The Kularnava is perhaps the foremost Tantra of the Kaula School and is constantly cited as an authority in Tantric literature. It is worthy of close study by those who would understand the tenets and practice of the tradition of which it is a Sastra. The Introduction by Arthur Avalon gives a concise outline of the work. Sri M.P. Pandit who is a keen student of the Tantras and Vedas has rendered the work in English in eleven chapters. The readings are free translations, with annotations where necessary, omitting technical details but preserving the spirit and essential import of the original in his characteristically lucid style. The Kularnava prescribes the modes of preparation for the high quest; it draws upon ethics, religion, philosophy, yoga to elevate human life gradually to the level of godly life. It comprehends the multiple personality of man and provides for the healthy growth of his mental faculties, purification of his physical faculties through ritual, japa, mantra and upasana. Who is fit for the path of Tantra? Who is competent to guide the novice on the double-edged razor path? What is the responsibility of a Guru to a disciple? These and other relevant questions are raised and answered in a satisfying manner.

In the first story, *Lingam Massage Lessons*, a group of ladies practise the art of penis massage. Six ladies on a one day course, each has different reasons for being there. Lucy takes things further seeking out extra training. In *My Yoni Massage* one of those ladies volunteers for trainees to practice erotic massage on her. Jill is a working married mum in her thirties who has been with her husband for years. She loves him and they have a good sex life but she is sure it could be even better. Without any sense of guilt she volunteers to be a body for a training session, the lesson is about the erotic art of massaging women with the goal being mind blowing orgasms. Why should she feel guilty, it is just a massage, right? And she did invite her husband to go on such a training session with her but he scoffed at the notion: they do run these sessions for couples, you know. This book is pure erotica. Typical of HJ Perry's imagination: women looking for sex and better sex without romantic connections being necessary. The stories total about 13,000 word and are ideal for reading out loud in bed with your partner.

#1 Guide to the Best Tantric Massage and Tantric Sex (Tantric Massage for Beginners, Sex Positions, Sex Guide for Couples, Sex Games) Simon and Schuster

An illustrated guide to releasing emotional and physical blockages in the pelvic area through massage • Presents step-by-step instructions for sexual organ massages for women and men • Explains techniques to release knots, unravel nerve and lymphatic tangles, dissolve toxins and sediments, and increase blood flow • Effective for impotency, frequent and difficult urination, painful menstruation, ovarian cysts, menopause symptoms, painful intercourse, and low libido as well as back

pain, sciatica, and hormone imbalance Our sexual organs play a major role in our physical and emotional health. Many emotional traumas and stresses are stored in the pelvic region in the form of tension in the muscles, ligaments, and tendons and imbalances in the meridians and organs, resulting in an accumulation of toxins and energetic knots and tangles. Freeing the jing chi of the sexual organs--a powerful source of healing energy--Karsai Nei Tsang helps to resolve physical and emotional blockages in the pelvic area through massage, meridian clearing, and detoxification. Illustrating complete sexual organ massages for women and for men, this book guides you through the techniques of Karsai Nei Tsang--including necessary detox preparations and the underlying Chi Nei Tsang principles--and shows you how to release knots and tight muscles (including the hip, buttock, and thigh muscles), unravel nerve and lymphatic tangles, dissolve toxins and sediments, and increase blood flow to the pelvic area. Addressing common problems associated with our sexual organs, this practice can be used to treat impotency, frequent and difficult urination, painful menstruation, ovarian cysts, menopause symptoms, painful intercourse, and low libido. It is also effective in alleviating back pain and sciatica, improving the body's alignment, strengthening the pelvic floor, balancing the hormones, and increasing general vitality.

Tantric Massage for Beginners Lingam MassageAwakening Male Sexual Energy

A tantric massage practice for awakening and honoring male creative energy and allowing a man conscious, loving contact with his own masculinity • Empowers men to expand and deepen their experience of arousal and sensuality • Demonstrates how deep relaxation is important to a strong and lasting erection • Shows how the lingam connects a man to his dynamic strength while the prostate is linked to his more receptive side Lingam is the Sanskrit word for the male generative organ, the penis. In India, the lingam is revered as an expression of Shiva's clarity, symbolizing the fine sword that differentiates between truth and falsehood. The goal of a lingam massage is to provide a man conscious, loving contact with his own masculinity. Western cultural expectations around sexual "performance" have created sexual difficulties for many men, including erectile dysfunction and premature ejaculation. Through loving touch, lingam massage provides the deep relaxation that supports sustained erection, putting a man in touch with less familiar aspects of his sexuality, including the energetic responses of his perineum, prostate gland, and anus. Lingam massage is not simply a hands-on technique but involves the conscious direction of energy throughout the body. It allows men to savor longer, deeper orgasms and teaches taoist and tantric practices for conserving sexual energy. Over time, as his consciousness deepens, these practices give a man complete control over his ejaculation. *Sex Positions* Createspace Independent Publishing Platform A tantric massage practice for awakening and enhancing women's innate sensual, emotional, and spiritual energies • Provides emotional healing by releasing traumatic memories stored in the yoni • Includes exercises that use sexual energy to cleanse and stimulate the chakras • Empowers women to draw strength and radiant vitality from the restored connection to their innermost core "Yoni" is the Sanskrit word for the female genitalia, describing not only the anatomy but also encompassing the energetic and spiritual dimensions. While a yoni massage offers women the opportunity to enhance their sexuality, Michaela Riedl shows that the effects of this practice are much more profound and have ramifications affecting every area of life. Long held inhibitions in the West about sexuality and the shame and guilt associated with the sexual zones of the body have created deep-seated barriers that prevent individuals from fully

expressing themselves. The practices provided in Yoni Massage are designed to allow women to overcome these barriers and reconnect to their innermost core and deepest feminine nature. Yoni massage is not simply a hands-on technique but involves the conscious direction of energy throughout the body through deep breathing and visualization. It provides women the ability to cleanse and energetically stimulate the chakras as well as achieve emotional healing by releasing the traumatic pain that often becomes seated in the yoni. The author explains that the relegation of this important spiritual and energetic center to a "private part" hinders the process of enlightenment. Once women are able to be in touch with their yoni energy, their connection to the entire web of life is restored to its rightful place.
