*How a Sled Dog Saved  
the Children of Nome*  
New York : Crowell  
The title and subtitle  
say a great deal about  
the character of this  
book. These are stories  
about people who  
inevitably stand out in  
a crowd for their  
personal attributes,

their ethical standards,  
the ways in which they  
have coped with great  
problems, and their  
remarkable  
achievements.

Significantly, fourteen  
of the sixteen stories in  
this book are about  
people who have in  
some way contributed  
to better government.  
Several have worked  
directly in government,  
others have been  
teachers, and still  
others have found

ways to make contributions. Not all the stories are about people in the U.S. The two stories from Brazil involve people who stayed at home and did their good work there; in the other two instances, already blossoming careers at home were ended by extreme governmental changes. In all cases, however, these are people who must be admired for their extreme dedication to the highest ideals of service. In effect, this book can be considered a primer on government that works. The two whose stories did not directly concern government contributed mightily to a better society. One was a highly productive author, who, in later years, concentrated on

children's books and wrote more than 50 of them. The other pioneered a wholly different journalistic undertaking, the city-regional magazine. Today these publications are found throughout the country and are distinguished by their design quality and their commitment to the communities they serve.

HarperCollins Willy lives with his grandfather, who suddenly can't seem to get out of bed or speak. When the State of Wyoming threatens to take his grandfather's farm, Willy enters a dog sled race hoping to win enough money to pay the taxes. But an Indian named Stone Fox also enters the race, and Stone Fox has never lost. Can Willy and his faithful dog, Searchlight, beat Stone Fox and his five white Samoyeds? Upper elementary, but an excellent choice for advanced 3rd grade readers. Setting: Wyoming, 1800s. grade 3 Teacher Created Resources Willy and his grandfather live on a farm in Wyoming where they grow

potatoes. One day Grandfather will not get out of bed or even speak. Willy runs to get Doc Smith, who examines Grandfather and can find nothing wrong with him. She tells Willy that Grandfather has just given up on life. Willy brings in the potato harvest to cheer Grandfather, using only his dog, Searchlight, to pull the plow. He is able to sell the potato harvest just as Grandfather has always done, but still Grandfather does not move or speak. Each winter Willy hooks Searchlight up to an old sled and, daily, they race the distance from their farm to town and back again. One winter day, he returns home to find a 'city slicker' at the farm. The man says he is

from the State of Wyoming, and tells Willy that Grandfather owes the state \$500 in back taxes, and that he must pay it or they will lose the farm. Then, when Willy goes to town, he sees a poster advertising the National Dogsled Races. The for winning the race is \$500! Willy decides to enter the race, convinced he and Searchlight can win; but an Indian named Stone Fox also enters the race. Stone Fox has never lost a race. Can Willy and Searchlight beat Stone Fox?

This atmospheric and heartfelt story is one of Betsy Byars' best-loved classics. 'And then, this afternoon,' Uncle Fred said to me, 'you and I'll go after the fox.' Tom, a town boy, is horrified when his parents tell him he has to stay on Aunt Millie's farm while they are away. He finds country life every bit as

strange and uncomfortable as he feared. But soon, he discovers a rare black fox with green eyes, living with her cubs in the forest. Suddenly, the summer is full of excitement. That is, until Uncle Fred decides to go after the fox - will Tom save her and her family in time?

With an uncanny relevance to today's world and inspired by

the life of its author, *Karl's Story*, is a WW II child refugee's tale of resilience, hope and courage as told through the narrative of her beloved teddy bear, Karl. A story perfect for all ages: read to children by parents, grandparents and teachers alike. It has been read many times to middle elementary grades. A book to be handed down from parent to child to child for generations to come. Karl, "a very old teddy bear," has a magic gift—he can tell stories to children who are still young enough to understand toy talk. *Karl's Story* begins in Europe. It's about Karl, the young girl Karin, and Mimi the mind reading cat, ... how the three friends experience and survive

WW II and then escape from communism to a new and hope-filled life with his beloved friend Karin .Their journey, their story, enchants children but in the sense of The Little Prince speaks timelessly to adults as well . Karl's Story tells of European refugees and is as relevant today as then. The chaos of the time turned the world of the three friends upside down, slowly at first, from no more whipped cream at birthday parties to ever more frequent air raids, crashing bombs, and a harrowing train ride, with Karl and Mimi stuffed in Karin's old wicker trunk. In the journey Karin loses all she ever knew or loved, but goes on to rebuild her world in America. The book is

categorized as Children's Fiction because of its charming cover and talking stuffed animals but is inspirational to young and old alike, and a perfect antidote in these still troubled times; this is indeed a book for all.

A Writer's Guide to Meeting a Deadline

Harper Collins

In this beautifully written story set in the north woods of Minnesota, four healthy wolf pups—Leader, Sniffer, Runner, and Thinker—are born one spring. And then one final, undersized pup emerges—Runt.

Despite his size, Runt manages to keep up with his brothers and sisters and learn the ways of the pack. But he finds it impossible to please his father, the pack's leader, and

gradually withdraws from the others. When he ventures into forbidden human territory, Runt at last comes to understand his mistakes and to recognize his own worth. Award-winning author Marion Dane Bauer combines her gift for evocative writing with her in-depth knowledge of wolves to create a compact tale that has the power of an epic. Like the best animal stories, it reflects our own world and shows us what it means to be alive. Afterword.

*Stone Fox - Literature Kit Gr. 3-4* Examined Solutions Pte Limited All-Kar, a white-hole portal from another universe, rains meteoroids onto the surface of the planet Kelanni. But the so-called "lodestones"

behave according to different physical laws, transforming Kelanni's society. With the aid of the fearsome Keltar in their flying cloaks, the Kelanni are being put to forced labor to mine the lodestones. Shann, an orphan with a fiery disposition, witnesses a battle between a Keltar and a stranger bearing a similar flying cloak. She tracks down the stranger, learning of the technology behind the Keltars' power and joining him on a mission to free the slaves and cut off their supply of lodestones. Meanwhile Keris, a Keltar, is sent on a mission to track down the rebels. She is attacked by a flying creature and saved by the enigmatic Chandara. At their Great Tree, she learns that a mysterious

"Prophet" is out to destroy the Kelanni people. Their only hope is a powerful instrument hidden in the distant past. Pursued by Keltar, the party will encounter bizarre creatures, ancient technologies and terrifying dangers. Finally, they must seek to cross a massive storm barrier in order to reach the other side of their world, where a world-shaking revelation awaits.
