DAVENPORT BOYER

The Wave Little,
Brown
A graphically stunning,
comprehensive
introduction to the
constellations This
artful and accessible
introduction to

constellations equips
readers with the
information they need
to locate, name, and
explain all 88
internationally
recognized
constellations. Each
cluster of stars is
featured alongside the
"story" (mythological
or historical) behind its
naming, tips on how to
find it, what times of

year it is visible, and key stars and asterisms within its grouping. Complete with star maps and a glossary, this keepsake volume of visual reference and beauty is perfect for inquisitive young stargazers. Colors are brighter than they appear - printed in pure Pantones. Book jacket features foil stamping and laser-cut pinholes. Ages 7-10
An Epic Novel Anchor Canada

A Novel Open Court
 His name is Dumpster Dog. He sleeps outside, walks himself, and eats whatever he wants, whenever he wants. But a life outdoors isn't everything--Dumpster Dog needs a friend.
Instrumental Simon and Schuster
 This book is great for all age groups young beginners to older

adults! It has a very nice variety of pages to color, and the amount of detail is perfect. Not too little like a kids coloring book, but not too much like the most extreme adult coloring books. It's perfect from professional artist for kids and children to express their creativity, relax and have fun. Encourage your children to be creative and draw a background of their own and color in the images. The coloring book is easy to color designs to help your child create your imaginary which printed on high-quality paper. This book is also suitable for you to release stress. Let's enjoy with them to make the family happy in the special time. Happy Happy!

English Is Not Easy

Simon and Schuster Internationally acclaimed novelist Mario Vargas Llosa has contributed a biweekly column to Spain's major newspaper, *El País*, since 1977. In this collection of columns from the 1990s, Vargas Llosa weighs in on the burning questions of the last decade, including the travails of Latin American democracy, the role of religion in civic life, and the future of globalization. But Vargas Llosa's influence is hardly limited to politics. In some of the liveliest critical writing of his career, he makes a pilgrimage to Bob Marley's shrine in Jamaica, celebrates the sexual abandon of Carnival in Rio, and examines the legacies of Vermeer, Bertolt

Brecht, Frida Kahlo, and Octavio Paz, among others.

The D'oh! of Homer

Jones & Bartlett
Learning

Control your spending, save money, regain peace of mind, and make your life happier and healthier with *Takebo*—the traditional Japanese method of money management that is still widely used today. Having enough money to live is one of the most important factors affecting our health. Trying to balance expenses—utility bills, housing, healthcare, food, and for many, the costs of raising children (not to mention paying for college!)—leaves us worried and stressed. But there is a solution: *Takebo*, a practical, proven method that

helps you keep track of every penny, manage spending, and save up to thirty percent more! With this invaluable guide you'll interact with your spending every day for two years, and learn how to manage your personal budget. Designed like a diary, it allows you to record all your daily expenses week by week so you can see exactly where your money goes. Each day is divided into four categories: 1. primary needs—food, personal hygiene, children; 2. optional needs—shopping, cosmetics, gifts; 3. culture and free time—restaurants, books, entertainment; and 4. extras/foreseeable expenses—such as travel, repairs, tuition, and taxes. *Takebo*

begins with setting a monthly budget. At the beginning of each month, enter your fixed incoming funds and outgoing expenses, and set a savings target. Then, each day, record your various expenses. By keeping close tabs on what you're spending, you'll be able to identify the waste and see the most significant areas where adjustments can be made. *Takebo* also offers practical and motivating tips that teach you how to save more successfully. *Takebo* isn't just about money—it helps to develop self-awareness, self-discipline, and self-esteem, and promotes peace of mind. Best of all, you can begin any time of year—individually

marking the months and days without wasting any pages. Plus, its simple yet inviting for-color graphics help you break down each expense and easily identify see where adjustments need to be made.

Bowie's Bookshelf

Simon and Schuster
Sharing a close bond that supersedes other relationships, Nic, a fiercely reclusive musician; and Denise, his dedicated sister and solitary audience member, become increasingly isolated in the wake of Nic's obsessive work, a situation that grows vulnerable as the siblings age. By the National Book Award-nominated author of *Eat the Document*.

