on-the-wall look at how angel investors evaluate new entrepreneurial ideas, and provides a wealth of practical advice and insight for the countless entrepreneurs seeking help in their quest to find investors for their businesses. The book covers all phases of the process of finding angels and persuading them to invest, drawing on many examples of real-world companies that have pitched angels successfully—as well as unsuccessfully. These entrepreneurs

are in a broad range of industries—from high-technology companies to more traditional businesses as diverse as breweries and concierge services—some quite well-known, like Nantucket Nectars and Preview Travel, whose founders had their own guardian angels. For entrepreneurs who need money and advice on how to find it, the authors offer enormous insight into this new breed of investor. As the title says, every business needs an angel; this book tells you how to find one.

 Just as Moses and the Israelites found themselves caught between "the devil and the deep Red Sea," so are we sometimes overwhelmed by life's problems. The Red Sea Rules reveals that even in the midst of seemingly impossible situations God promises to make a way for us. His loving guidance will protect us through danger, illness, marital strife, financial problems, or whatever challenges Satan places in our path. Using the Israelites' story in Exodus 14 as an example, Robert Morgan offers ten sound strategies for moving from fear to faith. Life is hard, especially for Christians. It is certain

that we will face difficulties, and that God will allow them, as He allowed the Israelites to become trapped between Pharaoh's rushing armies and the uncrossable Red Sea. But just as certain is the fact that the same God who led us in will lead us out. As *The Red Sea Rules* makes comfortingly clear, He is in control.
