Light from the fire burning afar mingled with the moonlight in Kurukshetra to create a terrible twilight. Scattered corpses ... broken chariots ... sporadic death cries ... prowling scavengers ... the battlefield stretched endlessly. The victorious Pāndava camps burst into deafening cheers amidst burning funeral pyres. The Great War was finally over. But soon enough, when everyone learns the truth about the hated enemy, Karna, that towering figure with the golden glow, another battle starts. Everyone stands stunned, forgetting to even cry. Torn by the guilt of fratricide, Yudhishtira becomes a recluse. Draupadi becomes restless: her tryst with reality begins.

What seemed a justifiable end to an ignominious character completely overturns. Her pride for her husbands' valour erodes. Life as she had understood slowly begins to lose meaning. This Malayalam classic centres on Karna, the most criticized yet admired character of the Mahabharata, treacherously killed by his half-brother Arjuna. His life story unfolds through the eyes of Draupadi, in flashbacks and tales she hears from those around her in the aftermath of the battle of Kurukshetra. Indulekha Penguin UK
In 1957, Kerala became the first region in Asia to elect a communist government parliamentary procedure. Dilip Menon's book traces the social history of communism in Malabar, the bastion of the movement, and looks at how the ideology was transformed into a doctrine of caste equality, as national strategies were reshaped by local circumstance and tinged by pragmatism. While existing literature concentrates on the intricacies of party policy, Dilip Menon explores the diversity of political practice within a particular region. He particularly analyses the

relationship between landowners and cultivators, demonstrating their economic and cultural interdependence. Inequality and difference were tempered by a perception of shared symbols and values. As the author points out, the success of communism in Kerala lies in its recognition of this fact. *Marthanda Varma* British Film Inst First published in Malayalam in 1973, My Story, Kamala Das' sensational autobiography, shocked readers with its total disregard for mindless conventions and its fearless articulation of a subject still considered taboo. Depicting the author's intensely personal experiences in her passage to womanhood and shedding light on the hypocrisies that informed traditional society, this memoir was far ahead of its time and is now acknowledged as a bona fide masterpiece.
