Soul Screammers Volume Three Simon and Schuster

I'm Madison Avery, in charge of heaven's hit squad . . . and fighting it all the way. When Madison died the night of her prom, she knew her life would never be the same. Now she has a powerful amulet, a team of rogue angels by her side, and the ability to flash forward into the future to see the shape of destiny. And of course, now she's finally with Josh—a perfect boyfriend who doesn't even mind that she's dead. But being dead has its disadvantages, too. Madison feels caught between the light and the dark, and between her real life and her timekeeper status. When Madison has the opportunity to get her body back—to be alive again—she faces her most difficult decision yet. If she claims it, she could return to being a normal girl—and have a chance at a real relationship with Josh. But would having the one thing she wants most in the world also mean giving up everything she's worked so hard for?

He even disapproves of Daisy's boyfriend, Ryan. Can their relationship take the strain?And Daisy's got even more on her plate: A talented amateur chef, she has won cooking lessons with celebrity chef Circe Silvertongue. After nosing around (with a little help from Circe's pet pig), Daisy begins to suspect the temperamental chef's secrets aren't only in her ingredients. . . .The fourth installment in this favorite series is full of surprises and scares!
