The Mane Attraction Kensington Books

The Gift of the Magi is a treasured short story written by O. Henry. A young and very much in love couple can barely afford their one-room apartment, let alone the extra expense of getting Christmas presents for one another. But each is determined to show their love for the other in this traditional time of giving; each sells a thing they hold most dear in order to afford a present, with poignant and touching results that capture their love for one another.

Farewell to Manzanar Kensington Publishing Corp.

New York Times-Bestselling Author: Even the king of the beasts can find himself unexpectedly tamed by the right woman... Weddings have the strangest effect on people. Exhibit 1: Sissy Mae waking up in Mitch Shaw's bed the morning after her brother Bobby Ray's nuptials. Exhibit 2: the gunmen trying to kill Mitch. Exhibit 3: Sissy Mae escorting a bleeding yet sexy lion shifter to her Tennessee Pack's turf for safe keeping. It doesn't help that Mitch's appraising gaze makes her feel like the most desirable creature on earth... Mitch is an undercover cop about to testify against some dangerous ex-associates. Even more worrisome, he's harboring hot, X-rated fantasies about one fast-talking little canine--and he has to deal with every male in Sissy Mae's Pack sniffing around her in a way that makes his hackles rise. Mitch has his pride, and he intends to show Sissy Mae that when a lion sets out to make you his mate, the only thing to do is purr, roll over, and enjoy one hell of a ride... "Laurenston's latest couple is unabashedly sexual, which makes their emotional battle of wills all the more enjoyable."—Romantic Times
Hunting Season Kensington Books

A feline shifter finds a man who makes her roar in a novel by the New York Times-bestselling author who has "a gift with words and humor" (USA Today). Growing up on the tough Philly streets, Gwen O'Neill knows how to fend for herself. But what is she supposed to do with a nice suburban Jersey boy who has a tendency to turn into a massive Grizzly? Despite his menacing growl and four-inch claws, Gwen finds Lachlan "Lock" MacRyrie cute and really sweet. He actually watches out for her, and unlike the rest of her out-of-control family, manages not to morbidly embarrass her. Too bad cats don't believe in forever. At nearly seven feet tall, Lock is used to people responding to him in two ways: screaming or running away. Gwen--half lioness, half tigress, all kick-ass--does neither. She's sexy beyond belief and smart as hell, but she's so busy protecting her family and friends that she's forgetting about her own safety. Lock probably shouldn't get involved, but he can't simply walk away. Not when Gwen means absolutely everything to him. "With a sharp eye for detail, Laurenston manages to combine Animal Planet and The Sopranos with bonus life-altering roller derby. Fans of the series will enjoy this latest addition."—Publishers Weekly Praise for Shelly Laurenston's novels "Bear Meets Girl is hilarious, sexy fun."--Heroes and Heartbreakers

A Wrinkle in Time is the winner of the 1963 Newbery Medal. It was a dark and stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. A Wrinkle in Time, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem.

Goddess of the Sea Kensington Books

First in the Drake Sisters series from the "reigning queen of the paranormal romance"--#1 New York Times bestselling author of the Carpathian and Sea Haven novels. The story of Sarah, the eldest of the extraordinary—and magical—Drake sisters, now rewritten and expanded, in this very special collector's edition... "Sarah Drake has come home." Ever since Damon Wilder sought refuge in Sea Haven, he's heard the same breathless rumor pass the lips of nearly every local in the sleepy coastal town. Even the wind seems to whisper her name—a reverie so powerfully suggestive that it carries the curious Damon to Sarah's clifftop home, and seeks to shelter him there. But Damon has not arrived alone. A killer has tracked him to Sea Haven, and into the shadows of Drake House. But Sarah has her own secrets, and danger—as well as a desire more urgent than either has ever known—is just a whisper away... Magic in the Wind previously appeared in Lover Beware. Christine Feehan is the author of Dark Wolf, Dark Lycan, Air Bound, Leopard's Prey, Samurai Game, and numerous other bestselling novels.
