REED CALLAHAN

The The Sun and Her Flowers National Geographic
 As women of childbearing age have become heavier, the trade-off between maternal and child health created by variation in gestational weight gain has become more difficult to reconcile. *Weight Gain During Pregnancy* responds to the need for a reexamination of the 1990 Institute of Medicine guidelines for weight gain during pregnancy. It builds on the conceptual framework that underscored the 1990 weight gain guidelines and addresses the need to update them through a comprehensive review of the literature and independent analyses of existing databases. The book explores relationships between weight gain during pregnancy and a variety of factors (e.g., the mother's weight and height before pregnancy) and places this in the context of the health of the infant and the mother, presenting specific, updated target ranges for weight gain during pregnancy and guidelines for proper measurement. New features of this book include a specific range of recommended gain for obese women. *Weight Gain During Pregnancy* is intended to assist

practitioners who care for women of childbearing age, policy makers, educators, researchers, and the pregnant women themselves to understand the role of gestational weight gain and to provide them with the tools needed to promote optimal pregnancy outcomes.

Kaifi and I Independently Published

Describes recent reforms adopted in some jurisdictions, such as protecting the anonymity of the victim & allowing complainants to report sexual assault even when the victim chooses not to press charges. Law enforcement officials & district attorneys have worked to support compensation for victims & also have created victim-witness advocate positions to help victims navigate the criminal justice process & speed their recovery. Contains a glossary, resources, & tables.

Be My Mummy Ballantine Books

Discover this special ebook written and read by bestselling author and award-winning actress Julianne Moore! In *My Mom Is a Foreigner, But Not to Me*, Julianne Moore pays homage to all the Muttis, Mammias, and Mamans who are from another country. A foreign mom may eat, speak, and dress differently than other moms—she may wear special clothes for holidays, twist hair in strange old-fashioned braids, and cook recipes passed down from

grandma. Such a mom may be different than other moms, but...she is also clearly the best. Vividly illustrated by Meilo So, this funny and heartwarming picture book about growing up in multiple cultures celebrates the diverse world in which we live. This version includes a read-along setting. If your device allows audio, you can listen along as Moore reads the story aloud!

Get ready for the best year of your life! 365 Sex Moves offers couples hot and exciting positions for every day of the year. Filled with stunning photography and short technique descriptions that get right to the point, this book allows you to simply pick-up-and-play and do the position shown. Whether you're interested in trying something just a little different or are ready for an advanced acrobatic position, 365 Sex Moves has it all. With this sexy little guide, you'll never know what the day—or night—will bring.

The Ansel Adams Wilderness Princeton University Press

Rupi Kaur performs the first-ever recording of the sun and her flowers, her second #1 New York Times bestselling collection of poetry and prose. This production was recorded in 2021 along with the brand-new audio edition of *milk and honey* and the debut audio recording of *home body*. Divided into five chapters, this volume is a journey through the life cycle of wilting, falling, rooting, rising, and blooming. It is a celebration of love in all its forms.

Home Body Penguin Random House India Private Limited

From the author of the incredible debut novel, *Be Near Me*. Finalist for the Man Booker Prize, the International IMPAC Dublin Literary Award, and the Whitbread Award. Hugh Bawn was a modern hero, a visionary urban planner, a man of the people who revolutionized Scotland's residential development after the Second World War. But times have changed. Now, as he lies dying in one of his own failed buildings, his grandson Jamie comes home to watch over him. The old man's final months bring Jamie to see what is best and worst in the past that haunts them all, and he sees the fears of his own life unravel in the land that bred him. It is Jamie who tells the story of his family, of three generations of pride and delusion, of nationality and strong drink, of Catholic faith and the end of political idealism. It is a tale of dark hearts and modern houses, of three men in search of Utopia. A poignant and powerful reclamation of the past, *Our Fathers* is a deeply felt, beautifully crafted, utterly unforgettable novel.

Nikah Halala National Academies Press

Below are 40 Kama Sutra positions for you to try out with your partner. How you wish to engage in them is up to you and whether you want to change them up is your preference. Open the doors of fantasy and discover the boundless world of new sensations! Looking for love positions for the lazy or tired, or do you want to actively dominate? Take your pick! The modern Kamasutra in pictures will satisfy any, even the most demanding taste.