 WEEKLY 2018 GRAPHIC
 NOVEL CRITICS POLL In
 this moving graphic
 memoir, Eisner Award-
 winning writer and
 artist Michael
 Kupperman traces the
 life of his reclusive
 father—the once-world-
 famous Joel
 Kupperman, Quiz Kid.
 That his father is
 slipping into
 dementia—seems to
 embrace it,
 really—means that the
 past he would never
 talk about might be

erased forever. Joel
 Kupperman became
 one of the most
 famous children in
 America during World
 War II as one of the
 young geniuses on the
 series Quiz Kids. With
 the uncanny ability to
 perform complex math
 problems in his head,
 Joel endeared himself
 to audiences across
 the country and
 became a national
 obsession. Following a
 childhood spent in the
 public eye, only to then
 fall victim to the same
 public’s derision, Joel
 deliberately spent the
 remainder of his life
 removed from the
 world at large. With wit
 and heart, Michael
 Kupperman presents a
 fascinating account of
 mid-century radio and
 early television history,
 the pro-Jewish
 propaganda
 entertainment used to

counteract anti-Semitism, and the early age of modern celebrity culture. All the Answers is both a powerful father-son story and an engaging portrayal of what identity came to mean at this turning point in American history, and shows how the biggest stages in the world can overcome even the greatest of players.

A Memoir of Madness, Medication, and Music
 Drawn and Quarterly
 Are you really aware of what you spend? Do you know how to value things beyond their price? For the answer to these questions and more, look no further than *Takebo*- the budgeting journal used by millions every day in Japan to manage their household spending. The Japanese believe that

tidiness in one's finances is as important as tidiness in one's house - indeed for them, the act of thinking mindfully about where one's money goes is in itself a recipe for calm and wellbeing. Keeping a *Takebo* is easy. At the start of each month simply decide how much you want to save and what you need to do to achieve your goal. Then note down your weekly spending and at the end of the month see how it all tallies up. There are slots for you to personalise your *Takebo* according to your own spending routine, and space to reflect and make changes as you go along. Start today - and discover the life-changing magic of *Takebo*...

Peyton Place Penguin

Incorporated
 A cheeky,
 sophisticated, and
 strikingly illustrated
 guide that leaves
 generic English
 reference books in the
 dust When prominent
 Barcelona-based
 illustrator Luci
 Gutiérrez found herself
 tuning out in English
 class, she used her

love of drawing to help
 retain what she'd
 learned. Ditching the
 kind of bland and
 useless phrases that fill
 most English
 textbooks, Gutiérrez
 uses whimsical
 characters, cheeky
 dialogue, and even
 insults to bring
 vocabulary, grammar,
 and usage topics to
 life. Nearly forty-seven
 million people in the
 United States speak a
 language other than
 English at home, and
 even most native
 speakers struggle with
 subtle distinctions,
 such as when to use
 "whether" as opposed
 to "if." (For example: I
 wonder whether I
 should have added a
 little more poison to his
 tea.) Already published
 to wide acclaim
 abroad, *English Is Not
 Easy* is sure to delight
 grammar mavens and

students of English in America.

Selected

Commentary Dell Publishing Company

This book contributes to and expands on the major international Comparative Policy Agendas Project. It sets the project in context, and provides a comprehensive assessment of the changing policy agenda in Australia over a forty-year period, using a unique systematic dataset of governor-general speeches, legislation and parliamentary questions, and then mapping these on to media coverage and what the public believes (according to poll evidence) government should be concentrating upon. The book answers some important

questions in political science: what are the most important legislative priorities for government over time? Does the government follow talk with action? Does government attend to the issues the public identifies as most important? And how does media attention follow the policy agenda? The authors deploy their unique dataset to provide a new and exciting perspective on the nature of Australian public policy and the Comparative Policy Agendas Project more broadly. [Policy Agendas in Australia](#) Penguin Named one of Entertainment Weekly's 12 biggest music memoirs this fall. "An artful and wildly enthralling path for Bowie fans in

particular and book lovers in general.” —Publishers Weekly (starred review) “The only art I’ll ever study is stuff that I can steal from.” —David Bowie

Three years before David Bowie died, he shared a list of 100 books that changed his life. His choices span fiction and nonfiction, literary and irreverent, and include timeless classics alongside eyebrow-raising obscurities. In 100 short essays, music journalist John O’Connell studies each book on Bowie’s list and contextualizes it in the artist’s life and work. How did the power imbued in a single suit of armor in *The Iliad* impact a man who loved costumes, shifting identity, and the siren song of the alter-ego? How did *The*

