Late one night, the residents of Styles wake to find Emily Inglethorp dying of what proves to be strychnine poisoning. Hastings, a houseguest, enlists the help of his friend Hercule Poirot, who is staying in the nearby village, Styles St Mary. Poirot pieces together events surrounding the murder. On the day she was killed, Mrs Inglethorp was overheard arguing with someone, most likely either her husband, Alfred, or her stepson, John. Afterwards, she seemed quite distressed and, apparently, made a new will - which no one can find. She ate little at dinner and retired early to her room with her document case. The case was later forced open by someone and a document removed. Alfred Inglethorp left Styles earlier in the evening and stayed overnight in the nearby village, so was not present when the poisoning occurred. No one knows exactly when or how the strychnine was administered to Mrs Inglethorp... Get Your Copy Now.

With "a touch of genius," this round-robin mystery follow-up to *The Floating Admiral* features famous detectives including Lord Peter Wimsey (*The Times Literary Supplement*). Following the success of *The Floating Admiral*, in which certain members of the Detection Club—including Agatha Christie, Dorothy L. Sayers, and G. K. Chesterton—collaborated on a whodunit, six writers pooled their talents to create another coauthored mystery. This time the premise had an added twist: authors would swap their detective characters, allowing for some extremely entertaining parodies of one another's sleuths. When a ruthless British newspaper tycoon is shot dead in his home, the high-level suspects include the assistant commissioner of Scotland Yard, casting doubt on the impartiality of a formal police investigation. As a solution, the home secretary brings in four brilliant detectives to solve the murder: Mrs. Bradley, Sir John Saumarez, Lord Peter Wimsey, and Roger Sheringham. Featuring a preface by inaugural Detection Club member Agatha Christie, this playful tour de force gathers

together half a dozen Golden Age Mystery masters: John Rhode, Helen Simpson, Gladys Mitchell, Anthony Berkeley, Dorothy L. Sayers, and Milward Kennedy.

At last, a single volume that gathers together all of the short stories featuring Agatha Christie's most famous creation, Hercule Poirot. The dapper, mustache-twirling little Belgian with the egg-shaped head and curious mannerisms has solved some of the most puzzling crimes of the century—and, in his own humble opinion, is "probably the greatest detective in the world." In this

complete collection of more than 50 stories, ranging from short tales to novellas, Poirot faces violent murders, poisonings, kidnappings, and thefts—all solved with his characteristic panache. Only Agatha Christie could have devised cases worthy of Hercule Poirot's skill and "little gray cells."

Hercule Poirot made his first public appearance in 1920 at the age, one guesses, of about 60. He finally breathed his metaphorical last in 1975 at the age of maybe 75 or 80. And in that short span of time - either 55 years or about 20, depending on how you count it - Poirot became one of England's most profitable and ubiquitous export commodities. But it's very clear that his creator, Agatha Christie, did not at first intend for it to go that way. She made a very definite attempt to end the Hercule Poirot saga in the mid-1920s, when his story consisted simply of three novels and 25 short stories. It is that first Hercule Poirot bibliography, the one Christie clearly intended to leave for posterity when she typed up the last few words of "The Crag in the Dolomites" sometime in 1924, that is presented in this collection.

The Complete Short Stories with Hercule Poirot - Vol 3

HarperCollins UK

A brand new omnibus of 55 short stories, presented for the first time in chronological order. Described by her friend Dolly Bantry as 'the typical old maid of fiction', Miss Marple has lived almost her entire life in the sleepy hamlet of St Mary Mead. Yet, by observing village life she has gained an unparalleled insight into human nature -- and used it to devastating effect. As her friend Sir Henry Clithering, the ex-Commissioner of Scotland Yard has been

heard to say: 'She's just the finest detective God ever made.' -- and many Agatha Christie fans would agree. Appearing for the first time in *The Murder at The Vicarage* (1930) her crime-fighting career spanned over forty years when she solved her final case in 1977 in *Sleeping Murder*. With every tale flawlessly plotted by the Queen of Crime herself, these short stories provide a feast for hardened Agatha Christie addicts as well as those who have grown to love the detective through her many film and television appearances. Here, for the first time, more than 50 of Agatha Christie's mini masterpieces have been collected together in one volume, perfectly illustrating the true breadth of her talent. As well as every story featuring Miss Marple, the book includes additional stand-alone tales, from macabre tales of the supernatural, through suspense-ridden mysteries, to heart-stopping cases of murder.
