K. Ancrum's *The Legend of the Golden Raven* novella, part fairy tale and part gritty reality, follows a boy as he descends into madness. August and Jack weren't meant to be friends. One is a misfit with a pyro streak and the other a golden boy on the rugby team. But as their relationship intensifies, Jack slowly begins to lose his mind—taking readers

on an intimate journey into the fantasy kingdom creeping into the edges of his world. As the novella moves back and forth between a medieval legend and our own, contemporary world, nothing is as it seems.

The boys alienate everyone around them as they struggle with their sanity and as Jack's quest to fulfill a dark prophecy begins to consume them both . . . Devour this companion novella to *The Wicker King*. An ImprintBook Praise for *The Wicker King*: "An eerie and mesmerizing thriller that questions the spacewhere reality and perception overlap, *The Wicker King* is a spine-tingling read that will have you riveted."

—Caleb Roehrig, author of *Last Seen Leaving* and *White Rabbit* "An eerie piece of realistic fiction whose characters revel in intense emotions."

A Taino Myth from Puerto Rico Legend of the Golden Snail, The

How The Golden Legend shaped the medieval imagination It is impossible to understand the Middle Ages without grasping the importance of The Golden Legend, the most popular medieval collection of saints' lives. Assembled in the thirteenth century by Genoese archbishop Jacobus de Voragine, the book became the medieval equivalent of a bestseller. In Search of Sacred Time is the first comprehensive history and interpretation of this crucial book. Jacques Le Goff, who was one of the world's most renowned medievalists, provides a lucid and compelling account that shows how The Golden Legend Christianized time itself, reconciling human and divine temporality. Authoritative, eloquent, and original, In Search of Sacred Time is a major reinterpretation of a book that is central to comprehending the medieval imagination.

When the preacher rode into the gold camp he knew his work was cut out for him. It was a world filled with wickedness and greed and He knew he would not be able to build

a church here without God's help. To Frenchy, he was a man unlike any she had ever known. To give all that he had and ask for nothing in return made no sense and she was determined to find out what made this man tick. To Nick, he was a problem that had to be eliminated before he ruined the world he had created. The story of these conflicting lives was played out beneath the majestic peaks of the Rocky Mountains and only God himself could know the dramatic events that would resolve the conflicts of lives on a collision course. For nearly 40 years I have been fascinated by the mining history of my state. I have visited many of the old mining camps and sought out the history of the colorful people that lived in those places. In so doing I discovered a world of high adventure and larger than life characters that once lived in those remote mountain locations. To gain a more intimate knowledge of that world I worked in the mining industry. One summer several of the miners agreed in pray that even tough and independent men like the ones that worked in our mines could be saved.

God answered our prayers and over the summer many gave their lives to Christ. It made me wonder what it would have been like if a man of God had determined to bring revival to one of those notorious gold camps. This story is the result of that idea.

One of the central texts of the Middle Ages, The Golden Legend deeply influenced the imagery of poetry, painting and stained glass with its fascinating descriptions of saints' lives and religious festivals. By creating a single-volume sourcebook of core Christian stories, Jacobus de Voragine (c. 1229-98) attracted a huge audience across Europe. This selection of over seventy biographies ranges from the first Apostles and Roman martyrs to near-contemporaries such as St Dominic, St Francis of Assisi and St Elizabeth of Hungary. Here, witnesses to the true faith endure horrific tortures; reformed prostitutes win divine forgiveness; while other women live disguised as monks or nobly resist lustful tyrants. Lucid and compelling, The Golden Legend offers an

enthraling insight into the medieval mind. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

During the 1920s, T. E. Lawrence gained global attention, both for his involvement in the Middle Eastern anti-imperialist movement, and for his vivid and sensational writings about his experiences. Despite the passage of many years and the emergence of a whole new set of problems in the Middle East, and fuelled by the success of the hit movie *Lawrence of Arabia*, the T. E. Lawrence mystique continues to fascinate. Controversial and

provocative, this revised and updated edition of Lawrence James's acclaimed biography penetrates and overturns the mythology that surrounds T. E. Lawrence. James traces the sometimes spurious Lawrence legend back to its truthful roots, yet remains dispassionate and generous in spirit throughout. The *Golden Warrior* presents readers with a fascinating study of one of the twentieth century's most remarkable figures.

Saints both young and bold. The tales of these saints are told here, along with those of many others who, although young, have joined the ranks of the greatest saints: some by dying for their faith, many more by living for it. Their lives of great and simple virtue remind us that "valor does not wait on years," nor does holiness. To live in the love of God, in absolute obedience to His commandments, to practice the noblest Christian virtues, and even to offer our life in sacrifice - we don't have to be grown up.