Gnostic Gospels inform Bowie’s own hazy personal cosmology? How did the poems of T.S. Eliot and Frank O’Hara, the fiction of Vladimir Nabokov and Anthony Burgess, the comics of *The Beano* and *The Viz*, and the groundbreaking politics of James Baldwin influence Bowie’s lyrics, his sound, his artistic outlook? How did the 100 books on this list influence one of the most influential artists of a generation? Heartfelt, analytical, and totally original, *Bowie’s Bookshelf* is one part epic reading guide and one part biography of a music legend.

Based on Real Events
 Bloomsbury Publishing
 USA

This unconventional and lighthearted introduction to the

ideas of the major Western philosophers examines *The Simpsons* — TV’s favorite animated family. The authors look beyond the jokes, the crudeness, the attacks on society — and see a clever display of irony, social criticism, and philosophical thought. The writers begin with an examination of the characters. Does Homer actually display Aristotle’s virtues of character? In what way does Bart exemplify American pragmatism? The book also examines the ethics and themes of the show, and concludes with discussions of how the series reflects the work of Aristotle, Marx, Camus, Sartre, and other thinkers. [Christmas Around The World Coloring Book](#)

Montlake Romance
 “Marvelous . . . [Vonnegut] wheels out all the complaints about America and makes them seem fresh, funny, outrageous, hateful and lovable.”—The New York Times
 In *Breakfast of Champions*, one of Kurt Vonnegut’s most beloved characters, the aging writer Kilgore Trout, finds to his horror that a Midwest car dealer is taking his fiction as truth. What follows is murderously funny satire, as Vonnegut looks at war, sex, racism, success, politics, and pollution in America and reminds us how to see the truth. “Free-wheeling, wild and great . . . uniquely Vonnegut.”—Publishers Weekly

Japanese Art of Mindful Spending
 DISCOVER THE JAPANESE SECRET TO FINANCIAL WELL-BEING: The Kakeibo is a wonderful tool for anyone who wants to make keeping track of their spending more streamlined People in Japan are masters of minimal living, able to make do with less in all aspects of life, whether it's de-cluttering personal belongings or savvy seasonal cooking. At the heart of all this is the kakeibo: the budgeting journal used to set savings goals and track spending. The premise is simple: at the beginning of each month, the prompts in this book help you to plan how much you would like to save and what you need to do in order to reach your

goal. The kakeibo then gives you space to jot down your weekly spending and reflect on the month just gone. The act of completing your journal ensures that saving is a part of your everyday life, while also giving you the opportunity to reflect and improve every month.
The Adventures of Captain Underpants
 Piramide Ediciones Sa
 Parallel stories set in different times, one told in prose and one in pictures, converge as a girl unravels the mystery of the abandoned Thornhill Institute next door.
 1982: Mary is a lonely orphan at the Thornhill Institute For Children at the very moment that it's shutting its doors. When her few friends are all adopted or re-homed and she's

left to face a volatile bully alone, her revenge will have a lasting effect on the bully, on Mary, and on Thornhill itself. 2017: Ella has just moved to a new town where she knows no one. From her room on the top floor of her new home, she has a perfect view of the dilapidated, abandoned Thornhill Institute across the way, where she glimpses a girl in the window. Determined to befriend the girl and solidify the link between them, Ella resolves to unravel Thornhill's shadowy past. Told in alternating, interwoven plotlines—Mary's through intimate diary entries and Ella's in bold, striking art—Pam Smy's *Thornhill* is a haunting exploration of

human connection, filled with suspense.

101 Experiments in the Philosophy of Everyday Life

Enchanted Lion Books
Captain Underpants, the former school principal turned crime-fighting, wedgie-dodging superhero, uses his wacky talents to outwit the evil Dr. Diaper. By the author of the *Dumb Bunnies* series.

Foreskin's Lament

Macmillan

An acclaimed indie rocker from the Eels discusses his turbulent upbringing outside of the sphere of his absent acclaimed physicist father, the tragic losses of his family members, and his efforts to forge a career in the alternative music scene. 75,000 first printing.