The Pathfinder, a Journal of Independent Religious Reform Harlequin Mills & Boon

From the heart of a well-known family of Hyderabad to life in a single room with the barest of necessities, Shaukat Kaifi's memoir of her life with the renowned poet Kaifi Azmi speaks of love and commitment. A marriage of over a half a century, a life steeped in poetry and progressive politics, continuing involvement with the Indian People's Theatre Association, the Progressive Writers Association, Prithvi Theatre... all of these and more inform this beautifully told tale of love. Shaukat Kaifi's writing details life in a communist commune, a long career in theatre and film and a life spent bringing up her two children, cinematographer Baba Azmi

and actor Shabana Azmi. Nasreen Rehman's deft and fluent translation brings this luminous memoir alive with warmth and empathy. "To say that this is a lovely book would be an understatement. It is an enchanting recollection of the life of a hugely talented and sensitive human being, shared with a great poet." -- Amartya Sen. Published by Zubaan.

365 Sex Moves University of Chicago Press

From the New York Times bestselling author of *How to Be a Bawse* comes an "insightful and charmingly funny" (Rupi Kaur) primer on learning to come home to your truest and happiest self. "I love Lilly's honest and helpful advice about achieving happiness."—Mindy Kaling, #1 New York Times bestselling author of *Why Not Me?* "It's time to flip right side up. It's time for this book title to make sense. It's time to be a triangle."

Everyone—even world-famous actress, author, and creator Lilly Singh—knows that sometimes life just sucks. In this book, Singh provides a safe space where readers can learn how to create a sense of peace within themselves. Without sugarcoating what it's like to face adversity—including acknowledging her own intensely personal struggles with identity, success, and self-doubt—Singh teaches readers to "unsubscribe" from cookie-cutter ideals. With her signature blend of vulnerability, insight, and humor, Singh instructs readers to "be a triangle," creating a solid foundation for your life, one that can be built upon, but never fundamentally changed or destroyed. As she puts it, we must always find a way to come home to ourselves: "we must create a place, a system of beliefs, a simple set of priorities to come back to should life lead us astray, which it definitely will." Like a wise, empathetic friend who always keeps you honest, Singh pushes you to adjust your mindset and change your internal dialogue. The result is a deeply humane, entertaining, and uplifting guide to befriending yourself and becoming a true "miracle for the world."

Pretty Things Bloomsbury Publishing

"Sutanto brilliantly infuses comedy and culture into the unpredictable rom-com/murder mystery mashup as Meddy navigates familial duty, possible arrest and a groomzilla. I laughed out loud and you will too."—USA Today (four-star review) "A hilarious, heartfelt romp of a novel about—what else?—accidental murder and the bond of family. This book had me laughing aloud within its first five pages... Utterly clever, deeply funny, and altogether charming, this book is sure to be one of the best of the year!"—Emily Henry, New York Times bestselling author of *Beach Read* One of NPR's Best Books of 2021! One of PopSugar's "42 Books Everyone Will Be Talking About in 2021"! What happens when you mix 1 (accidental) murder with 2 thousand wedding guests, and then toss in a possible curse on 3 generations of an immigrant Chinese-Indonesian family? You get 4 meddling Asian aunties coming to the rescue! When Meddelin Chan ends up accidentally killing her blind date, her meddlesome mother calls for her even more meddlesome aunties to help get rid of the body. Unfortunately, a dead body proves to be a lot more challenging to dispose of than one might anticipate, especially when it is inadvertently shipped in a cake cooler to the over-the-top billionaire wedding Meddy, her Ma, and aunties are working at an island resort on the California coastline. It's the biggest job yet for the family wedding business—"Don't leave your big day to chance, leave it to the Chans!"—and nothing, not even an unsavory corpse, will get in the way of her auntie's perfect buttercream flowers. But things go from inconvenient to downright torturous when Meddy's great college love—and biggest heartbreak—makes a surprise appearance amid the wedding chaos. Is it possible to escape murder charges, charm her ex back into her life, and pull off a stunning wedding all in one weekend?

