Ravished AmazonCrossing

Amanda Quick's bestselling trademark is a combination of suspense and passion in historical tales alight with sparkling wit and brimming with dangerous intrigue. Now she serves up the most tantalizing novel of her career as an enterprising woman allies herself with a mysterious spy, only to be caught in a seething brew of treachery — and temptation.... From the moment he burst into her antiques shop in Rome, Lavinia Lake knew the stranger was nothing but trouble. He said he was in pursuit of a killer. He swore he was only trying to save her. Yet no matter what he claimed, Lavinia was convinced that Mr. Tobias

March was bent instead on destroying her. And when the self-described spy hustled her and her niece out of the shop and back to England, Lavinia could only hope that one day she would find a way to repay Mr. March in full. But Lavinia never imagined the shocking circumstances under which they would meet again ... or that soon he would become more deadly — and more compelling — with each passing day. In the business of making private inquiries, Tobias March had been hired to trade down a powerful villain who even now was intent on assuming control of a vast criminal organization. Yet in his search he had found nothing but one dead end — and one dead body — after another. And then, just as his investigation was heating up once more, he found his mission and his life complicated by the most ungovernable, unpredictable, exasperating woman he had ever met. Faced with a tangled web of deceit and danger, Tobias had

no choice but to form a partnership with Lavinia, a lady whose past could only be described as slightly shady. Yet when he persuaded her to become his associate, neither Tobias nor Lavinia realized that their heated disputes would spark a sizzling desire — or that the deeper they kept digging for the truth, the deeper they were digging their own graves....

Rosetta Books

The #1 New York Times–bestselling author of *Fear of Flying* brings the seductive Greek poet to life in this “enormously entertaining” tale (Booklist). As she stands poised at the edge of a precipice in the shadow of the sanctuary of Apollo, the greatest love poet who ever was or ever will be recalls the eventful fifty years that have led her to this moment. It was love that seduced her, at age sixteen, into an ill-fated plot with the poet Alcaeus to

depose the despot of the island of Lesbos. It was love that made her trade the unwanted marriage bed of an old, despised, and drunken husband for a seemingly endless series of lovers, both male and female. For Sappho, life has always been a banquet to be savored to the fullest, a strange and sensual odyssey that has carried her to the far corners of the ancient world. Devoted to the goddess Aphrodite and granted the gift of immortal song, she has followed her magnificent destiny from Delphi to Egypt, to the land of the Amazons, the realm of the centaurs, and into the stygian depths of Hades itself, often in the company of her companion and friend, the fabulist slave Aesop. Through every grand affair and every wild adventure, she has remained forever true to her heart, her passion, and herself, right up to this, the end of everything. Combining evocative and realistic detail with unabashedly outrageous invention, Erica Jong's *Sappho's Leap* is a flawless gem of historical fiction boldly imagined by one of America's most enthralling storytellers. This ebook features an illustrated biography of Erica Jong including rare photos and never-before-seen documents from the author's personal collection.

Sappho's Leap HarperCollins UK

Seducing the Demon has introduced Erica Jong to readers who hadn't been born when *Fear of Flying* was published in 1973. Now one of her finest works of nonfiction -and a *New York Times* bestseller-is back in print with a new afterword. In *Fear of Fifty*, a *New York Times* bestseller when first published in 1994, Erica Jong looks to the second half of her life and "goes right to the jugular of the women who lived wildly and vicariously through *Fear of Flying*" (*Publishers Weekly*), delivering highly entertaining stories and provocative insights on sex, marriage, aging, feminism, and motherhood. "What Jong calls a midlife memoir is a slice of autobiography that ranks in honesty, self-perception and wisdom with [works by] Simone de Beauvoir and Mary McCarthy," wrote the *Sunday Times* (U.K.). "Although Jong's memoir of a Jewish American princess is wittier than either."

Slightly Shady National Geographic Books

The author of *I, Claudius* reimagines the Trojan War for the young reader. "The writing is clear, straightforward, and, in places, poetic" (*Kirkus Reviews*). The *Iliad* has it all: war, corruption, greed, power, and the passions of both gods and men. In this detailed retelling, Robert Graves draws the major characters of

this timeless classic in broad, gritty strokes, making Agamemnon, Paris, Odysseus, and others accessible for young readers. Written with a younger audience in mind, *The Siege and Fall of Troy* is nevertheless exhaustively researched and compelling enough to be of interest to both students of history and adult readers. With humor, wit, and energy, Graves is expert at weaving a story based on exhaustive scholarly research and deep imaginative prowess.
