Its lyrics were written by Paul Anka and set to music based on the French song "Comme d'habitude" composed in 1967 by Claude Francois and Jacques Revaux, with lyrics by Claude Francois and Gilles Thibault. Anka's English lyrics are unrelated to the original French song. "My Way" is often quoted as the most covered song in history. The lyrics of "My Way" tells the story of a man who is nearly dead. He is comfortable with it and takes responsibility for how he dealt with all the twists of his life while maintaining a respectable degree of integrity. Paul Anka heard the original 1967 French pop song, Comme d'habitude (as usual) performed by Claude Francois, while on holiday in the...

Just in time for the Chairman's centennial, the endlessly absorbing sequel to James Kaplan's bestselling Frank: The Voice—which completes the definitive biography that Frank Sinatra, justly termed the "Entertainer of the Century," deserves and requires. Like Peter Guralnick on Elvis, Kaplan goes behind the legend to give us the man in full, in his many guises and aspects: peerless singer, (sometimes) accomplished actor, business mogul, tireless lover, and associate of the powerful and infamous. In 2010's Frank: The Voice, James Kaplan, in rich, distinctive, compulsively readable prose, told the story of Frank Sinatra's meteoric rise to fame, subsequent failures, and reinvention as a star of live performance and screen. The story of "Ol' Blue Eyes" continues with Sinatra: The Chairman, picking up the day after he claimed his Academy Award in 1954 and had reestablished himself as the top recording artist. Sinatra's life post-Oscar was astonishing in scope and achievement and, occasionally, scandal, including immortal recordings almost too numerous to count, affairs ditto, many memorable films (and

more than a few stinkers), Rat Pack hijinks that mesmerized the world with their air of masculine privilege, and an intimate involvement at the intersection of politics and organized crime that continues to shock and astound with its hubris. James Kaplan has orchestrated the wildly disparate aspects of Frank Sinatra's life and character into an American epic—a towering achievement in biography of a stature befitting its subject.

An Avid's Guide to Sixties Songwriters Schiffer Pub Limited Fred Astaire defined elegance on the dance floor. With white tie, tails and a succession of elegant partners - Ginger Rogers, Cyd Charisse, Rita Hayworth, Eleanor Powell, Judy Garland and others - he created an indelible image of the Anglo bon vivant. His origins, though, were far more humble: Born in Omaha, Nebraska, Fred Astaire came from Midwestern stock that partially had its origin in the late nineteenth century Jewish communities of Austria. At first, he played second fiddle in vaudeville to his sister, Adele; however, once he learned how to tap and bought his first Brooks Brothers suit, the game changed. How did he transform himself from a small town Nebraska boy into the most sophisticated man ever to dance across a dance floor? In this comprehensive new book about the life and artistry of Fred Astaire, Peter Levinson looks carefully at the entirety of Astaire's career from vaudeville to Broadway to Hollywood to television. He explores Astaire's relationships with his vivacious dance partners, his friendship with songwriters like George Gershwin and Irving Berlin and his relationship with choreographers like Hermes Pan to discover how Astaire, in effect, created his elegant persona. Astaire put his mark on the Hollywood musical, starting his career at RKO and then moving to MGM. From his long list of films, certain classics like "Swing Time", "Top Hat", "Royal Wedding" and "The Bandwagon" revolutionized the presentation of dance on film; but, he also revolutionized the television variety special with the Emmy-Award-Winning "An Evening With Fred Astaire". For 'Puttin' on the Ritz", veteran Hollywood insider, Peter Levinson interviewed over two hundred people who worked closely with Astaire such as Debbie Reynolds, Dick Van Dyke, Artie Shaw, Bobby Short, Oscar Peterson, Mel Ferrer, Betty Garrett, Joel Grey, Arlene Dahl, Michael Kidd, Betty Comden, Onna White, Margaret Whiting, Andy Williams, and others like Quincy Jones, John Travolta, and John Williams, to provide an intimate window on to his professional as well as his personal life. His new biography of Astaire is a celebration of the great era of sophistication on Broadway and in Hollywood as seen through the life of a man who

learned how to put on the Ritz and become America's premiere song-and-dance-man: Fred Astaire.

John Herndon "Johnny" Mercer (1909–76) remained in the forefront of American popular music from the 1930s through the 1960s, writing over a thousand songs, collaborating with all the great popular composers and jazz musicians of his day, working in Hollywood and on Broadway, and as cofounder of Capitol Records, helping to promote the careers of Nat "King" Cole, Margaret Whiting, Peggy Lee, and many other singers. Mercer's songs—sung by Bing Crosby, Billie Holiday, Judy Garland, Frank Sinatra, Ella Fitzgerald, Tony Bennett, Lena Horne, and scores of other performers—are canonical parts of the great American songbook. Four of his songs received Academy Awards: "Moon River," "Days of Wine and Roses," "On the Atchison, Topeka, and the Santa Fe," and "In the Cool, Cool, Cool of the Evening."

Mercer standards such as "Hooray for Hollywood" and "You Must Have Been a Beautiful Baby" remain in the popular imagination. Exhaustively researched, Glenn T. Eskew's biography improves upon earlier popular treatments of the Savannah, Georgia-born songwriter to produce a sophisticated, insightful, evenhanded examination of one of America's most popular and successful chart-toppers. Johnny Mercer: Southern Songwriter for the World provides a compelling chronological narrative that places Mercer within a larger framework of diaspora entertainers who spread a southern multiracial culture across the nation and around the world. Eskew contends that Mercer and much of his music remained rooted in his native South, being deeply influenced by the folk music of coastal Georgia and the blues and jazz recordings made by black and white musicians. At Capitol Records, Mercer helped redirect American popular music by commodifying these formerly distinctive regional sounds into popular music. When rock 'n' roll diminished opportunities at home, Mercer looked abroad, collaborating with international composers to create transnational songs. At heart, Eskew says, Mercer was a jazz musician rather than a Tin Pan Alley lyricist, and the interpenetration of jazz and popular song that he created expressed elements of his southern heritage that made his work distinctive and consistently kept his music before an approving audience.

But today's judiciary is becoming more apt to use pop culture, modern music, as well as humor in their decisions. This book gives examples of how songs and their lyrics have influenced judges, provided themes for their decisions, and helped make existing law more accessible to lay persons. Mark W. Klingensmith examines the clever ways judges have used them to enhance their judicial writings and how modern day musical lyrics that have effectively become recognized legal maxims by the courts. judicial writings.