Khullam Khulla Zubaan

Son of a famous father. Father of a famous son. I am the hyphen between them. Only, Rishi Kapoor was and is so much more. Few actors in Hindi cinema have had this sort of a career arc: from the gawky adolescent pining for his schoolteacher (*Mera Naam Joker*, 1970) to the naughty ninety-year-old (*Kapoor & Sons*, 2016), Rishi Kapoor has regaled audiences for close to fifty years. He won a National Award for his debut, became an overnight sensation with his first film as a leading man (*Bobby*, 1973), and carved a niche for himself with a string of romantic musical blockbusters in an era known for its angst-ridden films. He was the youth icon that is still the toast of the satellite TV circuit. The songs he lip-synced are the bread and butter of all radio stations even today. Then there was the second coming after a brief hiatus in the 1990s - as one of the finest actors in mainstream Hindi cinema with powerhouse performances in films like *Do Dooni Chaar*, *D-Day*, *Agneepath* and others. Characteristically candid, Rishi Kapoor brings Punjabi brio to the writing of *Khullam Khulla*. This is as up close and personal a biography as any fan could have hoped for. He writes about growing up in the shadow of a legendary father, skipping school to act in *Mera Naam Joker*, the workings of the musical hits of the era, an encounter with Dawood Ibrahim, his heroines (their working relationship, the gossip and the frisson that was sometimes real), his approach to his craft, his tryst with clinical depression, and more. A foreword by Ranbir Kapoor and a stirring afterword by Neetu Singh bookend the warmest, most *dil se* biography an Indian star has ever penned.

British Battles on Land and Sea Simon and Schuster

Saudi Arabia is a wealthy and powerful country which wields influence in the West and across the Islamic world. Yet it remains a closed society. Its history in the twentieth century is dominated by the story of state formation. After the collapse of the Ottoman Empire, Ibn Sa'ud fought a long campaign to bring together a disparate people from across the Arabian peninsula. In 1932 the Kingdom of Saudi Arabia was born. Madawi al-Rasheed traces its extraordinary history from the age of emirates in the nineteenth century, through the 1990 Gulf War, to the present day. She fuses chronology with analysis, personal experience with oral histories, and draws on local and foreign documents to illuminate the social and cultural life of the Saudis. This is a rich and rewarding book which will be invaluable to students, and to all those trying to understand the enigma of Saudi Arabia.

Om Books International

A "eye-opening, gritty, and compelling" memoir by one of New York City's last Times Square peep show girls (*The Paris Review Online*). In 2006, Gotham City Video was among the last of its kind where, breathing in a cocktail of Pine-Sol and Windex, a man paid \$40 to watch a girl strip naked behind glass. These fantasy lands, left over from the days when 42nd Street was the center of vice, eventually disappeared from the rapidly gentrifying city, their stories lost forever. Not those of tenderloin grinder, Sheila McCelar. Pulling back the curtain on the little-documented world of the peeps, her "ribald . . . memorable and highly relevant" (*The Daily Beast*) reflection is "both a eulogy and a paean to the freaks and misfits who have long given their souls to the city" (*Matthew Gallaway*, author of *The Metropolis Case*). A late bloomer from small-town Michigan, Sheila arrived in New York as a struggling actress and soon found herself adrift. Borderline homeless, and crashing with friends, she finally got steady work that paid the rent—as a stripper along the triple-x stretch of Eighth Avenue. When Times Square seeped into her blood, she ended up staying much longer than she imagined. The story she tells is not just of her own coming-of-age, it's a "sharp, sweetly personal . . . fascinating and honest" narrative of modern life on the fringes of society in New York City (*Mark Jacobson*, author of *Pale Horse Rider*).

Breastfeeding Goddesses Dial A for Aunties

Breastfeeding can be messy, uncomfortable, and even painful at times, but the mother's inner consciousness tells another story. The images in this book depict the way each woman feels while nursing: pure, beautiful, saintly, celestial. She is a beauty in an ancient mural. A powerful miracle in the snow. A golden ray on the shore. A Breastfeeding Goddess. Gorgeous, full color, hardcover coffee table book.

Glimpses of Indian Birds Springer

Muslim society in India remains in a state of denial when it comes to *nikah halala*. The Quran allows divorce twice. After that the spouses either live together happily or divorce gracefully. Nowhere does it allow marriage with a pre-arranged date of divorce to a new man only to go back to the former husband. *Nikah Halala: Sleeping with a Stranger* is a probing exercise that exposes the cycle of instant triple talaq followed by a fake marriage, which too ends with another instant triple talaq that allows the woman to marry the former husband. While the holy book does not mention instant triple talaq, this tradition is unique to the Indian subcontinent that claims to bring squabbling couples together but ends up making a mockery of the faith and punishes women for the crimes of men. The first ever book to talk of the subject, *Nikah Halala* presents the sordid reality of mock marriages against the background of Quranic injunction on the subject and exposes the departure in practice from the teachings of the holy book that gives divorced women complete freedom to follow their path.
