Could you use some light in your life, some motivation to go after your dreams? Some inspiration to help you stay focused and in awe about what truly is possible for you? We often forget that we are infinite beings, who can do, be, and have anything our heart desires but we often get derailed by our negative and limiting thoughts, the illusions we live by that keeps us playing small because we fear change, we fear failure, or we simply don't think more is in store for us. If this sounds familiar then these 365 days of inspiration and motivation will bring back the light that has been missing in your life, each message holds a deeper meaning for you that only you can decipher for yourself. They are messages that only you will understand the true meaning behind each word. These messages will shine light

onto the challenges you have been facing as well as guide you on setting yourself free from those negative patters, the gremlins that have been holding you back from stepping into your full potential and going after your dreams and heart desires. On my search for more joy, happiness, success as well as fulfillment, I stumbled upon the Akashic Records and through my studying, I received the spiritual guidance to share these messages with the world and this is how these 365 messages came about; to bring you divine guidance from the Universe. If you are at a point in your life where you are ready to step outside of your bubble, to claim what you truly desire, then these messages will help you stay motivated and inspired to take that next step onto your journey of great joy, happiness and success. Eva, a spiritual mentor from Canada says: "365 Days - Your daily dose of Inspiration and Motivation by Kay Sanders are messages I look forward to on a daily basis. Kay's inspirations are very profound. So thankful for Kay's words

of inspiration each day." I promise that these messages will bring you great joy, inspiration, and motivation to tackle each day and to help you stay on your path to never giving up, to keep moving forward and going after your dreams and creating the life your heart desires. If you have had this longing to be, do, and have more then don't wait! Don't be that person who envy's others for all that they have, for the great lifestyle they live, for the amazing success they experience, for the joy and happiness they radiate. You too can create this lifestyle for yourself; believe that anything is possible, that you too can have all that your heart desires. Abundance, joy, happiness and great success is not something that is reserved for others; you too can create all the abundance, all the joy, all the happiness and all the success your heart desires. Be the person who does not let their situation or circumstance determine their life. You can choose to say no to all the struggles, say no to the challenges you may be experiencing and say

YES to abundance, say YES to Joy, Happiness, and immense Success in your life. The messages you will find within these 365 days of inspiration and motivation are divine messages that will bring you the inspiration and motivation to help you stay your course towards creating the life you desire, to create more joy, happiness and success in your life. All of us have something to share and learn from one another. Our different backgrounds, races, and beliefs can find common ground even in the

smallest of ways. This collection of inspirational quotes is designed to help you find direction on your life's journey. Angelica Wolf started writing poetry and inspirational quotes as a young girl in her native Spanish language. She was born and raised in Mexico and moved to the United States in her early 20s. She previously worked as a freelance writer for two Spanish-language newspapers in GA. As a passionate writer, a few years after learning English, she began to write again. I kept telling myself time after time not to be afraid to put myself out there for constant correction or criticism about my broken English. After two years of writing and editing, she is excited to publish her first book.
